

54-1-10 Conservation planning -- Annual reports.

The Public Service Commission shall engage in long-range planning regarding public utility regulatory policy in order to facilitate the well-planned development and conservation of utility resources. The commission shall make and submit to the governor and the Legislature an annual report containing a full and complete account of the transactions of its office, together with any facts, suggestions and recommendations it may deem necessary. The Division of Public Utilities shall provide any assistance the commission may require in the preparation of the annual report. The report shall be made and submitted by October 1 of each year or as soon after as may be feasible and shall be published as are the reports of other departments of the state.
