

Effective 5/10/2016

54-20-102 Definitions.

As used in this chapter:

- (1) "Demand side management" means the same as that term is defined in Section 54-7-12.8.
- (2) "Pilot program period" means a period of 5 years, beginning on January 1, 2017, during which the sustainable transportation and energy plan is effective.
- (3) "Sustainable transportation and energy plan" means the programs approved by the commission and undertaken by a large-scale electric utility during the pilot program period, including:
 - (a) the electric vehicle incentive program described in Section 54-20-103;
 - (b) the clean coal technology program described in Section 54-20-104; and
 - (c) the innovative technology programs described in Section 54-20-105.

Enacted by Chapter 393, 2016 General Session
