

Effective 5/10/2016

54-20-103 Electric vehicle incentive program.

- (1) The commission shall, before July 1, 2017, authorize a large-scale electric utility to establish a program that promotes customer choice in electric vehicle charging equipment and service that includes:
 - (a) an incentive to a large-scale electric utility customer to install or provide electric vehicle infrastructure;
 - (b) time of use pricing for electric vehicle charging;
 - (c) any measure that the commission determines is in the public interest that incentivizes the competitive deployment of electric vehicle charging infrastructure.
- (2) The commission may review the expenditures made by a large-scale electric utility for the program described in Subsection (1) in order to determine if the large-scale electric utility made the expenditures prudently in accordance with the purposes of the program.
- (3) A large-scale electric utility proposing a program for approval by the commission under this section shall, before submitting the program to the commission for approval, seek input from:
 - (a) the Division of Public Utilities;
 - (b) the Office of Consumer Services;
 - (c) the Division of Air Quality; and
 - (d) any person that files a request for notice with the commission.
