- (3) Nothing in the provisions of Title 10, Chapter 20, Part 8, Subdivisions, and Title 17, Chapter 79, Part 7, Subdivisions, shall prohibit the recording of a document which is otherwise entitled to be recorded under the provisions of this chapter.

- (3) This section does not affect the validity of a document with respect to the parties to the document and all other persons who have notice of the document.
- (4) The fact that a recorded document recites only a nominal consideration, names the grantee as trustee, or otherwise purports to be in trust without naming beneficiaries or stating the terms of the trust does not charge any third person with notice of any interest of the grantor or of the interest of any other person not named in the document.
- (5) The grantee in a recorded document may convey the interest granted to the grantee free and clear of all claims not disclosed in the document in which the grantee appears as grantee or in any other document recorded in accordance with this title that sets forth the names of the beneficiaries, specifies the interest claimed, and describes the real property subject to the interest.
