

58-22-301 License required -- License classifications.

- (1) A license is required to engage in the practice of professional engineering, professional structural engineering, or professional land surveying, except as specifically provided in Section 58-1-307 or 58-22-305.
- (2) The division shall issue licenses to individuals qualified under the provisions of this chapter in the following classifications:
 - (a) professional engineer;
 - (b) professional structural engineer; and
 - (c) professional land surveyor.
- (3) The division may issue a license in a specific engineering discipline or disciplines as defined by rule by the division in collaboration with the board.
