 - (d) a partner, as defined in Section 48-1d-102, of an alarm company.
- (4) "Alarm company owner" means:
 - (a) a shareholder, as defined in Section 16-10a-102, who owns directly, or indirectly through an entity controlled by the individual, 5% or more of the outstanding shares of an alarm company that:
 - (i) is a corporation; and
 - (ii) is not publicly listed or traded; or
 - (b) an individual who owns directly, or indirectly through an entity controlled by the individual, 5% or more of the equity of an alarm company that is not a corporation.

- (5) "Alarm company proprietor" means the sole proprietor of an alarm company that is registered as a sole proprietorship with the Division of Corporations and Commercial Code.
- (6) "Alarm company trustee" means an individual with control of or power of administration over property held in trust.
- (7)
 - (a) "Alarm system" means equipment and devices assembled for the purpose of:
 - (i) detecting and signaling unauthorized intrusion or entry into or onto certain premises; or
 - (ii) signaling a robbery or attempted robbery on protected premises.
 - (b) "Alarm system" includes a battery-charged suspended-wire system or fence that is part of and interfaces with an alarm system for the purposes of detecting and deterring unauthorized intrusion or entry into or onto certain premises.
- (8) "Apprentice electrician" means a person licensed under this chapter as an apprentice electrician who is learning the electrical trade under the immediate supervision of a master electrician, residential master electrician, a journeyman electrician, or a residential journeyman electrician.
- (9) "Apprentice plumber" means a person licensed under this chapter as an apprentice plumber who is learning the plumbing trade under the immediate supervision of a master plumber, residential master plumber, journeyman plumber, or a residential journeyman plumber.
- (10) "Approved continuing education" means instruction provided through courses under a program established under Subsection 58-55-302.5(2).
- (11)
 - (a) "Approved prelicensure course provider" means a provider that is the Associated General Contractors of Utah, the Utah Chapter of the Associated Builders and Contractors, or the Utah Home Builders Association, and that meets the requirements established by rule by the commission with the concurrence of the director, to teach the 25-hour course described in Subsection 58-55-302(1)(e)(iii).
 - (b) "Approved prelicensure course provider" may only include a provider that, in addition to any other locations, offers the 25-hour course described in Subsection 58-55-302(1)(e)(iii) at least six times each year in one or more counties other than Salt Lake County, Utah County, Davis County, or Weber County.
- (12) "Board" means the Alarm System Security and Licensing Board or Electricians and Plumbers Licensing Board created in Section 58-55-201.
- (13) "Combustion system" means an assembly consisting of:
 - (a) piping and components with a means for conveying, either continuously or intermittently, natural gas from the outlet of the natural gas provider's meter to the burner of the appliance;
 - (b) the electric control and combustion air supply and venting systems, including air ducts; and
 - (c) components intended to achieve control of quantity, flow, and pressure.
- (14) "Commission" means the Construction Services Commission created under Section 58-55-103.
- (15) "Construction trade" means any trade or occupation involving:
 - (a)
 - (i) construction, alteration, remodeling, repairing, wrecking or demolition, addition to, or improvement of any building, highway, road, railroad, dam, bridge, structure, excavation or other project, development, or improvement to other than personal property; and
 - (ii) constructing, remodeling, or repairing a manufactured home or mobile home as defined in Section 15A-1-302; or
 - (b) installation or repair of a residential or commercial natural gas appliance or combustion system.

(16) "Construction trades instructor" means a person licensed under this chapter to teach one or more construction trades in both a classroom and project environment, where a project is intended for sale to or use by the public and is completed under the direction of the instructor, who has no economic interest in the project.

(17)

(a) "Contractor" means any person who for compensation other than wages as an employee undertakes any work in the construction, plumbing, or electrical trade for which licensure is required under this chapter and includes:

- (i) a person who builds any structure on the person's own property for the purpose of sale or who builds any structure intended for public use on the person's own property;
- (ii) any person who represents that the person is a contractor, or will perform a service described in this Subsection (17) by advertising on a website or social media, or any other means;
- (iii) any person engaged as a maintenance person, other than an employee, who regularly engages in activities set forth under the definition of "construction trade";
- (iv) any person engaged in, or offering to engage in, any construction trade for which licensure is required under this chapter; or
- (v) a construction manager, construction consultant, construction assistant, or any other person who, for a fee:
 - (A) performs or offers to perform construction consulting;
 - (B) performs or offers to perform management of construction subcontractors;
 - (C) provides or offers to provide a list of subcontractors or suppliers; or
 - (D) provides or offers to provide management or counseling services on a construction project.

(b) "Contractor" does not include:

- (i) an alarm company or alarm company agent; or
- (ii) a material supplier who provides consulting to customers regarding the design and installation of the material supplier's products.

(18)

(a) "Electrical trade" means the performance of any electrical work involved in the installation, construction, alteration, change, repair, removal, or maintenance of facilities, buildings, or appendages or appurtenances.

(b) "Electrical trade" does not include:

- (i) transporting or handling electrical materials;
- (ii) preparing clearance for raceways for wiring;
- (iii) work commonly done by unskilled labor on any installations under the exclusive control of electrical utilities;
- (iv) work involving cable-type wiring that does not pose a shock or fire-initiation hazard;
- (v) work involving class two or class three power-limited circuits as defined in the National Electrical Code; or
- (vi) minor electrical work incidental to a mechanical or service installation when wiring is extended to no more than 10 feet from an existing outlet or disconnect and does not exceed 120 volts and 20 amperes.

(19) "Elevator" means the same as that term is defined in Section 34A-7-202, except that for purposes of this chapter it does not mean a stair chair, a vertical platform lift, or an incline platform lift.

- (20) "Elevator contractor" means a sole proprietor, firm, or corporation licensed under this chapter that is engaged in the business of erecting, constructing, installing, altering, servicing, repairing, or maintaining an elevator.
- (21) "Elevator mechanic" means an individual who is licensed under this chapter as an elevator mechanic and who is engaged in erecting, constructing, installing, altering, servicing, repairing, or maintaining an elevator under the immediate supervision of an elevator contractor.
- (22) "Employee" means an individual as defined by the division by rule giving consideration to the definition adopted by the Internal Revenue Service and the Department of Workforce Services.
- (23) "Engage in a construction trade" means to:
- (a) engage in, represent oneself to be engaged in, or advertise oneself as being engaged in a construction trade; or
 - (b) use the name "contractor" or "builder" or in any other way lead a reasonable person to believe one is or will act as a contractor.
- (24)
- (a) "Financial responsibility" means a demonstration of a current and expected future condition of financial solvency evidencing a reasonable expectation to the division and the board that an applicant or licensee can successfully engage in business as a contractor without jeopardy to the public health, safety, and welfare.
 - (b) Financial responsibility may be determined by an evaluation of the total history concerning the licensee or applicant including past, present, and expected condition and record of financial solvency and business conduct.
- (25) "Gas appliance" means any device that uses natural gas to produce light, heat, power, steam, hot water, refrigeration, or air conditioning.
- (26)
- (a) "General building contractor" means a person licensed under this chapter as a general building contractor qualified by education, training, experience, and knowledge to perform or superintend construction of structures for the support, shelter, and enclosure of persons, animals, chattels, or movable property of any kind or any of the components of that construction except plumbing, electrical work, mechanical work, work related to the operating integrity of an elevator, and manufactured housing installation, for which the general building contractor shall employ the services of a contractor licensed in the particular specialty, except that a general building contractor engaged in the construction of single-family and multifamily residences up to four units may perform the mechanical work and hire a licensed plumber or electrician as an employee.
 - (b) The division may by rule exclude general building contractors from engaging in the performance of other construction specialties in which there is represented a substantial risk to the public health, safety, and welfare, and for which a license is required unless that general building contractor holds a valid license in that specialty classification.
- (27) "General electrical contractor" means a person licensed under this chapter as a general electrical contractor qualified by education, training, experience, and knowledge to perform the fabrication, construction, and installation of generators, transformers, conduits, raceways, panels, switch gear, electrical wires, fixtures, appliances, apparatus that uses electrical energy, or any other work the division authorizes by rule in accordance with Subsection 58-55-301(4).
- (28)
- (a) "General engineering contractor" means a person licensed under this chapter as a general engineering contractor qualified by education, training, experience, and knowledge to perform or superintend construction of fixed works, or components of fixed works requiring specialized engineering knowledge and skill in:

 - (d) to ensure that the end result complies with applicable standards.
- (33) "Individual" means a natural person.
- (34) "Journeyman lineman" means a person that builds and maintains an electrical power system, performs work on transmission lines or distribution lines from power plants to customers, and has completed an approved 7,000 hour certified apprenticeship program.
- (35) "Journeyman electrician" means a person licensed under this chapter as a journeyman electrician having the qualifications, training, experience, and knowledge to wire, install, and repair electrical apparatus and equipment for light, heat, power, and other purposes.
- (36) "Journeyman plumber" means a person licensed under this chapter as a journeyman plumber having the qualifications, training, experience, and technical knowledge to engage in the plumbing trade.
- (37) "Master electrician" means a person licensed under this chapter as a master electrician having the qualifications, training, experience, and knowledge to properly plan, layout, and supervise the wiring, installation, and repair of electrical apparatus and equipment for light, heat, power, and other purposes.
- (38) "Master plumber" means a person licensed under this chapter as a master plumber having the qualifications, training, experience, and knowledge to properly plan and layout projects and supervise persons in the plumbing trade.
- (39) "Person" means a natural person, sole proprietorship, joint venture, corporation, limited liability company, association, or organization of any type.
- (40)
- (a) "Plumbing trade" means the performance of any mechanical work pertaining to the installation, alteration, change, repair, removal, maintenance, or use in buildings, or within three feet beyond the outside walls of buildings, of pipes, fixtures, and fittings for the:
 - (i) delivery of the water supply;
 - (ii) discharge of liquid and water carried waste;
 - (iii) building drainage system within the walls of the building; and
 - (iv) delivery of gases for lighting, heating, and industrial purposes.
 - (b) "Plumbing trade" includes work pertaining to the water supply, distribution pipes, fixtures and fixture traps, soil, waste and vent pipes, the building drain and roof drains, and the safe and adequate supply of gases, together with their devices, appurtenances, and connections where installed within the outside walls of the building.
- (41) "Ratio of apprentices" means the number of licensed plumber apprentices or licensed electrician apprentices that are allowed to be under the immediate supervision of a licensed supervisor as established by the provisions of this chapter and by rules made by the commission, with the concurrence of the director, in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act.
- (42) "Residential and small commercial contractor" means a person licensed under this chapter as a residential and small commercial contractor qualified by education, training, experience, and knowledge to perform or superintend the construction of single-family residences, multifamily residences up to four units, and commercial construction of not more than three stories above ground and not more than 20,000 square feet, or any of the components of that construction except plumbing, electrical work, mechanical work, and manufactured housing installation, for which the residential and small commercial contractor shall employ the services of a contractor licensed in the particular specialty, except that a residential and small commercial contractor

- engaged in the construction of single-family and multifamily residences up to four units may perform the mechanical work and hire a licensed plumber or electrician as an employee.
- (43) "Residential building," as it relates to the license classification of residential journeyman plumber and residential master plumber, means a single or multiple family dwelling of up to four units.
- (44) "Residential electrical contractor" means a person licensed under this chapter as a residential electrical contractor qualified by education, training, experience, and knowledge to perform the fabrication, construction, and installation of services, disconnecting means, grounding devices, panels, conductors, load centers, lighting and plug circuits, appliances, and fixtures in a residential unit or any other work the division authorizes by rule in accordance with Subsection 58-55-301(4).
- (45) "Residential journeyman electrician" means a person licensed under this chapter as a residential journeyman electrician having the qualifications, training, experience, and knowledge to wire, install, and repair electrical apparatus and equipment for light, heat, power, and other purposes on buildings using primarily nonmetallic sheath cable.
- (46) "Residential journeyman plumber" means a person licensed under this chapter as a residential journeyman plumber having the qualifications, training, experience, and knowledge to engage in the plumbing trade as limited to the plumbing of residential buildings.
- (47) "Residential master electrician" means a person licensed under this chapter as a residential master electrician having the qualifications, training, experience, and knowledge to properly plan, layout, and supervise the wiring, installation, and repair of electrical apparatus and equipment for light, heat, power, and other purposes on residential projects.
- (48) "Residential master plumber" means a person licensed under this chapter as a residential master plumber having the qualifications, training, experience, and knowledge to properly plan and layout projects and supervise persons in the plumbing trade as limited to the plumbing of residential buildings.
- (49) "Residential plumbing contractor" means a person licensed under this chapter as a residential plumbing contractor qualified by education, training, experience, and knowledge to perform the fabrication or installation of material and fixtures to create and maintain sanitary conditions in residential buildings by providing permanent means for a supply of safe and pure water, a means for the timely and complete removal from the premises of all used or contaminated water, fluid and semi-fluid organic wastes and other impurities incidental to life and the occupation of such premises, a safe and adequate supply of gases for lighting, heating, and residential purposes, or any other work the division authorizes by rule in accordance with Subsection 58-55-301(4).
- (50) "Residential project," as it relates to an electrician or electrical contractor, means buildings primarily wired with nonmetallic sheathed cable, in accordance with standard rules and regulations governing this work, including the National Electrical Code, and in which the voltage does not exceed 250 volts line to line and 125 volts to ground.
- (51) "Responsible management personnel" means:
- (a) a qualifying agent;
 - (b) an operations manager; or
 - (c) a site manager.
- (52) "Sensitive alarm system information" means:
- (a) a pass code or other code used in the operation of an alarm system;
 - (b) information on the location of alarm system components at the premises of a customer of the alarm business providing the alarm system;

- (c) information that would allow the circumvention, bypass, deactivation, or other compromise of an alarm system of a customer of the alarm business providing the alarm system; and
 - (d) any other similar information that the division by rule determines to be information that an individual employed by an alarm business should use or have access to only if the individual is licensed as provided in this chapter.
- (53)
- (a) "Specialty contractor" means a person licensed under this chapter under a specialty contractor classification established by rule, who is qualified by education, training, experience, and knowledge to perform those construction trades and crafts requiring specialized skill, the regulation of which are determined by the division to be in the best interest of the public health, safety, and welfare.
 - (b) A specialty contractor may perform work in crafts or trades other than those in which the specialty contractor is licensed if they are incidental to the performance of the specialty contractor's licensed craft or trade.

58-55-103 Construction Services Commission created -- Functions -- Appointment -- Qualifications and terms of members -- Vacancies -- Expenses -- Meetings -- Concurrence.

- (1)
- (a) There is created within the division the Construction Services Commission.
 - (b) The commission shall:
 - (i) with the concurrence of the director, make reasonable rules under Title 63G, Chapter 3, Utah Administrative Rulemaking Act, to administer and enforce this chapter which are consistent with this chapter including:
 - (A) licensing of various licensees;
 - (B) examination requirements and administration of the examinations, to include approving and establishing a passing score for applicant examinations;
 - (C) standards of supervision for students or persons in training to become qualified to obtain a license in the trade they represent; and
 - (D) standards of conduct for various licensees;
 - (ii) approve or disapprove fees adopted by the division under Section 63J-1-504;
 - (iii) except where the boards conduct them, conduct all administrative hearings not delegated to an administrative law judge relating to the licensing of any applicant;

- (iv) except as otherwise provided in Sections 38-11-207 and 58-55-503, with the concurrence of the director, impose sanctions against licensees and certificate holders with the same authority as the division under Section 58-1-401;
 - (v) advise the director on the administration and enforcement of any matters affecting the division and the construction industry;
 - (vi) advise the director on matters affecting the division budget;
 - (vii) advise and assist trade associations in conducting construction trade seminars and industry education and promotion; and
 - (viii) perform other duties as provided by this chapter.
- (2)
- (a) The terms of office of the commission members who are serving on the Contractors Licensing Board shall continue as they serve on the commission.
 - (b) The commission shall be comprised of the following members appointed by the executive director with the approval of the governor from the following groups:
 - (i) one member shall be a licensed general engineering contractor;
 - (ii) one member shall be a licensed general building contractor;
 - (iii) two members shall be licensed residential and small commercial contractors;
 - (iv) one member shall be a licensed plumber and a member of the Electricians and Plumbers Licensing Board;
 - (v) one member shall be a licensed electrician and a member of the Electricians and Plumbers Licensing Board;
 - (vi) one member shall be the chair person of the Alarm System Security and Licensing Board; and
 - (vii) two members shall be from the general public.
- (3)
- (a) Except as required by Subsection (3)(b), as terms of current commission members expire, the executive director with the approval of the governor shall appoint each new member or reappointed member to a four-year term ending June 30.
 - (b) Notwithstanding the requirements of Subsection (3)(a), the executive director with the approval of the governor shall, at the time of appointment or reappointment, adjust the length of terms to stagger the terms of commission members so that approximately 1/2 of the commission members are appointed every two years.
 - (c) A commission member may not serve more than two consecutive terms.
- (4) The commission shall elect annually one of its members as chair, for a term of one year.
- (5) When a vacancy occurs in the membership for any reason, the replacement shall be appointed for the unexpired term.
- (6) A member may not receive compensation or benefits for the member's service, but may receive per diem and travel expenses in accordance with:
- (a) Section 63A-3-106;
 - (b) Section 63A-3-107; and
 - (c) rules made by the Division of Finance pursuant to Sections 63A-3-106 and 63A-3-107.
- (7)
- (a) The commission shall meet at least monthly unless the director determines otherwise.
 - (b) The director may call additional meetings at the director's discretion, upon the request of the chair, or upon the written request of four or more commission members.
- (8)
- (a) Five members constitute a quorum for the transaction of business.

- (b) If a quorum is present when a vote is taken, the affirmative vote of commission members present is the act of the commission.
- (9) The commission shall comply with the procedures and requirements of Title 13, Chapter 1, Department of Commerce, and Title 63G, Chapter 4, Administrative Procedures Act, in all of its adjudicative proceedings.
- (10)
 - (a) For purposes of this Subsection (10), "concurrence" means the entities given a concurring role must jointly agree for the action to be taken.
 - (b) If a provision of this chapter requires concurrence between the director or division and the commission and no concurrence can be reached, the director or division has final authority.
 - (c) When this chapter requires concurrence between the director or division and the commission:
 - (i) the director or division shall report to and update the commission on a regular basis related to matters requiring concurrence; and
 - (ii) the commission shall review the report submitted by the director or division under this Subsection (10)(c) and concur with the report, or:
 - (A) provide a reason for not concurring with the report; and
 - (B) provide recommendations to the director or division.

58-55-104 Electrician Education Fund.

- (1) There is created an expendable special revenue fund known as the Electrician Education Fund.
- (2) The fund consists of money from a surcharge fee, established by the division in accordance with Section 63J-1-504, placed on initial, renewal, and reinstatement licensure fees for an apprentice electrician, journeyman electrician, master electrician, residential journeyman electrician, and residential master electrician.
- (3) The surcharge fee described in Subsection (2) may not be more than \$5.
- (4) The fund shall earn interest and all interest earned on fund money shall be deposited into the fund.
- (5) The director may, with the concurrence of the commission, make distributions from the fund for the following purposes:
 - (a) education and training of licensees under this chapter who are practicing in the electrical trade; and
 - (b) education and training of other licensees under this chapter or the public in matters concerning electrical laws and practices.
- (6) If the balance in the fund is more than \$100,000 at the end of any fiscal year, the excess amount shall be transferred to the General Fund.
- (7) The division shall report annually to the General Government Appropriations Subcommittee regarding the balance in the fund and how the fund is being used.

Amended by Chapter 271, 2025 General Session

58-55-105 Plumber Education Fund.

- (1) There is created an expendable special revenue fund known as the Plumber Education Fund.
- (2) The fund consists of money from a surcharge fee, established by the division in accordance with Section 63J-1-504, placed on initial, renewal, and reinstatement licensure fees for apprentice plumbers, journeyman plumbers, master plumbers, residential journeyman plumbers, and residential master plumbers.

- (3) The surcharge fee described in Subsection (2) may not be more than \$5.
- (4) The fund shall earn interest and all interest earned on fund money shall be deposited into the fund.
- (5) The director may, with the concurrence of the commission, make distributions from the fund for the following purposes:
 - (a) education and training of licensees under this chapter who are licensed in the professions described in Subsection (2); and
 - (b) education and training of other licensees under this chapter or the public in matters concerning plumbing laws and practices.
- (6) If the balance in the fund is more than \$100,000 at the end of any fiscal year, the excess amount shall be transferred to the General Fund.
- (7) The division shall report annually to the General Government Appropriations Subcommittee regarding the balance in the fund and how the fund is being used.

Amended by Chapter 271, 2025 General Session

58-55-106 Surcharge fee.

- (1) In addition to any other fees authorized by this chapter or by the division in accordance with Section 63J-1-504, the division shall require each applicant for an initial license, renewal of a license, or reinstatement of a license under this chapter to pay a \$1 surcharge fee.
- (2) The surcharge fee shall be deposited in the General Fund as a dedicated credit to be used by the division to provide each licensee under this chapter with access to an electronic reference library that provides web-based access to national, state, and local building codes and standards.

Amended by Chapter 339, 2020 General Session
