58-61-305 Qualifications for admission to examination.

All applicants for admission to any examination qualifying an individual for licensure under this chapter shall:

- (1) submit an application on a form provided by the division;
- (2) pay the fee established for the examination; and
- (3) certify under penalty of perjury as evidenced by notarized signature on the application for admission to the examination that the applicant:
 - (a) has completed the education requirement under this chapter and been awarded the earned degree required for licensure; and
 - (b) has successfully completed the supervised training required under this chapter for licensure.

Enacted by Chapter 32, 1994 General Session

58-61-306 Continuing education.

By rule made under Section 58-1-203, the division may establish a continuing education requirement as a condition for renewal of a license under this chapter upon finding continuing education is necessary to reasonably protect the public health, safety, or welfare.

Enacted by Chapter 32, 1994 General Session

58-61-307 Exemptions from licensure.

- (1) Except as modified in Section 58-61-301, the exemptions from licensure in Section 58-1-307 apply to this chapter.
- (2) In addition to the exemptions from licensure in Section 58-1-307, the following when practicing within the scope of the license held, may engage in acts included within the definition of practice as a psychologist, subject to the stated circumstances and limitations, without being licensed under this chapter:

- (a) a physician and surgeon or osteopathic physician licensed under Chapter 67, Utah Medical Practice Act, or Chapter 68, Utah Osteopathic Medical Practice Act;
- (b) a registered psychiatric mental health nurse specialist licensed under Chapter 31b, Nurse Practice Act;
- (c) a recognized member of the clergy while functioning in his ministerial capacity as long as he does not represent himself as or use the title of psychologist;
- (d) an individual who is offering expert testimony in any proceeding before a court, administrative hearing, deposition upon the order of any court or other body having power to order the deposition, or proceedings before any master, referee, or alternative dispute resolution provider;
- (e) an individual engaged in performing hypnosis who is not licensed under this title in a profession which includes hypnosis in its scope of practice, and who:
 - (i)
 - (A) induces a hypnotic state in a client for the purpose of increasing motivation or altering lifestyles or habits, such as eating or smoking, through hypnosis;
 - (B) consults with a client to determine current motivation and behavior patterns;
 - (C) prepares the client to enter hypnotic states by explaining how hypnosis works and what the client will experience;
 - (D) tests clients to determine degrees of suggestibility;
 - (E) applies hypnotic techniques based on interpretation of consultation results and analysis of client's motivation and behavior patterns; and
 - (F) trains clients in self-hypnosis conditioning;
 - (ii) may not:
 - (A) engage in the practice of mental health therapy;
 - (B) represent himself using the title of a license classification in Subsection 58-60-102(5); or
 - (C) use hypnosis with or treat a medical, psychological, or dental condition defined in generally recognized diagnostic and statistical manuals of medical, psychological, or dental disorders;
- (f) an individual's exemption from licensure under Subsection 58-1-307(1)(b) terminates when the student's training is no longer supervised by qualified faculty or staff and the activities are no longer a defined part of the degree program;
- (g) an individual holding an earned doctoral degree in psychology who is employed by an accredited institution of higher education and who conducts research and teaches in that individual's professional field, but only if the individual does not engage in providing delivery or supervision of professional services regulated under this chapter to individuals or groups regardless of whether there is compensation for the services;
- (h) any individual who was employed as a psychologist by a state, county, or municipal agency or other political subdivision of the state prior to July 1, 1981, and who subsequently has maintained employment as a psychologist in the same state, county, or municipal agency or other political subdivision while engaged in the performance of his official duties for that agency or political subdivision;
- (i) an individual licensed as a school psychologist under Section 53E-6-201:
 - (i) may represent himself as and use the terms "school psychologist" or "licensed school psychologist"; and
 - (ii) is restricted in his practice to employment within settings authorized by the State Board of Education;

- (j) an individual providing advice or counsel to another individual in a setting of their association as friends or relatives and in a nonprofessional and noncommercial relationship, if there is no compensation paid for the advice or counsel; and
- (k) an individual who is licensed, in good standing, to practice mental health therapy in a state or territory of the United States outside of Utah may provide short term transitional mental health therapy remotely to a client in Utah only if:
 - (i) the individual is present in the state or territory where the individual is licensed to practice mental health therapy;
 - (ii) the client relocates to Utah;
 - (iii) the client is a client of the individual immediately before the client relocates to Utah;
 - (iv) the individual provides the short term transitional mental health therapy to the client only during the 45 day period beginning on the day on which the client relocates to Utah;
 - (v) within 10 days after the day on which the client relocates to Utah, the individual provides written notice to the division of the individual's intent to provide short term transitional mental health therapy remotely to the client; and
 - (vi) the individual does not engage in unlawful conduct or unprofessional conduct.

Amended by Chapter 415, 2018 General Session

58-61-308 Scope of practice -- Limitations.

- (1)
 - (a) Subject to Subsections (1)(b) through (f), an individual licensed as a psychologist may engage in all acts and practices defined as the practice of psychology without supervision, in private and independent practice, or as an employee of another person, limited only by the licensee's education, training, and competence.
 - (b) Only a certified prescribing psychologist or provisional prescribing psychologist may prescribe, administer, and discontinue selective serotonin reuptake inhibitors, and other medications approved under Subsection (1)(c), recognized in or customarily used in the diagnosis, treatment, and management of individuals with psychiatric, mental, cognitive, nervous, emotional, developmental, or behavioral disorders, including:
 - (i) laboratory tests;
 - (ii) diagnostic examinations; and
 - (iii) procedures that are:
 - (A) necessary to obtain laboratory tests or diagnostic examinations;
 - (B) relevant to the practice of psychology; and
 - (C) in accordance with division rule made in consultation with the board.
 - (c)
 - (i) The division may, by rule made in consultation with the Physicians Licensing Board created in Section 58-67-201, approve medications other than selective serotonin reuptake inhibitors for prescribing by certified prescribing psychologists or provisional prescribing psychologists.
 - (ii) If the division approves a medication under Subsection (1)(c)(i), the division shall notify the Health and Human Services Interim Committee of the approval within 14 days after the day on which the medication is approved.
 - (d)
 - (i) A certified prescribing psychologist may only prescribe psychotropic medication for a patient if the certified prescribing psychologist:

- (A) identifies a health care practitioner currently overseeing the patient's general medical care; and
- (B) establishes and maintains a collaborative relationship with that health care practitioner.
- (ii) When prescribing a psychotropic medication for a patient, a certified prescribing psychologist shall establish and maintain a collaborative relationship with a health care practitioner who oversees the patient's general medical care to ensure that:
 - (A) necessary medical examinations are conducted;
 - (B) the psychotropic medication is appropriate for the patient's medical condition; and
 - (C) significant changes in the patient's medical or psychological conditions are discussed.
- (iii) A health care practitioner under Subsections (1)(c)(i) and (ii) shall be:
 - (A) a physician licensed under Chapter 67, Utah Medical Practice Act, or Chapter 68, Utah Osteopathic Medical Practice Act; or
 - (B) a psychiatric mental health nurse practitioner, as defined in Section 58-1-111.
- (e) A certified prescribing psychologist and provisional prescribing psychologist may not prescribe or administer:
 - (i) narcotics; or
 - (ii) controlled substances.
- (f) The division, in consultation with the board and the Physicians Licensing Board created in Section 58-67-201, may make rules further defining this section's limitations relating to prescribing psychology, allowable medications, and collaborative relationship requirements.
- (2) An individual certified as a psychology resident may engage in all acts and practices defined as the practice of psychology only under conditions of employment as a psychology resident and under the supervision of a licensed psychologist who is an approved psychology training supervisor as defined by division rule. A certified psychology resident shall not engage in the independent practice of psychology.
- (3)
 - (a) An individual licensed as a licensed school psychological practitioner may provide services outside of a school setting if the services are:
 - (i) provided in accordance with the most recent professional standards adopted by the National Association of School Psychologists; and
 - (ii) related to:
 - (A) academic, behavioral, and mental health support;
 - (B) academic evaluation, assessment, and data analysis; or
 - (C) consultation with educators or families.
 - (b) An individual licensed as a licensed school psychological practitioner may not engage in diagnosing, the practice of mental health therapy, psychological evaluation, neuropsychological assessment, or neuropsychological evaluation.

Part 4

License Denial and Discipline

58-61-401 Grounds for action regarding license -- Disciplinary proceedings.

- (1) Subject to Subsection (2), the division's grounds for refusing to issue a license to an applicant, for refusing to renew the license of a licensee, for revoking, suspending, restricting, or placing on probation the license of a licensee, for issuing a public or private reprimand to a licensee, and for issuing a cease and desist order are under Section 58-1-401.
- (2) The division may not refuse, revoke, suspend, or in any way restrict an applicant or licensee's license under this chapter solely because the applicant or licensee seeks or participates in mental health or substance abuse treatment.

Amended by Chapter 404, 2021 General Session

Part 5

Unlawful and Unprofessional Conduct - Penalties

58-61-501 Unlawful conduct.

As used in this chapter, "unlawful conduct" includes:

- (1) practice of psychology unless licensed as a psychologist or certified psychology resident under this chapter or exempted from licensure under this title;
- (2) practice of mental health therapy by a licensed psychologist who has not acceptably documented to the division his completion of the supervised training in psychotherapy required under Subsection 58-61-304(1)(e); or
- (3) representing oneself as or using the title of psychologist, or certified psychology resident unless currently licensed under this chapter.

Amended by Chapter 339, 2020 General Session

58-61-502 Unprofessional conduct.

- (1) As used in this chapter, "unprofessional conduct" includes:
 - (a) using or employing the services of any individual to assist a licensee in any manner not in accordance with the generally recognized practices, standards, or ethics of the profession for which the individual is licensed, or the laws of the state;
 - (b) failure to confine practice conduct to those acts or practices:
 - (i) in which the individual is competent by education, training, and experience within limits of education, training, and experience; and
 - (ii) which are within applicable scope of practice laws of this chapter;
 - (c) disclosing or refusing to disclose any confidential communication under Section 58-61-602;
 - (d) a pattern of failing to provide to patients in a mental health therapy setting:
 - (i) information regarding the license holder, including the name under which the license holder is licensed, the type of license held, the license number, and the license holder's contact information;
 - (ii) if an individual's license requires the license holder to be supervised by another licensed provider, information regarding the supervisor, including the name under which the supervisor is licensed, the type of license held, the license number, and the supervisor's contact information;
 - (iii) information regarding standards of appropriate care and ethical boundaries, including a plain language statement that in a professional relationship with a mental health practitioner, a dual relationship between a client and a provider, or one that is romantic, financially

motivated, sexual, or otherwise risks impacting the provider's judgment or the quality of the services provided, is never appropriate and should be reported to the Division of Professional Licensing;

- (iv) unless the individual is under an order of temporary commitment or involuntary commitment, information regarding the client's rights, including that the client has the right to seek a second opinion, to ask for additional information, and to terminate treatment at any time; or
