Chapter 67
Utah Medical Practice Act

Part 1
General Provisions

58-67-101 Title.
This chapter is known as the "Utah Medical Practice Act."

Enacted by Chapter 248, 1996 General Session

In addition to the definitions in Section 58-1-102, as used in this chapter:
(1) "Ablative procedure" means a procedure that is expected to excise, vaporize, disintegrate, or remove living tissue, including the use of carbon dioxide lasers and erbium: YAG lasers, and excluding hair removal.
(2) "ACGME" means the Accreditation Council for Graduate Medical Education of the American Medical Association.
(3) "Administrative penalty" means a monetary fine or citation imposed by the division for acts or omissions determined to constitute unprofessional or unlawful conduct, in accordance with a fine schedule established by the division in collaboration with the board, as a result of an adjudicative proceeding conducted in accordance with Title 63G, Chapter 4, Administrative Procedures Act.
(4) "Associate physician" means an individual licensed under Section 58-67-302.8.
(5) "Board" means the Physicians Licensing Board created in Section 58-67-201.
(6) "Collaborating physician" means an individual licensed under Section 58-67-302 who enters into a collaborative practice arrangement with an associate physician.
(7) "Collaborative practice arrangement" means the arrangement described in Section 58-67-807.
(8)
(a) "Cosmetic medical device" means tissue altering energy based devices that have the potential for altering living tissue and that are used to perform ablative or nonablative procedures, such as American National Standards Institute (ANSI) designated Class IIIb and Class IV lasers, intense pulsed light, radio frequency devices, and lipolytic devices, and excludes ANSI designated Class IIIa and lower powered devices.
(b) Notwithstanding Subsection (8)(a), if an ANSI designated Class IIIa and lower powered device is being used to perform an ablative procedure, the device is included in the definition of cosmetic medical device under Subsection (8)(a).
(9) "Cosmetic medical procedure":
(a) includes the use of cosmetic medical devices to perform ablative or nonablative procedures; and
(b) does not include a treatment of the ocular globe such as refractive surgery.
(10) "Diagnose" means:
(a) to examine in any manner another person, parts of a person's body, substances, fluids, or materials excreted, taken, or removed from a person's body, or produced by a person's body, to determine the source, nature, kind, or extent of a disease or other physical or mental condition;
(b) to attempt to conduct an examination or determination described under Subsection (10)(a);
(c) to hold oneself out as making or to represent that one is making an examination or determination as described in Subsection (10)(a); or
(d) to make an examination or determination as described in Subsection (10)(a) upon or from information supplied directly or indirectly by another person, whether or not in the presence of the person making or attempting the diagnosis or examination.

(11) "LCME" means the Liaison Committee on Medical Education of the American Medical Association.

(12) "Medical assistant" means an unlicensed individual working under the indirect supervision of a licensed physician and surgeon and engaged in specific tasks assigned by the licensed physician and surgeon in accordance with the standards and ethics of the profession.

(13) "Medically underserved area" means a geographic area in which there is a shortage of primary care health services for residents, as determined by the Department of Health.

(14) "Medically underserved population" means a specified group of people living in a defined geographic area with a shortage of primary care health services, as determined by the Department of Health.

(15)
(a) "Nonablative procedure" means a procedure that is expected or intended to alter living tissue, but is not intended or expected to excise, vaporize, disintegrate, or remove living tissue.
   (i) Notwithstanding Subsection (15)(a)(i), nonablative procedure includes hair removal.
   (b) "Nonablative procedure" does not include:
      (i) a superficial procedure as defined in Section 58-1-102;
      (ii) the application of permanent make-up; or
      (iii) the use of photo therapy and lasers for neuromusculoskeletal treatments that are performed by an individual licensed under this title who is acting within the individual's scope of practice.

(16) "Physician" means both physicians and surgeons licensed under Section 58-67-301, Utah Medical Practice Act, and osteopathic physicians and surgeons licensed under Section 58-68-301, Utah Osteopathic Medical Practice Act.

(17)
(a) "Practice of medicine" means:
   (i) to diagnose, treat, correct, administer anesthesia, or prescribe for any human disease, ailment, injury, infirmity, deformity, pain or other condition, physical or mental, real or imaginary, including to perform cosmetic medical procedures, or to attempt to do so, by any means or instrumentality, and by an individual in Utah or outside the state upon or for any human within the state;
   (ii) when a person not licensed as a physician directs a licensee under this chapter to withhold or alter the health care services that the licensee has ordered;
   (iii) to maintain an office or place of business for the purpose of doing any of the acts described in Subsection (17)(a) whether or not for compensation; or
   (iv) use, in the conduct of any occupation or profession pertaining to the diagnosis or treatment of human diseases or conditions in any printed material, stationery, letterhead, envelopes, signs, or advertisements, the designation "doctor," "doctor of medicine," "physician," "surgeon," "physician and surgeon," "Dr.," "M.D.," or any combination of these designations in any manner which might cause a reasonable person to believe the individual using the designation is a licensed physician and surgeon, and if the party using the designation is not a licensed physician and surgeon, the designation must additionally
contain the description of the branch of the healing arts for which the person has a license, provided that an individual who has received an earned degree of doctor of medicine degree but is not a licensed physician and surgeon in Utah may use the designation "M.D." if it is followed by "Not Licensed" or "Not Licensed in Utah" in the same size and style of lettering.

(b) The practice of medicine does not include:
   (i) except for an ablative medical procedure as provided in Subsection (17)(b)(ii), the conduct described in Subsection (17)(a)(i) that is performed in accordance with a license issued under another chapter of this title;
   (ii) an ablative cosmetic medical procedure if the scope of practice for the person performing the ablative cosmetic medical procedure includes the authority to operate or perform a surgical procedure; or
   (iii) conduct under Subsection 58-67-501(2).

(18) "Prescription device" means an instrument, apparatus, implement, machine, contrivance, implant, in vitro reagent, or other similar or related article, and any component part or accessory, which is required under federal or state law to be prescribed by a practitioner and dispensed by or through a person or entity licensed under this chapter or exempt from licensure under this chapter.

(19) "Prescription drug" means a drug that is required by federal or state law or rule to be dispensed only by prescription or is restricted to administration only by practitioners.

(20) "SPEX" means the Special Purpose Examination of the Federation of State Medical Boards.

(21) "Unlawful conduct" means the same as that term is defined in Sections 58-1-501 and 58-67-501.

(22) "Unprofessional conduct" means the same as that term is defined in Sections 58-1-501 and 58-67-502, and as may be further defined by division rule.

Part 2
Board

58-67-201 Board.

(1) There is created the Physicians Licensing Board consisting of nine physicians and surgeons and two members of the general public.

(2) The board shall be appointed and serve in accordance with Section 58-1-201.

(3)
   (a) The duties and responsibilities of the board shall be in accordance with Sections 58-1-202 and 58-1-203.
   (b) The board may also designate one of its members on a permanent or rotating basis to:
      (i) assist the division in reviewing complaints concerning the unlawful or unprofessional conduct of a licensee; and
      (ii) advise the division in its investigation of these complaints.

(4) A board member who has, under Subsection (3), reviewed a complaint or advised in its investigation may be disqualified from participating with the board when the board serves as a presiding officer in an adjudicative proceeding concerning that complaint.

Part 3
Licensing

58-67-301 Licensure required -- License classifications.
(1) A license is required to engage in the practice of medicine, on or for any person in Utah, as a
general practitioner, except as specifically provided in Section 58-1-307 or 58-67-305.
(2) The division shall issue to a person who qualifies under this chapter a license in the
classification of physician and surgeon.

Enacted by Chapter 248, 1996 General Session

(1) An applicant for licensure as a physician and surgeon, except as set forth in Subsection (2),
shall:
(a) submit an application in a form prescribed by the division, which may include:
(i) submissions by the applicant of information maintained by practitioner data banks, as
designated by division rule, with respect to the applicant;
(ii) a record of professional liability claims made against the applicant and settlements paid by
or on behalf of the applicant; and
(iii) authorization to use a record coordination and verification service approved by the division
in collaboration with the board;
(b) pay a fee determined by the department under Section 63J-1-504;
(c) if the applicant is applying to participate in the Interstate Medical Licensure Compact under
Chapter 67b, Interstate Medical Licensure Compact, consent to a criminal background check
in accordance with Section 58-67-302.1 and any requirements established by rule made in
accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act;
(d) provide satisfactory documentation of having successfully completed a program of
professional education preparing an individual as a physician and surgeon, as evidenced by:
(i) having received an earned degree of doctor of medicine from an LCME accredited medical
school or college; or
(ii) if the applicant graduated from a medical school or college located outside the United States
or its territories, submitting a current certification by the Educational Commission for Foreign
Medical Graduates or any successor organization approved by the division in collaboration
with the board;
(e) satisfy the division and board that the applicant:
(i) has successfully completed 24 months of progressive resident training in a program
approved by the ACGME, the Royal College of Physicians and Surgeons, the College of
Family Physicians of Canada, or any similar body in the United States or Canada approved
by the division in collaboration with the board; or
(ii) (A) has successfully completed 12 months of resident training in an ACGME approved
program after receiving a degree of doctor of medicine as required under Subsection (1)
(d);
(B) has been accepted in and is successfully participating in progressive resident training in an ACGME approved program within Utah, in the applicant’s second or third year of postgraduate training; and

(C) has agreed to surrender to the division the applicant's license as a physician and surgeon without any proceedings under Title 63G, Chapter 4, Administrative Procedures Act, and has agreed the applicant's license as a physician and surgeon will be automatically revoked by the division if the applicant fails to continue in good standing in an ACGME approved progressive resident training program within the state;

(f) pass the licensing examination sequence required by division rule made in collaboration with the board;

(g) be able to read, write, speak, understand, and be understood in the English language and demonstrate proficiency to the satisfaction of the board if requested by the board;

(h) meet with the board and representatives of the division, if requested, for the purpose of evaluating the applicant's qualifications for licensure;

(i) designate:

(i) a contact person for access to medical records in accordance with the federal Health Insurance Portability and Accountability Act; and

(ii) an alternate contact person for access to medical records, in the event the original contact person is unable or unwilling to serve as the contact person for access to medical records; and

(j) establish a method for notifying patients of the identity and location of the contact person and alternate contact person, if the applicant will practice in a location with no other persons licensed under this chapter.

(2) An applicant for licensure as a physician and surgeon by endorsement who is currently licensed to practice medicine in any state other than Utah, a district or territory of the United States, or Canada shall:

(a) be currently licensed with a full unrestricted license in good standing in any state, district, or territory of the United States, or Canada;

(b) have been actively engaged in the legal practice of medicine in any state, district, or territory of the United States, or Canada for not less than 6,000 hours during the five years immediately preceding the date of application for licensure in Utah;

(c) comply with the requirements for licensure under Subsections (1)(a) through (d), (1)(e)(i), and (1)(g) through (j);

(d) have passed the licensing examination sequence required in Subsection (1)(e) or another medical licensing examination sequence in another state, district or territory of the United States, or Canada that the division in collaboration with the board by rulemaking determines is equivalent to its own required examination;

(e) not have any investigation or action pending against any health care license of the applicant, not have a health care license that was suspended or revoked in any state, district or territory of the United States, or Canada, and not have surrendered a health care license in lieu of a disciplinary action, unless:

(i) the license was subsequently reinstated as a full unrestricted license in good standing; or

(ii) the division in collaboration with the board determines to its satisfaction, after full disclosure by the applicant, that:

(A) the conduct has been corrected, monitored, and resolved; or

(B) a mitigating circumstance exists that prevents its resolution, and the division in collaboration with the board is satisfied that, but for the mitigating circumstance, the license would be reinstated;

(f)
(f) submit to a records review, a practice history review, and comprehensive assessments, if requested by the division in collaboration with the board; and

(g) produce satisfactory evidence that the applicant meets the requirements of this Subsection (2) to the satisfaction of the division in collaboration with the board.

(3) An applicant for licensure by endorsement may engage in the practice of medicine under a temporary license while the applicant's application for licensure is being processed by the division, provided:

(a) the applicant submits a complete application required for temporary licensure to the division;

(b) the applicant submits a written document to the division from:

(i) a health care facility licensed under Title 26, Chapter 21, Health Care Facility Licensing and Inspection Act, stating that the applicant is practicing under the:

(A) invitation of the health care facility; and

(B) the general supervision of a physician practicing at the facility; or

(ii) two individuals licensed under this chapter, whose license is in good standing and who practice in the same clinical location, both stating that:

(A) the applicant is practicing under the invitation and general supervision of the individual; and

(B) the applicant will practice at the same clinical location as the individual;

(c) the applicant submits a signed certification to the division that the applicant meets the requirements of Subsection (2);

(d) the applicant does not engage in the practice of medicine until the division has issued a temporary license;

(e) the temporary license is only issued for and may not be extended or renewed beyond the duration of one year from issuance; and

(f) the temporary license expires immediately and prior to the expiration of one year from issuance, upon notification from the division that the applicant's application for licensure by endorsement is denied.

(4) The division shall issue a temporary license under Subsection (3) within 15 business days after the applicant satisfies the requirements of Subsection (3).

(5) The division may not require the following requirements for licensure:

(a) a post-residency board certification; or

(b) a cognitive test when the physician reaches a specified age, unless:

(i) the screening is based on evidence of cognitive changes associated with aging that are relevant to physician performance;

(ii) the screening is based on principles of medical ethics;

(iii) physicians are involved in the development of standards for assessing competency;

(iv) guidelines, procedures, and methods of assessment, which may include cognitive screening, are relevant to physician practice and to the physician's ability to perform the tasks specifically required in the physician's practice environment;

(v) the primary driver for establishing assessment results is the ethical obligation of the profession to the health of the public and patient safety;

(vi) the goal of the assessment is to optimize physician competency and performance through education, remediation, and modifications to a physician's practice environment or scope;

(vii) a credentialing committee determines that public health or patient safety is directly threatened, the screening permits a physician to retain the right to modify the physician's practice environment to allow the physician to continue to provide safe and effective care;

(viii) guidelines, procedures, and methods of assessment are transparent to physicians and physicians' representatives, if requested by a physician or a physician's representative,
and physicians are made aware of the specific methods used, performance expectations
and standards against which performance will be judged, and the possible outcomes of the
screening or assessment;
(ix) education or remediation practices that result from screening or assessment procedures
are:
(A) supportive of physician wellness;
(B) ongoing; and
(C) proactive; and
(x) procedures and screening mechanisms that are distinctly different from for cause
assessments do not result in undue cost or burden to senior physicians providing patient
care.

58-67-302.1 Qualifications for licensure -- Criminal background check.
(1) An applicant for participation in the Interstate Medical Licensure Compact under Chapter 67b,
Interstate Medical Licensure Compact, shall:
(a) submit fingerprint cards in a form acceptable to the division at the time the license application
is filed; and
(b) consent to a fingerprint background check conducted by the Bureau of Criminal Identification
and the Federal Bureau of Investigation.
(2) The division shall:
(a) in addition to other fees authorized by this chapter, collect from each applicant submitting
fingerprint cards in accordance with this section the fee that the Bureau of Criminal Identification is
authorized to collect for the services provided under Section 53-10-108 and the fee charged
by the Federal Bureau of Investigation for fingerprint processing for the purpose of obtaining
federal criminal history record information;
(b) submit from each applicant the fingerprint card and the fees described in Subsection (2)(a) to
the Bureau of Criminal Identification; and
(c) obtain and retain in division records a signed waiver approved by the Bureau of Criminal
Identification in accordance with Section 53-10-108 for each applicant.
(3) The Bureau of Criminal Identification shall, in accordance with the requirements of Section
53-10-108:
(a) check the fingerprints submitted under Subsection (2)(b) against the applicable state and
regional criminal records databases;
(b) forward the fingerprints to the Federal Bureau of Investigation for a national criminal history
background check; and
(c) provide the results from the state, regional, and nationwide criminal history background
checks to the division.
(4) For purposes of conducting a criminal background check required under this section, the
division shall have direct access to criminal background information maintained under Title 53,
Chapter 10, Part 2, Bureau of Criminal Identification.
(5) The division may not disseminate outside of the division any criminal history record information
that the division obtains from the Bureau of Criminal Identification or the Federal Bureau of
Investigation under the criminal background check requirements of this section.
(6) The division may not issue a letter of qualification to participate in the Interstate Medical
Licensure Compact until the criminal background check described in this section is completed.
58-67-302.5 Licensing of graduates of foreign medical schools.

(1) Notwithstanding any other provision of law to the contrary, an individual enrolled in a medical school outside the United States, its territories, the District of Columbia, or Canada is eligible for licensure as a physician and surgeon in this state if the individual has satisfied the following requirements:

(a) meets all the requirements of Subsection 58-67-302(1), except for Subsection 58-67-302(1)(d);
(b) has studied medicine in a medical school located outside the United States which is recognized by an organization approved by the division;
(c) has completed all of the formal requirements of the foreign medical school except internship or social service;
(d) has attained a passing score on the educational commission for foreign medical graduates examination or other qualifying examinations such as the United States Medical Licensing Exam parts I and II, which are approved by the division or a medical school approved by the division;
(e) has satisfactorily completed one calendar year of supervised clinical training under the direction of a United States medical education setting accredited by the liaison committee for graduate medical education and approved by the division;
(f) has completed the postgraduate hospital training required by Subsection 58-67-302(1)(e)(i); and
(g) has passed the examination required by the division of all applicants for licensure.

(2) Satisfaction of the requirements of Subsection (1) is in lieu of:

(a) the completion of any foreign internship or social service requirements; and
(b) the certification required by Subsection 58-67-302(1)(d).

(3) Individuals who satisfy the requirements of Subsections (1)(a) through (g) shall be eligible for admission to graduate medical education programs within the state, including internships and residencies, which are accredited by the liaison committee for graduate medical education.

(4) A document issued by a medical school located outside the United States shall be considered the equivalent of a degree of doctor of medicine for the purpose of licensure as a physician and surgeon in this state if:

(a) the foreign medical school is recognized by an organization approved by the division;
(b) the document granted by the foreign medical school is issued after the completion of all formal requirements of the medical school except internship or social service; and
(c) the foreign medical school certifies that the person to whom the document was issued has satisfactorily completed the requirements of Subsection (1)(c).

(5) The division may not require as a requirement for licensure a cognitive test when the physician reaches a specified age, unless the test reflects the standards described in Subsections 58-67-302(5)(b)(i) through (x).

(6) The provisions for licensure under this section shall be known as the "fifth pathway program."

(1) As used in this section:

(a) "Foreign country" means a country other than the United States, its territories, or Canada.
(b) "Foreign medical school" means a medical school that is outside the United States, its territories, and Canada.

(2) Notwithstanding any provision of law to the contrary, an individual may receive a type I foreign teaching license if the individual:

(a) submits an application in a form prescribed by the division, which may include:
   (i) submission by the applicant of information maintained in a practitioner data bank, as designated by division rule, with respect to the applicant;
   (ii) a record of professional liability claims made against the applicant and settlements paid by or on behalf of the applicant; and
   (iii) the applicant's curriculum vitae;

(b) is a graduate of a foreign medical school that is accepted for certification by the Educational Commission for Foreign Medical Graduates;

(c) is licensed in good standing in a foreign country, the United States, its territories, or Canada;

(d) does not have an investigation or action pending against the physician's healthcare license, does not have a healthcare license that was suspended or revoked, and has not surrendered a healthcare license in lieu of disciplinary action, unless:
   (i) the license was subsequently reinstated in good standing; or
   (ii) the division in collaboration with the board determines to its satisfaction, after full disclosure by the applicant and full consideration by the division in collaboration with the board, that:
      (A) the conduct has been corrected, monitored, and resolved; or
      (B) a mitigating circumstance exists that prevents resolution, and the division in collaboration with the board is satisfied that but for the mitigating circumstance, the license would be reinstated;

(e) submits documentation of legal status to work in the United States;

(f) meets at least three of the following qualifications:
   (i) published original results of clinical research, within 10 years before the day on which the application is submitted, in a medical journal listed in the Index Medicus or an equivalent scholarly publication; and
   (B) submits the publication to the Board in English or in a foreign language with a verifiable, certified English translation;
   (ii) held an appointment at a medical school approved by the LCME or at any medical school listed in the World Health Organization directory at the level of associate or full professor, or its equivalent, for at least five years;
   (iii) developed a treatment modality, surgical technique, or other verified original contribution to the field of medicine within 10 years before the day on which the application is submitted; and
   (B) has the treatment modality, surgical technique, or other verified original contribution attested to by the dean of an LCME accredited school of medicine in Utah;
   (iv) actively practiced medicine cumulatively for 10 years; or
   (v) is board certified in good standing of a board of the American Board of Medical Specialities or equivalent specialty board;

(g) is able to read, write, speak, understand, and be understood in the English language and demonstrates proficiency to the satisfaction of the division in collaboration with the board, if requested;

(h) is invited by an LCME accredited medical school in Utah to serve as a full-time member of the medical school's academic faculty, as evidenced by written certification from:
(i) the dean of the medical school, stating that the applicant has been appointed to a full-
time faculty position, that because the applicant has unique expertise in a specific field of
medicine the medical school considers the applicant to be a valuable member of the faculty,
and that the applicant is qualified by knowledge, skill, and ability to practice medicine in the
state; and

(ii) the head of the department to which the applicant is to be appointed, stating that the
applicant will be under the direction of the head of the department and will be permitted
to practice medicine only as a necessary part of the applicant’s duties, providing detailed
evidence of the applicant’s qualifications and competence, including the nature and location
of the applicant’s proposed responsibilities, reasons for any limitations of the applicant’s
practice responsibilities, and the degree of supervision, if any, under which the applicant will
function;

(i) pays a licensing fee set by the division under Section 63J-1-504; and

(j) has practiced medicine for at least 10 years as an attending physician.

(3) Notwithstanding any provision of law to the contrary, an individual may receive a type II foreign
teaching license if the individual:

(a) satisfies the requirements of Subsections (2)(a) through (e) and (g) through (i);

(b) has delivered clinical care to patients cumulatively for five years after graduation from medical
school; and

(c)

(i) will be completing a clinical fellowship while employed at the medical school described in
Subsection (2)(h); or

(ii) has already completed a medical residency accredited by the Royal College of Physicians
and Surgeons of Canada, the United Kingdom, Australia, or New Zealand, or a comparable
accreditation organization as determined by the division in collaboration with the board.

(4) After an initial term of one year, a type I license may be renewed for periods of two years if the
licensee continues to satisfy the requirements described in Subsection (2) and completes the
division’s continuing education renewal requirements established under Section 58-67-303.

(5) A type II license may be renewed on an annual basis, up to four times, if the licensee continues
to satisfy the requirements described in Subsection (3) and completes the division’s continuing
education renewal requirements established under Section 58-67-303.

(6) A license issued under this section:

(a) authorizes the licensee to practice medicine:

(i) within the scope of the licensee’s employment at the medical school described in Subsection
(2)(h) and the licensee’s academic position; and

(ii) at a hospital or clinic affiliated with the medical school described in Subsection (2)(h) for the
purpose of teaching, clinical care, or pursuing research;

(b) shall list the limitations described in Subsection (6)(a); and

(c) shall expire on the earlier of:

(i) one year after the day on which the type I or type II license is initially issued, unless the
license is renewed;

(ii) for a type I license, two years after the day on which the license is renewed;

(iii) for a type II license, one year after the day on which the license is renewed; or

(iv) the day on which employment at the medical school described in Subsection (2)(h) ends.

(7) A person who holds a type I license for five consecutive years may apply for licensure as
a physician and surgeon in this state and shall be licensed if the individual satisfies the
requirements described in Subsection (8). If the person fails to obtain licensure as a physician
and surgeon in this state, the person may apply for a renewal of the type I license under Subsection (2).

(8) An individual who holds a type I or type II license for five consecutive years is eligible for licensure as a physician and surgeon in this state if the individual:
   (a) worked an average of at least 40 hours per month at the level of an attending physician during the time the individual held the type I or type II license;
   (b) holds the rank of associate professor or higher at the medical school described in Subsection (2)(h);
   (c) obtains certification from the Educational Commission for Foreign Medical Graduates or any successor organization approved by the division in collaboration with the board;
   (d) spent a cumulative 20 hours per year while holding a type I or type II license:
      (i) teaching or lecturing to medical students or house staff;
      (ii) participating in educational department meetings or conferences that are not certified to meet the continuing medical education license renewal requirement; or
      (iii) attending continuing medical education classes in addition to the requirements for continuing education described in Subsections (4) and (5);
   (e) obtains a passing score on the final step of the licensing examination sequence required by division rule made in collaboration with the board; and
   (f) satisfies the requirements described in Subsections 58-67-302(1)(a) through (c), (h), and (i).

(9) If a person who holds a type II license fails to obtain licensure as a physician and surgeon in this state after applying under the procedures described in Subsection (8), the person may not:
   (a) reapply for or renew a type II license; or
   (b) apply for a type I license.

(10) The division or the board may require an applicant for licensure under this section to meet with the board and representatives of the division for the purpose of evaluating the applicant’s qualifications for licensure.

(11) The division in collaboration with the board may withdraw a license under this section at any time for material misrepresentation or unlawful or unprofessional conduct.

Amended by Chapter 339, 2020 General Session

58-67-302.8 Restricted licensing of an associate physician.

(1) An individual may apply for a restricted license as an associate physician if the individual:
   (a) meets the requirements described in Subsections 58-67-302(1)(a) through (c), (1)(d)(i), and (1)(g) through (j);
   (b) successfully completes Step 1 and Step 2 of the United States Medical Licensing Examination or the equivalent steps of another board-approved medical licensing examination:
      (i) within three years after the day on which the applicant graduates from a program described in Subsection 58-67-302 (1)(d)(i); and
      (ii) within two years before applying for a restricted license as an associate physician; and
   (c) is not currently enrolled in and has not completed a residency program.

(2) Before a licensed associate physician may engage in the practice of medicine as described in Subsection (3), the licensed associate physician shall:
   (a) enter into a collaborative practice arrangement described in Section 58-67-807 within six months after the associate physician’s initial licensure; and
   (b) receive division approval of the collaborative practice arrangement.

(3) An associate physician’s scope of practice is limited to primary care services.

(1) Except as provided in Section 58-67-302.7, the division shall issue each license under this chapter in accordance with a two-year renewal cycle established by division rule.

(b) The division may by rule extend or shorten a renewal period by as much as one year to stagger the renewal cycles the division administers.

(2) At the time of renewal, the licensee shall:

(a) view a suicide prevention video described in Section 58-1-601 and submit proof in the form required by the division;

(b) show compliance with continuing education renewal requirements; and

(c) show compliance with the requirement for designation of a contact person and alternate contact person for access to medical records and notice to patients as required by Subsections 58-67-304(1)(b) and (c).

(3) Each license issued under this chapter expires on the expiration date shown on the license unless renewed in accordance with Section 58-1-308.

(4) An individual may not be licensed as an associate physician for more than a total of six years.

58-67-304 License renewal requirements.

(1) As a condition precedent for license renewal, each licensee shall, during each two-year licensure cycle or other cycle defined by division rule:

(a) complete qualified continuing professional education requirements in accordance with the number of hours and standards defined by division rule made in collaboration with the board;

(b) appoint a contact person for access to medical records and an alternate contact person for access to medical records in accordance with Subsection 58-67-302(1)(i);

(c) if the licensee practices medicine in a location with no other persons licensed under this chapter, provide some method of notice to the licensee's patients of the identity and location of the contact person and alternate contact person for the licensee; and

(d) if the licensee is an associate physician licensed under Section 58-67-302.8, successfully complete the educational methods and programs described in Subsection 58-67-807(4).

(2) If a renewal period is extended or shortened under Section 58-67-303, the continuing education hours required for license renewal under this section are increased or decreased proportionally.

(3) An application to renew a license under this chapter shall:

(a) require a physician to answer the following question: "Do you perform elective abortions in Utah in a location other than a hospital?"; and

(b) immediately following the question, contain the following statement: "For purposes of the immediately preceding question, elective abortion means an abortion other than one of the following: removal of a dead fetus, removal of an ectopic pregnancy, an abortion that is necessary to avert the death of a woman, an abortion that is necessary to avert a serious risk of substantial and irreversible impairment of a major bodily function of a woman, an abortion of a fetus that has a defect that is uniformly diagnosable and uniformly lethal, or an abortion where the woman is pregnant as a result of rape or incest."
(4) In order to assist the Department of Health in fulfilling its responsibilities relating to the licensing of an abortion clinic and the enforcement of Title 76, Chapter 7, Part 3, Abortion, if a physician responds positively to the question described in Subsection (3)(a), the division shall, within 30 days after the day on which it renews the physician’s license under this chapter, inform the Department of Health in writing:
   (a) of the name and business address of the physician; and
   (b) that the physician responded positively to the question described in Subsection (3)(a).

(5) The division shall accept and apply toward the hour requirement in Subsection (1)(a) any continuing education that a physician completes in accordance with Sections 26-61a-106 and 26-61a-403.

License Denial and Discipline

Grounds for division action are set forth in Sections 58-1-401 and 58-67-503.

Amended by Chapter 214, 2011 General Session

58-67-402 Authority to assess penalty.
The division in collaboration with the board may assess penalties as described in Section
58-67-503.

Repealed and Re-enacted by Chapter 214, 2011 General Session

58-67-403 Revocation of license -- Nondisciplinary.
Revocation by the division of a license under Subsection 58-67-302(1)(e) for failure to continue
on a resident training program for reasons other than unprofessional or unlawful conduct is a
nondisciplinary action and may not be reported by the division as a disciplinary action against the
licensee.
58-67-501 Unlawful conduct.
(1) "Unlawful conduct" includes, in addition to the definition in Section 58-1-501:
   (a) buying, selling, or fraudulently obtaining, any medical diploma, license, certificate, or
       registration;
   (b) aiding or abetting the buying, selling, or fraudulently obtaining of any medical diploma,
       license, certificate, or registration;
   (c) substantially interfering with a licensee's lawful and competent practice of medicine in
       accordance with this chapter by:
       (i) any person or entity that manages, owns, operates, or conducts a business having a direct
           or indirect financial interest in the licensee's professional practice; or
       (ii) anyone other than another physician licensed under this title, who is engaged in direct
           clinical care or consultation with the licensee in accordance with the standards and ethics of
           the profession of medicine; or
   (d) entering into a contract that limits a licensee's ability to advise the licensee's patients fully
       about treatment options or other issues that affect the health care of the licensee's patients.
(2) "Unlawful conduct" does not include:
   (a) establishing, administering, or enforcing the provisions of a policy of accident and health
       insurance by an insurer doing business in this state in accordance with Title 31A, Insurance
       Code;
   (b) adopting, implementing, or enforcing utilization management standards related to payment for
       a licensee's services, provided that:
       (i) utilization management standards adopted, implemented, and enforced by the payer have
           been approved by a physician or by a committee that contains one or more physicians; and
       (ii) the utilization management standards does not preclude a licensee from exercising
           independent professional judgment on behalf of the licensee's patients in a manner that is
           independent of payment considerations;
   (c) developing and implementing clinical practice standards that are intended to reduce morbidity
       and mortality or developing and implementing other medical or surgical practice standards
       related to the standardization of effective health care practices, provided that:
       (i) the practice standards and recommendations have been approved by a physician or by a
           committee that contains one or more physicians; and
       (ii) the practice standards do not preclude a licensee from exercising independent professional
           judgment on behalf of the licensee's patients in a manner that is independent of payment
           considerations;
   (d) requesting or recommending that a patient obtain a second opinion from a licensee;
   (e) conducting peer review, quality evaluation, quality improvement, risk management, or similar
       activities designed to identify and address practice deficiencies with health care providers,
       health care facilities, or the delivery of health care;
   (f) providing employment supervision or adopting employment requirements that do not interfere
       with the licensee's ability to exercise independent professional judgment on behalf of the
licensee's patients, provided that employment requirements that may not be considered to interfere with an employed licensee's exercise of independent professional judgment include:

(i) an employment requirement that restricts the licensee's access to patients with whom the licensee's employer does not have a contractual relationship, either directly or through contracts with one or more third-party payers; or

(ii) providing compensation incentives that are not related to the treatment of any particular patient;

(g) providing benefit coverage information, giving advice, or expressing opinions to a patient or to a family member of a patient to assist the patient or family member in making a decision about health care that has been recommended by a licensee;

(h) in compliance with Section 58-85-103:

(i) obtaining an investigational drug or investigational device;

(ii) administering the investigational drug to an eligible patient; or

(iii) treating an eligible patient with the investigational drug or investigational device; or

(i) any otherwise lawful conduct that does not substantially interfere with the licensee's ability to exercise independent professional judgment on behalf of the licensee's patients and that does not constitute the practice of medicine as defined in this chapter.

Amended by Chapter 110, 2015 General Session

58-67-502 Unprofessional conduct.

(1) "Unprofessional conduct" includes, in addition to the definition in Section 58-1-501:

(a) using or employing the services of any individual to assist a licensee in any manner not in accordance with the generally recognized practices, standards, or ethics of the profession, state law, or division rule;

(b) making a material misrepresentation regarding the qualifications for licensure under Section 58-67-302.7 or Section 58-67-302.8;

(c) violating the dispensing requirements of Chapter 17b, Part 8, Dispensing Medical Practitioner and Dispensing Medical Practitioner Clinic Pharmacy, if applicable;

(d) violating the requirements of Title 26, Chapter 61a, Utah Medical Cannabis Act; or

(e) falsely making an entry in, or altering, a medical record with the intent to conceal:

(i) a wrongful or negligent act or omission of an individual licensed under this chapter or an individual under the direction or control of an individual licensed under this chapter; or

(ii) conduct described in Subsections (1)(a) through (d) or Subsection 58-1-501(1).

(2) "Unprofessional conduct" does not include:

(a) in compliance with Section 58-85-103:

(i) obtaining an investigational drug or investigational device;

(ii) administering the investigational drug to an eligible patient; or

(iii) treating an eligible patient with the investigational drug or investigational device; or

(b) in accordance with Title 26, Chapter 61a, Utah Medical Cannabis Act:

(i) when registered as a qualified medical provider, as that term is defined in Section 26-61a-102, recommending the use of medical cannabis;

(ii) when registered as a pharmacy medical provider, as that term is defined in Section 26-61a-102, providing pharmacy medical provider services in a medical cannabis pharmacy; or

(iii) when registered as a state central patient portal medical provider, as that term is defined in Section 26-61a-102, providing state central patient portal medical provider services.
(3) Notwithstanding Subsection (2)(b), the division, in consultation with the board and in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, shall define unprofessional conduct for a physician described in Subsection (2)(b).

Amended by Chapter 25, 2020 General Session

58-67-502.5 Anesthesia and sedation -- Unprofessional conduct.
In addition to unprofessional conduct as defined in Section 58-67-502, it is unprofessional conduct for an individual licensed under this chapter to administer sedation or anesthesia intravenously to a patient in an outpatient setting that is not an emergency department without:
(1) first obtaining consent from the patient in writing, which shall include:
   (a) the type of sedation or anesthesia being administered;
   (b) the identity and type of license or permit under this title of the person who is performing the procedure for which the sedation or anesthesia will be administered;
   (c) the identity and type of license or permit under this title of the person who will be administering the sedation or anesthesia; and
   (d) monitoring that will occur during the sedation or anesthesia, including monitoring of the patient's oxygenation, ventilation, and circulation;
(2) reporting any adverse event under Section 26-1-40; and
(3) having access during the procedure to an advanced cardiac life support crash cart with equipment that is regularly maintained according to guidelines established by the American Heart Association.

58-67-503 Penalties and administrative actions for unlawful and unprofessional conduct.
(1) Any person who violates the unlawful conduct provisions of Section 58-67-501 or Section 58-1-501 is guilty of a third degree felony.
(2) (a) Subject to Subsection (4), the division may punish unprofessional or unlawful conduct by:
   (i) assessing administrative penalties; or
   (ii) taking other appropriate administrative action.
   (b) A monetary administrative penalty imposed under this section shall be deposited in the Physician Education Fund created in Section 58-67a-1.
(3) If a licensee has been convicted of unlawful conduct, described in Section 58-67-501, before an administrative proceeding regarding the same conduct, the division may not assess an additional administrative fine under this chapter for the same conduct.
(4) (a) If the division concludes that an individual has violated provisions of Section 58-67-501, Section 58-67-502, Chapter 1, Division of Occupational and Professional Licensing Act, Chapter 37, Utah Controlled Substances Act, or any rule or order issued with respect to these provisions, and disciplinary action is appropriate, the director or director's designee shall:
   (i) issue a citation to the individual;
   (ii) attempt to negotiate a stipulated settlement; or
   (iii) notify the individual that an adjudicative proceeding conducted under Title 63G, Chapter 4, Administrative Procedures Act, will be commenced and the individual is invited to appear.
(b) The division may take the following action against an individual who is in violation of a provision described in Subsection (4)(a), as evidenced by an uncontested citation, a stipulated settlement, or a finding of violation in an adjudicative proceeding:

(i) assess a fine of up to $10,000 per single violation or up to $2,000 per day of ongoing violation, whichever is greater, in accordance with a fine schedule established by rule; or

(ii) order to cease and desist from the behavior that constitutes a violation of the provisions described in Subsection (4)(a).

(c) An individual's license may not be suspended or revoked through a citation.

(d) Each citation issued under this section shall:

(i) be in writing;

(ii) clearly describe or explain:

(A) the nature of the violation, including a reference to the provision of the chapter, rule, or order alleged to have been violated;

(B) that the recipient must notify the division in writing within 20 calendar days from the day on which the citation is served if the recipient wishes to contest the citation at a hearing conducted under Title 63G, Chapter 4, Administrative Procedures Act; and

(C) the consequences of failure to timely contest the citation or pay the fine assessed by the citation within the time specified in the citation; and

(iii) be served in accordance with the Utah Rules of Civil Procedure.

(e) If the individual to whom the citation is issued fails to request a hearing to contest the citation within 20 calendar days from the day on which the citation is served, the citation becomes the final order of the division and is not subject to further agency review. The period to contest the citation may be extended by the division for cause.

(f) The division may refuse to issue or renew or suspend, revoke, or place on probation the license of an individual who fails to comply with a citation after the citation becomes final.

(g) The failure of an applicant for licensure to comply with a citation after it becomes final is a ground for denial of license.

(h) No citation may be issued under this section after the expiration of one year following the date on which the violation that is the subject of the citation is reported to the division.

(5)

(a) The director may collect a penalty imposed under this section that is not paid by:

(i) referring the matter to a collection agency; or

(ii) bringing an action in the district court of the county where the person against whom the penalty is imposed resides or in the county where the office of the director is located.

(b) A county attorney or the attorney general of the state shall provide legal assistance and advice to the director in an action to collect a penalty.

(c) A court shall award reasonable attorney fees and costs to the prevailing party in an action brought by the division to collect a penalty.

Amended by Chapter 339, 2020 General Session

Part 6

Impaired Physician

58-67-601 Mentally incompetent or incapacitated physician.

(1) As used in this section:
(a) "Incapacitated person" means a person who is incapacitated, as defined in Section 75-1-201.
(b) "Mental illness" means the same as that term is defined in Section 62A-15-602.
(c) "Physician" means an individual licensed under this chapter.

(2) If a court of competent jurisdiction determines a physician is an incapacitated person or that the physician has a mental illness and is unable to safely engage in the practice of medicine, the director shall immediately suspend the license of the physician upon the entry of the judgment of the court, without further proceedings under Title 63G, Chapter 4, Administrative Procedures Act, regardless of whether an appeal from the court's ruling is pending. The director shall promptly notify the physician, in writing, of the suspension.

(3)
(a) If the division and a majority of the board find reasonable cause to believe a physician, who is not determined judicially to be an incapacitated person or to have a mental illness, is incapable of practicing medicine with reasonable skill regarding the safety of patients, because of illness, excessive use of drugs or alcohol, or as a result of any mental or physical condition, the board shall recommend that the director file a petition with the division, and cause the petition to be served upon the physician with a notice of hearing on the sole issue of the capacity of the physician to competently and safely engage in the practice of medicine.
(b) The hearing shall be conducted under Section 58-1-109, and Title 63G, Chapter 4, Administrative Procedures Act, except as provided in Subsection (4).

(4)
(a) Every physician who accepts the privilege of being licensed under this chapter gives consent to:
   (i) submitting at the physician's own expense to an immediate mental or physical examination when directed in writing by the division and a majority of the board to do so; and
   (ii) the admissibility of the reports of the examining physician's testimony or examination, and waives all objections on the ground the reports constitute a privileged communication.
(b) The examination may be ordered by the division, with the consent of a majority of the board, only upon a finding of reasonable cause to believe:
   (i) the physician has a mental illness, is incapacitated, or otherwise unable to practice medicine with reasonable skill and safety; and
   (ii) immediate action by the division and the board is necessary to prevent harm to the physician's patients or the general public.
(c)
   (i) Failure of a physician to submit to the examination ordered under this section is a ground for the division's immediate suspension of the physician's license by written order of the director.
   (ii) The division may enter the order of suspension without further compliance with Title 63G, Chapter 4, Administrative Procedures Act, unless the division finds the failure to submit to the examination ordered under this section was due to circumstances beyond the control of the physician and was not related directly to the illness or incapacity of the physician.

(5)
(a) A physician whose license is suspended under Subsection (2) or (3) has the right to a hearing to appeal the suspension within 10 days after the license is suspended.
(b) The hearing held under this subsection shall be conducted in accordance with Sections 58-1-108 and 58-1-109 for the sole purpose of determining if sufficient basis exists for the continuance of the order of suspension in order to prevent harm to the physician's patients or the general public.
(6) A physician whose license is revoked, suspended, or in any way restricted under this section may request the division and the board to consider, at reasonable intervals, evidence presented by the physician, under procedures established by division rule, regarding any change in the physician's condition, to determine whether:
(a) the physician is or is not able to safely and competently engage in the practice of medicine; and
(b) the physician is qualified to have the physician's license to practice under this chapter restored completely or in part.

58-67-702 Opiate antagonist -- Exclusion from unlawful or unprofessional conduct.
(1) As used in this section:
(a) "Dispense" means the same as that term is defined in Section 58-17b-102.
(b) "Increased risk" means the same as that term is defined in Section 26-55-102.
(c) "Opiate antagonist" means the same as that term is defined in Section 26-55-102.
(d) "Opiate-related drug overdose event" means the same as that term is defined in Section 26-55-102.
(e) "Prescribe" means the same as that term is defined in Section 58-17b-102.
(2) The prescribing or dispensing of an opiate antagonist by a licensee under this chapter is not unprofessional or unlawful conduct if the licensee prescribed or dispensed the opiate antagonist:
(a) in a good faith effort to assist:
(i) an individual who is at increased risk of experiencing an opiate-related drug overdose event; or
(ii) a family member of, friend of, or other person, including a person described in Subsections 26-55-107(1)(a)(i)(A) through (1)(a)(i)(F), that is in a position to assist an individual who is at increased risk of experiencing an opiate-related drug overdose event; or
(b) to an overdose outreach provider pursuant to Subsection 26-55-104(2)(a)(iii).
(3) The provisions of this section and Title 26, Chapter 55, Opiate Overdose Response Act, do not establish a duty or standard of care in the prescribing, dispensing, or administration of an opiate antagonist.

(v) list all other offices or locations besides those listed in Subsection (1)(b)(iv) where the collaborating physician authorizes the associate physician to prescribe;

(vi) require at every office where the associate physician is authorized to prescribe in collaboration with a physician a prominently displayed disclosure statement informing patients that patients may be seen by an associate physician and have the right to see the collaborating physician;

(vii) specify all specialty or board certifications of the collaborating physician and all certifications of the associate physician;

(viii) specify the manner of collaboration between the collaborating physician and the associate physician, including how the collaborating physician and the associate physician shall:

(A) engage in collaborative practice consistent with each professional's skill, training, education, and competence;

(B) maintain geographic proximity, except as provided in Subsection (1)(d); and

(C) provide oversight of the associate physician during the absence, incapacity, infirmity, or emergency of the collaborating physician;

(ix) describe the associate physician's controlled substance prescriptive authority in collaboration with the collaborating physician, including:

(A) a list of the controlled substances the collaborating physician authorizes the associate physician to prescribe; and

(B) documentation that the authorization to prescribe the controlled substances is consistent with the education, knowledge, skill, and competence of the associate physician and the collaborating physician;

(x) list all other written practice arrangements of the collaborating physician and the associate physician;

(xi) specify the duration of the written practice arrangement between the collaborating physician and the associate physician; and

(xii) describe the time and manner of the collaborating physician's review of the associate physician's delivery of health care services, including provisions that the collaborating physician, or another physician designated in the collaborative practice arrangement, shall review every 14 days:

(A) a minimum of 10% of the charts documenting the associate physician's delivery of health care services; and
(B) a minimum of 20% of the charts in which the associate physician prescribes a controlled substance, which may be counted in the number of charts to be reviewed under Subsection (1)(b)(xii)(A).
(c) An associate physician and the collaborating physician may modify a collaborative practice arrangement, but the changes to the collaborative practice arrangement are not binding unless:
   (i) the associate physician notifies the division within 10 days after the day on which the changes are made; and
   (ii) the division approves the changes.
(d) If the collaborative practice arrangement provides for an associate physician to practice in a medically underserved area:
   (i) the collaborating physician shall document the completion of at least a two-month period of time during which the associate physician shall practice with the collaborating physician continuously present before practicing in a setting where the collaborating physician is not continuously present; and
   (ii) the collaborating physician shall document the completion of at least 120 hours in a four-month period by the associate physician during which the associate physician shall practice with the collaborating physician on-site before prescribing a controlled substance when the collaborating physician is not on-site.

(2) An associate physician:
   (a) shall clearly identify himself or herself as an associate physician;
   (b) is permitted to use the title "doctor" or "Dr."; and
   (c) if authorized under a collaborative practice arrangement to prescribe Schedule III through V controlled substances, shall register with the United States Drug Enforcement Administration as part of the drug enforcement administration's mid-level practitioner registry.

(3)
   (a) A physician or surgeon licensed and in good standing under Section 58-67-302 may enter into a collaborative practice arrangement with an associate physician licensed under Section 58-67-302.8.
   (b) A physician or surgeon may not enter into a collaborative practice arrangement with more than three full-time equivalent associate physicians.
   (c)
      (i) No contract or other agreement shall:
         (A) require a physician to act as a collaborating physician for an associate physician against the physician's will;
         (B) deny a collaborating physician the right to refuse to act as a collaborating physician, without penalty, for a particular associate physician; or
         (C) limit the collaborating physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any associate physician.
      (ii) Subsection (3)(c)(i)(C) does not authorize a physician, in implementing protocols, standing orders, or delegation, to violate a hospital's established applicable standards for safe medical practice.
   (d) A collaborating physician is responsible at all times for the oversight of the activities of, and accepts responsibility for, the primary care services rendered by the associate physician.

(4) The division shall makes rules, in consultation with the board, the deans of medical schools in the state, and primary care residency program directors in the state, and in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, establishing educational methods and programs that:
(a) an associate physician shall complete throughout the duration of the collaborative practice arrangement;
(b) shall facilitate the advancement of the associate physician's medical knowledge and capabilities; and
(c) may lead to credit toward a future residency program.
