  - (a) is not less than five contiguous acres in area, except that land may be assessed on the basis of the value that the land has for agricultural use:
    - (i) if:
      - (A) the land is devoted to agricultural use in conjunction with other eligible acreage; and
      - (B) the land and the other eligible acreage described in Subsection (1)(a)(i)(A) have identical legal ownership; or

  - (b) except as provided in Subsection (5) or (6):
    - (i) is actively devoted to agricultural use; and
    - (ii) has been actively devoted to agricultural use for at least two successive years immediately preceding the tax year for which the land is being assessed under this part.
- (2) In determining whether land is actively devoted to agricultural use, production per acre for a given county or area and a given type of land shall be determined by using the first applicable of the following:
  - (a) production levels reported in the current publication of the Utah Agricultural Statistics;
  - (b) current crop budgets developed and published by Utah State University; and
  - (c) other acceptable standards of agricultural production designated by the commission by rule adopted in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act.
- (3) Land may be assessed on the basis of the land's agricultural value if the land:
  - (a) is subject to the privilege tax imposed by Section 59-4-101;
  - (b) is owned by the state or any of the state's political subdivisions; and
  - (c) meets the requirements of Subsection (1).

- (4) Notwithstanding Subsection (1)(a), the commission or a county board of equalization may grant a waiver of the acreage limitation for land upon:
  - (a) appeal by the owner; and
  - (b) submission of proof that:
    - (i) 80% or more of the owner's, purchaser's, or lessee's income is derived from agricultural products produced on the property in question; or

        - (I) eminent domain; or
        - (II) the threat or imminence of an eminent domain proceeding;
      - (B) the land is actively devoted to agricultural use; and

      - (A) the land was assessed on the basis of agricultural use for at least two years immediately preceding that tax year; and

- (6) Land that otherwise qualifies for assessment under this part qualifies for assessment under this part in the first year the land resumes being actively devoted to agricultural use if:
  - (a) the land becomes ineligible for assessment under this part only as a result of a split estate mineral rights owner exercising the right to extract a mineral; and

  - (b) The county assessor may grant the petition for reinstatement described in Subsection (2)(a) if the land is actively devoted to agricultural use.
