

**61-2c-106 Addresses provided the division.**

- (1)
  - (a) A person shall provide a physical location or street address when the person provides the nationwide database an address required by the division.
  - (b) The following when provided to and maintained within the division under this chapter is public information:
    - (i) a business address; or
    - (ii) a mailing address other than a home address, unless the person provides no other address.
- (2) A licensee is considered to have received a notification that is mailed to the last mailing address furnished to the nationwide database by:
  - (a) the individual, if the licensee is an individual; or
  - (b) the lending manager who is designated within the nationwide database to act as the principal lending manager for the entity, if the licensee is an entity.
