

Effective 5/10/2016

63D-3-103 Permission to access a protected computer -- Revocation.

- (1) Subject to Subsections (2) and (3), an individual has permission to access a protected computer if:
 - (a) the individual is a director, officer, employee, agent, or contractor of the protected computer's owner; and
 - (b) the protected computer's owner gave the individual express permission to access the protected computer through a technological access barrier.
- (2) If a protected computer's owner gives an individual permission to access the protected computer, the permission is valid only to the extent or for the specific purpose the protected computer's owner authorizes.
- (3) An individual's permission to access a protected computer is revoked if:
 - (a) the protected computer's owner expressly revokes the individual's permission to access the protected computer; or
 - (b) the individual ceases to be a director, officer, employee, agent, or contractor of the protected computer's owner.
