

**Effective 5/10/2016**

**63F-3-103 Single sign-on database -- Creation.**

- (1) The department shall, in consultation with the entities described in Subsection (4), design and create a prototype of a single database, and associated data entry screens, that stores business data agreed upon by the entities described in Subsection (4) that is:
  - (a) secure;
  - (b) centralized; and
  - (c) interconnected.
- (2) The department shall create a web portal that allows a person doing business in the state to access, at a single point of entry, all relevant state-collected business data about the person, including information related to:
  - (a) business registration;
  - (b) workers' compensation;
  - (c) tax liability and payment; and
  - (d) other information collected by the state that the department determines is relevant to a person doing business in the state.
- (3) The department shall develop the business database and the single sign-on web portal:
  - (a) using an open platform that:
    - (i) facilitates participation in the database and web portal by a state entity; and
    - (ii) allows for optional participation by a political subdivision of the state; and
  - (b) in a manner that anticipates expanding the database and web portal to include:
    - (i) a database for data collected by the state on an individual; and
    - (ii) a web portal for an individual to access all relevant data collected by the state on the individual.
- (4) In developing the business database and the single sign-on web portal, the department shall consult with:
  - (a) the Department of Commerce;
  - (b) the State Tax Commission;
  - (c) the Labor Commission;
  - (d) the Department of Workforce Services;
  - (e) the Governor's Office of Management and Budget;
  - (f) the Utah League of Cities and Towns;
  - (g) the Utah Association of Counties; and
  - (h) the business community that is likely to use the business database and single sign-on web portal.
