

Part 1 General Provisions

63G-2-101 Title.

This chapter is known as the "Government Records Access and Management Act."

Renumbered and Amended by Chapter 382, 2008 General Session

63G-2-102 Legislative intent.

- (1) In enacting this act, the Legislature recognizes two constitutional rights:
 - (a) the public's right of access to information concerning the conduct of the public's business; and
 - (b) the right of privacy in relation to personal data gathered by governmental entities.
- (2) The Legislature also recognizes a public policy interest in allowing a government to restrict access to certain records, as specified in this chapter, for the public good.
- (3) It is the intent of the Legislature to:
 - (a) promote the public's right of easy and reasonable access to unrestricted public records;
 - (b) specify those conditions under which the public interest in allowing restrictions on access to records may outweigh the public's interest in access;
 - (c) prevent abuse of confidentiality by governmental entities by permitting confidential treatment of records only as provided in this chapter;
 - (d) provide guidelines for both disclosure and restrictions on access to government records, which are based on the equitable weighing of the pertinent interests and which are consistent with nationwide standards of information practices;
 - (e) favor public access when, in the application of this act, countervailing interests are of equal weight; and
 - (f) establish fair and reasonable records management practices.
