

Effective 3/29/2014

63G-6a-108 Limitations on and responsibility of executive branch procurement units.

- (1) An executive branch procurement unit may not engage in a procurement unless:
 - (a) the procurement is made under the direction and control of the division; or
 - (b) the procurement is made under Section 63G-6a-106.
- (2) An executive branch procurement unit that conducts any part of a procurement under this chapter is responsible to conduct that part of the procurement in compliance with this chapter.
