

Effective 3/28/2016

63G-6a-113 Price based on established terms.

A procurement unit acquiring a procurement item may establish the price of the procurement item based on:

- (1) a price list, rate schedule, or price catalog:
 - (a) submitted by a vendor and accepted by the procurement unit; or
 - (b) mandated by the procurement unit or a federal agency; or
- (2) a federal regulation for a health and human services program.

Enacted by Chapter 355, 2016 General Session
