

Effective 7/1/2015

63H-7a-503 Statewide interoperability coordinator.

The statewide interoperability coordinator shall:

- (1) promote wireless technology information and interoperability among local, state, federal, and other agencies;
- (2) provide a mechanism for coordinating and resolving wireless communication issues among local, state, federal, and other agencies;
- (3) improve data and information sharing and coordination of multijurisdictional responses;
- (4) consider opportunities to consolidate or improve interoperability of infrastructures and technologies;
- (5) evaluate current technologies and determine if they are meeting the needs of agency personnel in respective service areas;
- (6) create and maintain procedures for requesting interoperability channels; and
- (7) act as the FirstNet single point of contact for the authority.
