

72-2-109 Rules for uniform accounting -- Apportionment and use of class B and class C road funds -- Compliance with federal-aid provisions -- Duties of department.

- (1) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the department shall make rules providing for uniform accounting of funds to be expended upon class B and C roads as required by the federal government under Title 23, United States Code Annotated, relating to federal aid for highway purposes together with all amendatory acts.
- (2) The department shall cooperate with the county governing bodies and the governing officials of the cities and towns in the apportionment and use of class B and C road funds.

Amended by Chapter 382, 2008 General Session
