

72-3-111 Roads and parking spaces in connection with state institutions and areas for recreational activities.

Subject to Section 72-1-303, the department is authorized to build and maintain roads:

- (1) leading to roads and parking spaces on the grounds of state institutions to which roads have not been designated by the Legislature; and
- (2) roads and parking spaces to serve areas in immediate proximity to a designated highway used for:
 - (a) salt flat races;
 - (b) ski meets; and
 - (c) activities which are promoted for the general welfare.
