The entire length of SR-901 is a total distance of 43.48 miles.
- (3) The department has jurisdiction and control over all statewide public safety interest highways.
- (4)
 - (a) A county shall maintain the portions of a statewide public safety interest highway that was a class B county road under the county's jurisdiction prior to the designation under this section.
 - (b) Notwithstanding the provisions of Section 17-50-305, a county may not abandon any portion of a statewide public safety interest highway.
 - (c) Except under written authorization of the executive director of the department, a statewide public safety interest highway shall remain the same class of highway that it was prior to the designation under this section with respect to grade, drainage, surface, and improvements and it may not be upgraded or improved to a higher class of highway.
- (5) A class B county road that is designated a statewide public safety interest highway under this section is considered a class B county road for the purposes of the distribution formula and distributions of funds. The amount of funds received by any jurisdiction from the class B and C roads account under Section 72-2-107 may not be affected by the provisions of this section.
