

**72-6-112 Traffic Noise Abatement Program -- Uses.**

- (1) There is created the Traffic Noise Abatement Program.
- (2) The program consists of money generated from the following revenue sources:
  - (a) any voluntary contributions received for traffic noise abatement; and
  - (b) appropriations made to the program by the Legislature.
- (3) The department shall use program money as prioritized by the commission and as provided by law for the study, design, construction, and maintenance of noise abatement measures.
- (4) All funding for the Traffic Noise Abatement Program shall be nonlapsing.

Renumbered and Amended by Chapter 270, 1998 General Session
