

**73-3-13 Protests -- Procedure.**

- (1) Any other applicant, or any user of water from any river system or water source may file a request for agency action with the state engineer alleging that such work is not being diligently prosecuted to completion.
- (2) Upon receipt of the request for agency action, the state engineer shall give the applicant notice and hold an adjudicative proceeding.
- (3) If diligence is not shown by the applicant, the state engineer may declare the application and all rights under it forfeited.

Amended by Chapter 161, 1987 General Session
