

73-3a-106 Application form.

Applications for appropriations or changes referred to in Section 73-3a-103 must:

- (1) be made upon forms furnished by the state engineer; and
- (2) set forth:
 - (a) the name of the applicant;
 - (b) the description of the water right, if applicable;
 - (c) the quantity of water;
 - (d) the stream or source;
 - (e) the point on the stream or source where the water is diverted;
 - (f) the point to which it is proposed to change the diversion of the water, if applicable;
 - (g) the place, purpose, and extent of the present use, if applicable;
 - (h) the place, purpose, and extent of the proposed use;
 - (i) an agent in the state of Utah designated for reception of service of process and other legal notices; and
 - (j) any other information that the state engineer requires.

Enacted by Chapter 234, 1991 General Session
