

75-2a-120 Judicial relief.

A district court may enjoin or direct a health care decision, or order other equitable relief based on a petition filed by:

- (1) a patient;
- (2) an agent of a patient;
- (3) a guardian of a patient;
- (4) a default surrogate of a patient;
- (5) a health care provider of a patient;
- (6) a health care facility providing care for a patient; or
- (7) an individual who meets the requirements of Section 75-2a-108.

Enacted by Chapter 31, 2007 General Session
