

76-6-409.8 Sale of an unlawful telecommunication device -- Penalty.

- (1) Any person is guilty of a third degree felony who intentionally sells an unlawful telecommunication device or material, including hardware, data, computer software, or other information or equipment, knowing that the purchaser or a third person intends to use such material in the manufacture of an unlawful telecommunication device.
- (2) If the offense under this section involves the intentional sale of five or more unlawful telecommunication devices within a six-month period, the person committing the offense is guilty of a second degree felony.

Amended by Chapter 78, 1997 General Session
