

Effective 5/10/2016

77-32-808 Annual report, budget, and listing of expenditures -- Availability on website.

- (1) As used in this section, "expenditures" means all payments or disbursements of commission funds, received from any source, made by the commission.
- (2) The commission shall publish and make available to the public on a website the commission's annual report, budget, salary information, a listing of all expenditures, and a list of all indigent criminal defense systems.
- (3) Publication and availability of the listing of expenditures shall be on a quarterly basis. The commission's budget and salary information may be published and made available on an annual basis.

Enacted by Chapter 177, 2016 General Session
