

Effective 7/1/2015

78B-14-610 Effect of registration for modification.

A tribunal of this state may enforce a child support order of another state registered for purposes of modification, in the same manner as if the order had been issued by a tribunal of this state, but the registered support order may be modified only if the requirements of Section 78B-14-611 or 78B-14-613 have been met.
