

79-3-506 Report of discovery on state or private lands.

- (1) A person who discovers any paleontological resources on privately owned lands or on lands owned or controlled by the state or its subdivisions shall promptly report the discovery to the survey.
- (2) Field investigations shall be discouraged except in accordance with this chapter.
- (3) Nothing in this section may be construed to authorize a person to excavate for paleontological resources.

Renumbered and Amended by Chapter 344, 2009 General Session
