

79-5-302 Recreational trail categories.

The division may plan and develop the following categories of recreational trails as part of the state trails system:

- (1) cross-state trails that connect scenic, natural, historic, geologic, geographic, or other significant features;
- (2) water-oriented trails that provide a path to or along lakes, streams, or reservoirs;
- (3) scenic-access trails that give access to recreation, scenic, natural, historic, or cultural areas;
- (4) urban trails that connect parks, scenic and natural areas, historical sites, and neighboring communities within a county of the first or second class; and
- (5) interpretive trails that identify:
 - (a) historic routes; and
 - (b) significant natural features.
