

**IR2-2-101 Interim committees -- Reviewing audit reports.**

When an interim committee or a special committee receives an audit report from the Audit Subcommittee of the Legislative Management Committee for its review, the committee shall:

- (1) review and consider whether or not the recommendations in the audit report should be implemented;
- (2) request legislation or recommend appropriations to the Executive Appropriations Committee, if appropriate; and
- (3) report its actions to the Audit Subcommittee.
