

1 of the state system of higher education and the structure from which Snow College South shall
2 begin its operations.

3 (b) The State Board of Regents shall take the appropriate action required to assure the
4 successful transition of the applied technology center and its faculty and staff into the state system
5 of higher education, including, if necessary:

6 (i) creating and recording any conveyances needed for the transfer of property; and

7 (ii) providing procedures for assimilating the center's faculty into the rank and tenure
8 structure of Snow College.

9 (4) (a) Snow College South maintains a strong curriculum in applied technology and
10 technical courses of a general nature which can be transferred to other institutions within the
11 higher education system, together with lower division courses of a general nature and courses
12 required for associate degrees in science, arts, and applied science.

13 (b) The institution may confer certificates of completion and degrees as determined by the
14 State Board of Regents within the parameters referred to in Subsection (4)(a).

15 **Section 2. Funding for Snow College South.**

16 (1) The budgetary appropriation traditionally made for the Sevier Valley Applied
17 Technology Center shall be transitioned to Snow College South for the fiscal year beginning July
18 1, 1998.

19 (2) For the fiscal year beginning July 1, 1999, and for each fiscal year thereafter the
20 appropriation to fund Snow College South shall be a line item appropriation under higher
21 education in the Appropriations Act.

22 **Section 3. Effective date.**

23 This act takes effect on July 1, 1998.

Legislative Review Note
as of 1-20-98 4:45 PM

A limited legal review of this bill raises no obvious constitutional or statutory concerns.
