1	THIS IS THE PLACE FOUNDATION
2	1998 GENERAL SESSION
3	STATE OF UTAH
4	Sponsor: David L. Buhler
5	AN ACT RELATING TO PARKS AND RECREATION; AUTHORIZING THE DIVISION OF
6	PARKS AND RECREATION TO MAKE AN AGREEMENT WITH THIS IS THE PLACE
7	FOUNDATION TO MANAGE THIS IS THE PLACE STATE PARK; SPECIFYING TERMS
8	OF THE AGREEMENT; DELINEATING THE AUTHORITY OF THE FOUNDATION TO
9	CONSTRUCT OR MAKE IMPROVEMENTS TO FACILITIES AT THIS IS THE PLACE
10	STATE PARK; AND PROVIDING AN EFFECTIVE DATE.
11	This act affects sections of Utah Code Annotated 1953 as follows:
12	AMENDS:
13	63A-5-206, as renumbered and amended by Chapters 212 and 263, Laws of Utah 1993
14	ENACTS:
15	63-11-3.1, Utah Code Annotated 1953
16	63-11-3.2, Utah Code Annotated 1953
17	63-11-3.3, Utah Code Annotated 1953
18	63A-4-104, Utah Code Annotated 1953
19	Be it enacted by the Legislature of the state of Utah:
20	Section 1. Section 63-11-3.1 is enacted to read:
21	<u>63-11-3.1.</u> Definitions.
22	As used in Sections 63-11-3.1 through 63-11-3.3:
23	(1) "Board" means the board of trustees of This is the Place Foundation.
24	(2) "Division" means the Division of Parks and Recreation.
25	(3) "Foundation" means This is the Place Foundation, a private nonprofit corporation
26	formed pursuant to Title 16, Chapter 6, Article 2, Utah Nonprofit Corporation and Co-operative
27	Association Act.

S.B. 114

1	(4) "Monument" means This is the Place Monument at This is the Place State Park.
2	(5) "Park" means This is the Place State Park, property owned by the state of Utah located
3	at 2601 East Sunnyside Avenue, Salt Lake City.
4	Section 2. Section 63-11-3.2 is enacted to read:
5	63-11-3.2. Agreement to manage This is the Place State Park Grants.
6	(1) In recognition of the need for private funds to continue the expansion and improvement
7	of Old Deseret Village, a living history museum at This is the Place State Park, and the preference
8	of donors to contribute to nonprofit organizations rather than government entities, the Division of
9	Parks and Recreation is authorized to make an agreement with This is the Place Foundation to
10	manage, develop, and promote This is the Place State Park.
11	(2) The division may pay a management fee to the foundation.
12	(3) The division may not require the foundation to remit to the division any portion of the
13	income generated from park operations.
14	Section 3. Section 63-11-3.3 is enacted to read:
15	<u>63-11-3.3.</u> Terms of agreement.
16	Any agreement made pursuant to Section 63-11-3.2 shall include the following terms:
17	(1) The foundation shall transfer to the state:
18	(a) title to any real property acquired by the foundation, upon completion of payment, if
19	any, for the property by the foundation; and
20	(b) ownership of any artifacts or collections acquired by the foundation.
21	(2) No fee may be charged to visit the monument.
22	(3) (a) Except as provided in Subsections (3)(b) and (3)(c), a board member may receive
23	no compensation or financial benefit, directly or indirectly, as a result of the member's service on
24	the board.
25	(b) A board member may receive per diem and expenses incurred in the performance of
26	the board member's duties at the rates established by the board.
27	(c) A board member may deal or contract with the foundation, provided that:
28	(i) no person or entity is paid any fee, salary, rent, or other payment of any kind in excess
29	of the fair market value for the service rendered, goods furnished, or facilities or equipment rented;
30	and
31	(ii) at a meeting of the board or subcommittee of the board having authority to authorize

01-15-98 2:05 PM

2(A) a quorum of the board or subcommittee is present;3(B) the interest of the board member is disclosed;4(C) a majority of the quorum votes to approve the contract or transaction; and5(D) in determining a majority under Subsection (3)(c)(ii)(C), the vote of any board6member having an interest in the contract or transaction is not counted.7(4) The foundation shall obtain an annual audit prepared by an independent public8accounting firm. The audit shall be prepared in accordance with generally accepted accounting9standards.10Section 4. Section 63A-5-206 is amended to read:1163A-5-206. Construction, alteration, and repair of state facilities Powers of12director Expenditure of appropriations.13(1) As used in this section:14(a) "Analysis" means an economic assessment of competing design and maintenance15alternatives, the object of which is to reduce cost and conserve energy.16(b) "Capital developments" means any:17(i) remodeling, site, or utility projects with a total cost of \$1,000,000 or more;18(ii) addition of new space that will cost more than \$100,000; or19(iii) land acquisition where an appropriation is requested.20(c) "Capital improvements" means any:21(i) remodeling, alteration, repair project with a total cost of less than \$1,000,000; or22(ii) site and utility improvement with a total cost of less than \$1,000,000; or23(d) "Life cycle cost-effective" means the lowest cost of owning and operating a facility<	1	or confirm the contract or transaction:
4(C) a majority of the quorum votes to approve the contract or transaction; and5(D) in determining a majority under Subsection (3)(c)(ii)(C), the vote of any board6member having an interest in the contract or transaction is not counted.7(4) The foundation shall obtain an annual audit prepared by an independent public8accounting firm. The audit shall be prepared in accordance with generally accepted accounting9standards.10Section 4. Section 63A-5-206 is amended to read:1163A-5-206. Construction, alteration, and repair of state facilities Powers of12director Expenditure of appropriations.13(1) As used in this section:14(a) "Analysis" means an economic assessment of competing design and maintenance15alternatives, the object of which is to reduce cost and conserve energy.16(b) "Capital developments" means any:17(i) remodeling, site, or utility projects with a total cost of \$1,000,000 or more;18(ii) addition of new space that will cost more than \$100,000; or19(iii) land acquisition where an appropriation is requested.20(c) "Capital improvements" means any:21(i) remodeling, alteration, repair project with a total cost of less than \$1,000,000; or23(d) "Life cycle cost-effective" means the lowest cost of owning and operating a facility24over a 25-year period, including the initial cost, energy costs, operation and maintenance costs,25repair costs, and the costs of energy conservation and renewable energy systems.26(e) "Renewable ene	2	(A) a quorum of the board or subcommittee is present;
5(D) in determining a majority under Subsection (3)(c)(ii)(C), the vote of any board6member having an interest in the contract or transaction is not counted.7(4) The foundation shall obtain an annual audit prepared by an independent public8accounting firm. The audit shall be prepared in accordance with generally accepted accounting9standards.10Section 4. Section 63A-5-206 is amended to read:1163A-5-206. Construction, alteration, and repair of state facilities Powers of12director Expenditure of appropriations.13(1) As used in this section:14(a) "Analysis" means an economic assessment of competing design and maintenance15alternatives, the object of which is to reduce cost and conserve energy.16(b) "Capital developments" means any:17(i) remodeling, site, or utility projects with a total cost of \$1,000,000 or more;18(ii) addition of new space that will cost more than \$100,000; or19(iii) land acquisition where an appropriation is requested.20(c) "Capital improvements" means any:21(i) remodeling, alteration, repair project with a total cost of less than \$1,000,000; or22(ii) site and utility improvement with a total cost of less than \$1,000,000.23(d) "Life cycle cost-effective" means the lowest cost of owning and operating a facility24over a 25-year period, including the initial cost, energy costs, operation and maintenance costs,25repair costs, and the costs of energy conservation and renewable energy systems.26(e) "Renewable ener	3	(B) the interest of the board member is disclosed;
6member having an interest in the contract or transaction is not counted.7(4) The foundation shall obtain an annual audit prepared by an independent public8accounting firm. The audit shall be prepared in accordance with generally accepted accounting9standards.10Section 4. Section 63A-5-206 is amended to read:1163A-5-206. Construction, alteration, and repair of state facilities Powers of12director Expenditure of appropriations.13(1) As used in this section:14(a) "Analysis" means an economic assessment of competing design and maintenance15alternatives, the object of which is to reduce cost and conserve energy.16(b) "Capital developments" means any:17(i) remodeling, site, or utility projects with a total cost of \$1,000,000 or more;18(ii) addition of new space that will cost more than \$100,000; or19(iii) land acquisition where an appropriation is requested.20(c) "Capital improvements" means any:21(i) remodeling, alteration, repair project with a total cost of less than \$1,000,000; or22(ii) site and utility improvement with a total cost of onling and operating a facility24over a 25-year period, including the initial cost, energy costs, operation and maintenance costs,25repair costs, and the costs of energy conservation and renewable energy systems.26(c) "Renewable energy system" means a system designed to use solar, wind, geothermal27power, wood, or other replenishable energy source to heat, cool, or provide electricity to a	4	(C) a majority of the quorum votes to approve the contract or transaction; and
7(4) The foundation shall obtain an annual audit prepared by an independent public8accounting firm. The audit shall be prepared in accordance with generally accepted accounting9standards.10Section 4. Section 63A-5-206 is amended to read:1163A-5-206. Construction, alteration, and repair of state facilities Powers of12director Expenditure of appropriations.13(1) As used in this section:14(a) "Analysis" means an economic assessment of competing design and maintenance15alternatives, the object of which is to reduce cost and conserve energy.16(b) "Capital developments" means any:17(i) remodeling, site, or utility projects with a total cost of \$1,000,000 or more;18(ii) addition of new space that will cost more than \$100,000; or19(iii) land acquisition where an appropriation is requested.20(c) "Capital improvements" means any:21(i) remodeling, alteration, repair project with a total cost of less than \$1,000,000; or22(ii) site and utility improvement with a total cost of less than \$1,000,000; or23(d) "Life cycle cost-effective" means the lowest cost of owning and operating a facility24over a 25-year period, including the initial cost, energy costs, operation and maintenance costs,25repair costs, and the costs of energy conservation and renewable energy systems.26(e) "Renewable energy system" means a system designed to use solar, wind, geothermal27power, wood, or other replenishable energy source to heat, cool, or provide electricity to a <td>5</td> <td>(D) in determining a majority under Subsection (3)(c)(ii)(C), the vote of any board</td>	5	(D) in determining a majority under Subsection (3)(c)(ii)(C), the vote of any board
8 accounting firm. The audit shall be prepared in accordance with generally accepted accounting 9 standards. 10 Section 4. Section 63A-5-206 is amended to read: 11 63A-5-206. Construction, alteration, and repair of state facilities Powers of 12 director Expenditure of appropriations. 13 (1) As used in this section: 14 (a) "Analysis" means an economic assessment of competing design and maintenance 15 alternatives, the object of which is to reduce cost and conserve energy. 16 (b) "Capital developments" means any: 17 (i) remodeling, site, or utility projects with a total cost of \$1,000,000 or more; 18 (ii) addition of new space that will cost more than \$100,000; or 19 (iii) land acquisition where an appropriation is requested. 20 (c) "Capital improvements" means any: 21 (i) remodeling, alteration, repair project with a total cost of less than \$1,000,000; or 22 (ii) site and utility improvement with a total cost of less than \$1,000,000. 23 (d) "Life cycle cost-effective" means the lowest cost of owning and operating a facility 24 over a 25-year period, including the initial cost, energy costs, operation and maintenance costs, 25 repair costs, and	6	member having an interest in the contract or transaction is not counted.
9 standards. 10 Section 4. Section 63A-5-206 is amended to read: 11 63A-5-206.
