Representative **Hatch** proposes the following amendments:

1. Page 2, Line 17: After Line 17 insert:
 "(iii) a requirement that unless the grantor and the holder of a
conservation easement agree to an earlier termination date in the
instrument that creates the conservation easement, a conservation
easement acquired under this section shall continue for a time period
not exceeding the greater of:
(A) the remainder of the grantor's life; or
(B) ten years; and"
