6 AN ACT RELATING TO OCCUPATIONS AND PROFESSIONS; LIMITING THE
7 CONSTRUCTION TRADE LICENSING EXEMPTION FOR OWNERS BUILDING
8 STRUCTURES ON THEIR OWN PROPERTY.

9 This act affects sections of Utah Code Annotated 1953 as follows:

10 AMENDS:

11 **58-55-305**, as last amended by Chapter 120, Laws of Utah 1997

12 *Be it enacted by the Legislature of the state of Utah:*

13 Section 1. Section **58-55-305** is amended to read:

14 **58-55-305. Exemptions from licensure.**

15 In addition to the exemptions from licensure in Section 58-1-307, the following persons
16 may engage in acts or practices included within the practice of construction trades subject to the
17 stated circumstances and limitations without being licensed under this chapter:

18 (1) an authorized representative of the United States government or an authorized
19 employee of the state or any of its political subdivisions when working on construction work of
20 the state or the subdivision, and when acting within the terms of his trust, office, or employment;

21 (2) a person engaged in construction or operation incidental to the construction and repair
22 of irrigation and drainage ditches of regularly constituted irrigation districts, reclamation districts,
23 and drainage districts or construction and repair relating to farming, dairying, agriculture, livestock

33 (5) (a) an individual engaged in construction or renovation of a residential building for
 34 noncommercial, nonpublic use if that person:

35 (i) works without compensation other than token compensation that is not considered
 36 salary or wages; and

37 (ii) works under the direction of the property owner who engages in building the structure;

38 (b) for purposes of Subsection (5), "token compensation" means compensation paid by a
 39 sole owner of property exempted from licensure under Subsection (4) to an individual exempted
 40 from licensure under Subsection (5), that is:

41 (i) minimal in value when compared with the fair market value of the services provided
 42 by the individual;

43 (ii) not related to the fair market value of the services provided by the individual; and

44 (iii) is incidental to providing of services by the individual including paying for or
 45 providing meals or refreshment while services are being provided, or paying reasonable
 46 transportation costs incurred by the individual in travel to the site of construction;

47 (6) a person engaged in the sale or merchandising of personal property that by its design
 48 or manufacture may be attached, installed, or otherwise affixed to real property who has contracted
 49 with a person, firm, or corporation licensed under this chapter to install, affix, or attach that
 50 property;

51 (7) a contractor submitting a bid on a federal aid highway project, if, before undertaking
 52 any construction under that bid, the contractor is licensed under this chapter;

53 (8) (a) a person engaged in the alteration, repair, remodeling, or addition to or
 54 improvement of any building with a contracted or agreed value of less than \$1,000, including both
 55 labor and materials, and including all changes or additions to the contracted or agreed upon work;

56 (b) notwithstanding Subsection (8)(a), work in the plumbing and electrical trades must be
 57 performed by a licensed electrician or plumber except as otherwise provided in this section;

58 (9) a person practicing a specialty contractor classification or construction trade which is

59 not classified by rule by the director as significantly impacting the public's health, safety, and
60 welfare;

61 (10) owners and lessees of property and persons regularly employed for wages by owners
62 or lessees of property or their agents for the purpose of maintaining the property, are exempt from
63 this chapter when doing work upon the property;

64 (11) (a) a person engaged in minor plumbing work incidental to the replacement or repair
65 of a fixture or an appliance in a residential or small commercial building, or structure used for
66 agricultural use, as defined in Section 58-56-4, provided that no modification is made to existing
67 culinary water, soil, waste, or vent piping;

68 (b) except as provided in Subsection (5), installation for the first time of a fixture or an
69 appliance is not included in the exemption provided under Subsection (11)(a);

70 (12) a person who ordinarily would be subject to the plumber licensure requirements set
71 forth in this chapter when installing or repairing a water conditioner or other water treatment
72 apparatus if the conditioner or apparatus:

73 (a) meets the appropriate state construction codes or local plumbing standards; and

74 (b) is installed or repaired under the direction of a person authorized to do such work under
75 an appropriate specialty contractor license;

76 (13) a person who ordinarily would be subject to the electrician licensure requirements set
77 forth in this chapter when employed by or under contract with:

78 (a) railroad corporations, telephone corporations or their corporate affiliates, elevator
79 contractors or constructors, or street railway systems; or

80 (b) public service corporations, rural electrification associations, or municipal utilities who
81 generate, distribute, or sell electrical energy for light, heat, or power;

82 (14) a person involved in minor electrical work incidental to a mechanical or service
83 installation; and

84 (15) a student participating in construction trade education and training programs approved
85 by the division in collaboration with the board under the condition that:

86 (a) all work intended as a part of a finished product on which there would normally be an
87 inspection by a building inspector is, in fact, inspected and found acceptable by a licensed building
88 inspector; and

89 (b) a licensed contractor obtains the necessary building permits.
