(3) If a person is convicted in this state of a violent felony by plea or by verdict and the sentencing court determines the person is a habitual violent offender under this section, the penalty for a:

- (a) third degree felony shall be as if the conviction were for a first degree felony;
- (b) second degree felony shall be as if the conviction were for a first degree felony; or
- (c) first degree felony shall remain the penalty for a first degree penalty except:
 - (i) the convicted person is not eligible for probation; and
 - (ii) the Board of Pardons and Parole shall consider that the convicted person is a habitual violent offender as an aggravating factor to determine the length of incarceration.

Notice shall include the case number, court, and date of conviction or commitment of any case relied upon by the prosecution.

Prior to sentencing under this section, the court shall determine whether this section is applicable by a preponderance of the evidence.

76-3-501. Vehicle subject to forfeiture -- Seizure -- Procedure.

(1) Any vehicle used in the commission of, attempt to commit, or flight after commission of any felony in which a firearm[, incendiary device,] or other dangerous weapon as defined in Section 76-10-501, or explosive, chemical, or incendiary device or parts as defined in Section 76-10-306 is used, or any vehicle used in the commission of the illegal possession or sale of a

firearm in or from the vehicle, is subject to forfeiture and no property right exists in it if the owner of the vehicle was a knowing participant in the offense or voluntarily allowed the vehicle to be used, knowing that it would probably be used to commit the offense.

(2) Any forfeiture of a vehicle subject to a bona fide security interest is subject to the interest of a secured party who could not have known in the exercise of reasonable diligence that a violation would or did take place in the use of the vehicle.

(3) Vehicles subject to forfeiture under this section may be seized by any peace officer of this state upon process issued by any court having jurisdiction over the vehicle. However, seizure without process may be made when:

- (a) the seizure is incident to a lawful arrest, with or without an arrest warrant;
- (b) the vehicle is seized incident to a lawful search with or without a search warrant or an inspection under an administrative inspection warrant;
- (c) the vehicle subject to seizure has been the subject of a prior judgment in favor of the state in a criminal injunction or forfeiture proceeding; or
- (d) the peace officer seizing the vehicle has probable cause to believe that the vehicle has been used or is intended to be used in violation of this section and the peace officer reasonably believes that the vehicle will be lost, damaged, or used in further violation of law if the officer delays seizure to obtain a warrant.

(4) In the event of seizure under Subsection (3), proceedings under Subsection (5) shall be instituted promptly.

(5) Any vehicle taken or detained under this section is not repleviable but is in custody of the law enforcement agency making the seizure, subject only to the orders and decrees of the court or the official having jurisdiction. When a vehicle is seized under this chapter the appropriate person or agency may:

- (a) remove the vehicle to a place designated by the court, official, or the warrant under which the vehicle was seized; or
- (b) take custody of the vehicle and remove it to an appropriate location for disposition in accordance with law.

(6) When any vehicle is subject to forfeiture, determination for forfeiture to the state shall be made as follows:

(a) A complaint verified on oath or affirmation shall be prepared by the county attorney, or if within a prosecution district the district attorney, where the vehicle was seized or is to be seized. The complaint shall be filed in the district court where the vehicle was seized. The complaint shall describe with reasonable particularity the:

- (i) vehicle which is the subject matter of the proceeding;
- (ii) date and place of seizure, if known; and
- (iii) allegations which constitute the basis for forfeiture.

(b) Upon filing the complaint, the clerk of the court shall forthwith issue a warrant for the seizure of the vehicle which is the subject matter of the action and deliver it to the sheriff for service upon the seizing person or agency.

(c) Notice of the seizure and intended forfeiture shall be filed with the county clerk, and served together with a copy of the complaint, upon all persons known to the county attorney or district attorney to have a claim in the vehicle by one of the following methods:

(i) upon each claimant whose name and address is known, at the last known address of the claimant, or upon each owner whose right, title, or interest is of record in the Division of Motor Vehicles, by mailing a copy of the notice and complaint by certified mail to the address given upon the records of the division, which service is considered complete even though the mail is refused or cannot be forwarded; and

(ii) upon all other claimants whose addresses are unknown, but who are believed to have an interest in the vehicle, by publication in a newspaper of general circulation in the county where the seizure was made.

(d) Any claimant or interested party shall file with the court a verified answer to the complaint within 20 days after service has been obtained.

(e) When a vehicle is seized under this section, any interested person or claimant of the vehicle, prior to being served with a complaint under this section, may file a petition in the court having jurisdiction for release of his interest in the vehicle. The petition shall specify the claimant's

interest in the vehicle and his right to have it released. A copy shall be served upon the county attorney or, if within a prosecution district the district attorney, in the county of the seizure, who shall answer the petition within 20 days. A petitioner under this subsection need not answer a complaint of forfeiture.

(f) After 20 days following service of a complaint or petition for release, the court shall examine the record and if no answer is on file, the court shall allow the complainant or petitioner an opportunity to present evidence in support of his claim and order forfeiture or release of the vehicle as the court determines. If the county attorney or district attorney has not filed an answer to a petition for release and the court determines from the evidence that the petitioner is not entitled to recovery of the vehicle, it shall enter an order directing the county attorney or district attorney to answer the petition within ten days. If no answer is filed within that period, the court shall order the release of the vehicle to the petitioner entitled to receive it.

(g) When an answer to a complaint or petition appears of record at the end of 20 days, the court shall promptly set the matter for hearing. At this hearing all interested parties may present evidence of their rights of release of the vehicle following the state's evidence for forfeiture. The court shall determine by a preponderance of the evidence the issues in the case and order forfeiture or release of the vehicle as it determines.

(h) Proceedings of this section are independent of any other proceedings, whether civil or criminal, under the laws of this state.

(i) When the court determines that claimants have no right in the vehicle in whole or in part, it shall declare the vehicle to be forfeited and direct it to be delivered for disposition in accordance with Subsection (7).

(j) When the court determines that the vehicle, in whole or in part, is not subject to forfeiture, it shall order release of the vehicle to the proper claimant. If the court determines that the vehicle is subject to forfeiture in part and release in part, it shall order partial release and partial forfeiture. When the vehicle cannot be divided for partial forfeiture and release, the court shall order it sold and the proceeds distributed:

(i) first, proportionally among the legitimate claimants;

(ii) second, to defray the costs of the action, including seizure, storage of the vehicle, legal costs of filing and pursuing the forfeiture, and costs of sale; and

(iii) third, in accordance with Subsection (7).

(k) In a proceeding under this section where forfeiture is declared, in whole or in part, the court shall assess all costs of the forfeiture proceeding, including seizure and storage of the vehicle, against the individual or individuals whose conduct was the basis of the forfeiture, and may assess costs against any other claimant or claimants to the vehicle as appropriate.

(7) When any vehicle is forfeited under this section by a finding of the court that no person is entitled to recover it or that the vehicle is subject to forfeiture in part and release in part to a claimant, a court shall order that the vehicle be delivered to the seizing agency for sale as the court directs. The court shall also order that the proceeds from the sale of the vehicle be distributed in accordance with the provisions of Subsection (6)(j).

(8) When the court orders that a vehicle be forfeited, in whole or in part, under this section, it shall direct that the proceeds from the sale of the forfeited vehicle, or part thereof, be divided or distributed as follows:

(a) 3/4 to the agency making the seizure; and

(b) 1/4 to the state treasurer for deposit into the General Fund.

(9) If the vehicle is found by the court not to be subject to forfeiture, it shall be released to the owner.
