1	RESOLUTION SUPPORTING FIREFIGHTER
2	MUSEUM AND MINING MUSEUM
3	1999 GENERAL SESSION
4	STATE OF UTAH
5	Sponsor: R. Mont Evans
6	A JOINT RESOLUTION OF THE LEGISLATURE RECOGNIZING THE CONTRIBUTION OF
7	UTAH'S FIREFIGHTERS IN PRESERVING LIFE AND PROPERTY THROUGHOUT THE
8	HISTORY OF THE STATE; RECOGNIZING THE CONTRIBUTION OF § [UTAII'S MINING
9	INDUSTRY] KENNECOTT UTAH COPPER § TO THE ECONOMIC DEVELOPMENT AND STRENGTH OF
9a	UTAH; AND
10	ENCOURAGING THE STATE FIRE MARSHAL, KENNECOTT UTAH COPPER, SALT
11	LAKE COUNTY, AND THE CITY OF SOUTH JORDAN TO WORK TOGETHER TO
12	CHOOSE AN APPROPRIATE SITE FOR A MUSEUM PAYING TRIBUTE TO THE STATE'S
13	FIREFIGHTERS AND § [mining industry] kennecott utah copper § .
14	Be it resolved by the Legislature of the state of Utah:
15	WHEREAS, the establishment of a museum honoring career and volunteer firefighters in
16	Utah, combined with a recognition of the immense contribution of § [the mining industry]
16a	KENNECOTT UTAH COPPER s to the
17	economic development and strength of Utah, is currently being considered;
18	WHEREAS, since the days of Utah's early settlements, the protection of life and property
19	has been possible because some citizens were willing to risk their lives to put out fires;
20	WHEREAS, as firefighters became better trained and more organized, firefighting became
21	an increasingly valued service, but one that remained mostly a volunteer effort;
22	WHEREAS, today, there are many career firefighters who share Utah's firefighting heritage
23	with volunteers, who make up nearly 85% of firefighters in the state;
24	WHEREAS, today firefighters are also trained in emergency medical services, the handling
25	of hazardous materials, and heavy and confined space rescues;
26	WHEREAS, the state's firefighting heritage is built on the service of brave, unselfish, and
27	largely unheralded men and women who stand in harm's way for their neighbors on each call for

S.J.R. 10

28	help;
29	WHEREAS, national fatality figures indicate that firefighting ranks as one of the five most
30	dangerous occupations in the nation;
31	WHEREAS, in one national study, firefighting was found to be the second most stressful
32	occupation in the United States;
33	WHEREAS, it is fitting that these individuals receive recognition for their many years of
34	dedication and service under the most extreme circumstances;
35	WHEREAS, the 15 firefighters who have lost their lives in service since 1943, and those
36	who died before them, are heroes who merit respectful recognition and honor from the citizens of
37	Utah;
38	WHEREAS, a memorial dedicated to firefighters who have lost their lives in service should
39	play an important part in the plans for the museum;
40	WHEREAS, in addition to firefighting, the mining history of Utah is filled with a richness
41	and success that once led President Abraham Lincoln to refer to Utah as a "treasurehouse of the
42	nation";
43	WHEREAS, without minerals and coal the soil could not be tilled, machines and
44	computers could not be built, energy could not be generated, and goods could not be transported;
45	WHEREAS, the mining industry has played a critical role in the economic development
46	of the state;
47	WHEREAS, for the past 152 years, miners in Utah have managed to mine, process, smelt
48	or refine 65 of the more than 90 mineral materials needed by modern society;
49	WHEREAS, local mining in the Price area led to the accelerated development of the
50	railroad in Utah;
51	WHEREAS, mining resources from Utah were a critical factor in World Wars I and II;
52	WHEREAS, today, mining continues to be a major factor in Utah's economy, providing
53	employment for 14,500 people directly and 40,000 additional jobs for supporting industries and
54	businesses;
55	WHEREAS, the coal fields of central Utah hold a rich source of high quality, low sulfur
56	coal that has been of great benefit to the state;
57	WHEREAS, § [Bingham Canyon] KENNECOTT UTAH COPPER §, which has mined more
57a	copper than any other mine in the
58	world, has produced 15 million tons of copper, 20 million ounces of gold, 175,000 ounces of

59	silver, and 700 million pounds of molybdenum, with a cumulative monetary value exceeding the
60	value of the California, the Comstock, and Klondike gold strikes combined;
61	WHEREAS, minerals are literally society's building blocks, have transformed life at home
62	and in the workplace, and contribute to the protection of the environment;
63	WHEREAS, there is tremendous educational value in preserving the state's firefighting and
64	mining history for future generations; and
65	WHEREAS, the State Fire Marshal, Kennecott Utah Copper, Salt Lake County, and the
66	City of South Jordan have expressed interest in establishing a museum that pays tribute to
67	firefighters and the state's mining industry, and some potential sites on the west side of Salt Lake
68	County have been identified:
69	NOW, THEREFORE, BE IT RESOLVED that the Legislature of the state of Utah
70	recognize the invaluable contribution that firefighters have made to the preservation of life and
71	property, and that § [the mining industry] KENNECOTT UTAH COPPER § has made to the economic
71a	development and strength of the
72	state.
73	BE IT FURTHER RESOLVED that the Legislature urge that representatives of the State
74	Fire Marshal, Kennecott Utah Copper, Salt Lake County, and the City of South Jordan get together
75	to determine a suitable location for a museum honoring Utah's firefighters and the state's mining
76	legacy, and request input from the Governor's Office.
77	BE IT FURTHER RESOLVED that a copy of this resolution be sent to the State Fire
78	Marshal, Kennecott Utah Copper, Salt Lake County, and the City of South Jordan.
