provided that nothing in this Subsection (8)(a) may be construed as restricting the authority of a person to administer anesthesia to the extent permitted by a license issued under another chapter of this title;

(b) when a person not licensed as a physician directs a licensee under this chapter to withhold or alter the health care services that the licensee has ordered, but practice of medicine does not include any conduct under Subsection 58-68-501(2);

(c) to maintain an office or place of business for the purpose of doing any of the acts described in Subsection (8)(a) whether or not for compensation; or

(d) to use, in the conduct of any occupation or profession pertaining to the diagnosis or treatment of human diseases or conditions, in any printed material, stationery, letterhead, envelopes, signs, or advertisements, the designation "doctor," "doctor of osteopathic medicine," "osteopathic physician," "osteopathic surgeon," "osteopathic physician and surgeon," "Dr.," "D.O.," or any combination of these designations in any manner which might cause a reasonable person to believe the individual using the designation is a licensed osteopathic physician, and if the party using the designation is not a licensed osteopathic physician, the designation must additionally contain the description of the branch of the healing arts for which the person has a license.

(9) "Prescription drug or device" means:

(a) a drug or device which, under federal law, is required to be labeled with either of the following statements or their equivalent:

(i) "CAUTION: Federal law prohibits dispensing without prescription"; or

(ii) "CAUTION: Federal law restricts this drug to use by or on the order of a licensed veterinarian"; or

(b) a drug or device that is required by any applicable federal or state law or rule to be dispensed on prescription only or is restricted to use by practitioners only.

(10) "SPEX" means the Special Purpose Examination of the Federation of State Medical Boards.
