Senator **Beverly Evans** proposes the following amendments:

1. Page 29, Line 867:

After line 867, insert:

"(14) It is the intent of the Legislature that:

(a) Dixie College use institutional funds to plan, design, and construct a satellite campus building under the direction of the director of the Division of Facilities Construction and Management unless supervisory authority has been delegated;

(b) no state funds be used for the construction of this project; and

(c) consideration be given to appropriating state funds for the increased operation and maintenance costs associated with academic programs and associated support."
