A CONCURRENT RESOLUTION OF THE LEGISLATURE AND THE GOVERNOR URGING THE UNITED STATES CONGRESS TO APPROPRIATE THE FUNDS NECESSARY TO FIGHT THE CRICKET AND GRASSHOPPER INFESTATION.

Be it resolved by the Legislature of the state of Utah, the Governor concurring therein:

WHEREAS, 1.5 million acres of land in the state of Utah is infested with crickets and grasshoppers;

WHEREAS, \$22.5 million in crop losses have occurred in Box Elder and Tooele counties alone, with additional damage in 16 other counties resulting from the infestation;

WHEREAS, crickets and grasshoppers have migrated from federal land, where no insecticides were sprayed, to surrounding private lands;

WHEREAS, on July 29, 1999, Governor Leavitt issued a declaration of agricultural disaster, sought federal disaster relief, and issued a letter to the United States Department of Agriculture seeking federal loans for the relief of affected Utah farmers;

WHEREAS, during 1999, available state funds and limited federal assistance were used to treat affected lands, but little progress was made because the bulk of the federal assistance came late in the treatment season;

WHEREAS, the cricket and grasshopper infestation will be larger in 2000, with greater economic losses to property owners and agricultural operators;

WHEREAS, available state funds will be insufficient to adequately control the situation;
and

WHEREAS, since the problem originated on federal lands, the federal government should fund a substantial portion of the effort to eliminate the infestation and assist those whose livelihood has been devastated:
