165 offender is mentally retarded, the transfer team shall include at least one person who has expertise
166 in testing and diagnosis of mentally retarded individuals.

167 (2) The transfer team shall concur in the recommendation if it determines that UDC can

173 Department of Corrections.

174 (4) In the event that the department and UDC do not agree on the transfer of a mentally
175 ill offender, the administrator of the mental health facility where the offender is located shall notify
176 the mental health adviser for the board, in writing, of the dispute. The mental health adviser shall
177 be provided with copies of all reports and recommendations. The board's mental health adviser

185 unstable, the offender may be readmitted to the Utah State Hospital in accordance with the findings
186 and procedures described in Subsections 62A-12-204.5(4) through (6).
