195 or of Section 41-6-44.6 in satisfaction of, or as a substitute for, an original charge of a violation
196 of this section, the prosecution shall state for the record a factual basis for the plea, including
197 whether or not there had been consumption of alcohol, drugs, or a combination of both, by the
198 defendant in connection with the violation.

199 (ii) The statement is an offer of proof of the facts that shows whether there was
200 consumption of alcohol, drugs, or a combination of both, by the defendant, in connection with the
201 violation.

205 41-6-44.6 or 41-6-45 entered under this Subsection (9).

206 (10) A peace officer may, without a warrant, arrest a person for a violation of this section
207 when the officer has probable cause to believe the violation has occurred, although not in his
208 presence, and if the officer has probable cause to believe that the violation was committed by the
209 person.

210 (11) (a) The Driver License Division shall:

211 (i) suspend for 90 days the operator's license of a person convicted for the first time under
212 Subsection (2);

213 (ii) revoke for one year the license of a person convicted of any subsequent offense under

214 Subsection (2) if the violation is committed within a period of six years from the date of the prior
215 violation; and

216 (iii) suspend or revoke the license of a person as ordered by the court under Subsection
217 (12).

218 (b) The Driver License Division shall subtract from any suspension or revocation period
219 the number of days for which a license was previously suspended under Section 53-3-223 or
220 53-3-231, if the previous suspension was based on the same occurrence upon which the record of
221 conviction is based.

222 (12) (a) In addition to any other penalties provided in this section, a court may order the
223 operator's license of a person who is convicted of a violation of Subsection (2) to be suspended or
224 revoked for an additional period of 90 days, 180 days, or one year to remove from the highways
225 and waters those persons who have shown they are safety hazards.

226 (b) If the court suspends or revokes the person's license under this Subsection (12)(b), the

228 person's driving privileges for a specified period of time.

229 (13) (a) If the court orders a person to participate in home confinement through the use of
230 electronic monitoring, the electronic monitoring shall alert the appropriate corrections, probation
231 monitoring agency, law enforcement units, or contract provider of the defendant's whereabouts.

232 (b) The electronic monitoring device shall be used under conditions which require:

233 (i) the person to wear an electronic monitoring device at all times;

234 (ii) that a device be placed in the home or other specified location of the person, so that
235 the person's compliance with the court's order may be monitored; and

236 (iii) the person to pay the costs of the electronic monitoring.

237 (c) The court shall order the appropriate entity described in Subsection (13)(e) to place an
238 electronic monitoring device on the person and install electronic monitoring equipment in the
239 residence of the person or other specified location.

240 (d) The court may:

241 (i) require the person's electronic home monitoring device to include a substance abuse
242 testing instrument;

243 (ii) restrict the amount of alcohol the person may consume during the time the person is
244 subject to home confinement;

245 (iii) set specific time and location conditions that allow the person to attend school
246 educational classes, or employment and to travel directly between those activities and the person's
247 home; and

248 (iv) waive all or part of the costs associated with home confinement if the person is
249 determined to be indigent by the court.

250 (e) The electronic monitoring described in this section may either be administered directly
251 by the appropriate corrections agency, probation monitoring agency, or by contract with a private
252 provider.

253 (f) The electronic monitoring provider shall cover the costs of waivers by the court under
254 Subsection (13)(c)(iv).

255 (14) (a) If supervised probation is ordered under Subsection (4)(e) or (5)(e):

256 (i) the court shall specify the period of the probation;

257 (ii) the person shall pay all of the costs of the probation; and

258 (iii) the court may order any other conditions of the probation.

259 (b) The court shall provide the probation described in this section by contract with a
260 probation monitoring agency or a private probation provider.

261 (c) The probation provider described in Subsection (14)(b) shall monitor the person's
262 compliance with all conditions of the person's sentence, conditions of probation, and court orders
263 received under this article and shall notify the court of any failure to comply with or complete that
264 sentence or those conditions or orders.

265 (d) (i) The court may waive all or part of the costs associated with probation if the person
266 is determined to be indigent by the court.

267 (ii) The probation provider described in Subsection (14)(b) shall cover the costs of waivers
268 by the court under Subsection (14)(d)(i).

269 (15) If a person is convicted of a violation of Subsection (2) and there is admissible
270 evidence that the person had a blood alcohol level of .16 or higher, then if the court does not order:

271 (a) treatment as described under Subsection (4)(d), (5)(d), or (6)(b)(iii), then the court shall
272 enter the reasons on the record; and

273 (b) the following penalties, the court shall enter the reasons on the record:

274 (i) the installation of an ignition interlock system as a condition of probation for the person
275 in accordance with Section 41-6-44.7; or

276 (ii) the imposition of home confinement through the use of electronic monitoring in
277 accordance with Subsection (13).

278 Section 4. Section **41-6-44.3** is amended to read:

279 **41-6-44.3. Standards for chemical breath analysis -- Evidence.**

280 (1) The commissioner of the Department of Public Safety shall establish standards for the
281 administration and interpretation of chemical analysis of a person's breath, including standards of
282 training.

283 (2) In any action or proceeding in which it is material to prove that a person was operating
284 or in actual physical control of a vehicle or motorboat while under the influence of alcohol or any
285 drug or operating with a blood or breath alcohol content statutorily prohibited, documents offered
286 as memoranda or records of acts, conditions, or events to prove that the analysis was made and the
287 instrument used was accurate, according to standards established in Subsection (1), are admissible
288 if:

289 (a) the judge finds that they were made in the regular course of the investigation at or about
290 the time of the act, condition, or event; and

291 (b) the source of information from which made and the method and circumstances of their
292 preparation indicate their trustworthiness.

293 (3) If the judge finds that the standards established under Subsection (1) and the conditions
294 of Subsection (2) have been met, there is a presumption that the test results are valid and further
295 foundation for introduction of the evidence is unnecessary.

296 Section 5. Section **41-6-44.5** is amended to read:

297 **41-6-44.5. Admissibility of chemical test results in actions for driving under the**
298 **influence -- Weight of evidence.**

299 (1) (a) In any civil or criminal action or proceeding in which it is material to prove that a
300 person was operating or in actual physical control of a vehicle or motorboat while under the
301 influence of alcohol or drugs or with a blood or breath alcohol content statutorily prohibited, the
302 results of a chemical test or tests as authorized in Section 41-6-44.10 are admissible as evidence.

303 (b) In a criminal proceeding, noncompliance with Section 41-6-44.10 does not render the
304 results of a chemical test inadmissible. Evidence of a defendant's blood or breath alcohol content
305 or drug content is admissible except when prohibited by Rules of Evidence or the constitution.

306 (2) If the chemical test was taken more than two hours after the alleged driving or actual

307 physical control, the test result is admissible as evidence of the person's blood or breath alcohol
308 level at the time of the alleged operating or actual physical control, but the trier of fact shall
309 determine what weight is given to the result of the test.

310 (3) This section does not prevent a court from receiving otherwise admissible evidence as
311 to a defendant's blood or breath alcohol level or drug level at the time of the alleged operating or
312 actual physical control.

313 Section 6. Section **41-6-44.6** is amended to read:

314 **41-6-44.6. Definitions -- Driving with any measurable controlled substance in the**
315 **body -- Penalties -- Arrest without warrant.**

316 (1) As used in this section:

317 (a) "Controlled substance" means any substance scheduled under Section 58-37-4.

318 (b) "Practitioner" has the same meaning as provided in Section 58-37-2.

319 (c) "Prescribe" has the same meaning as provided in Section 58-37-2.

320 (d) "Prescription" has the same meaning as provided in Section 58-37-2.

321 (2) In cases not amounting to a violation of Section 41-6-44, a person may not operate or
322 be in actual physical control of a motor vehicle or motorboat within this state if the person has any
323 measurable controlled substance or metabolite of a controlled substance in the person's body.

324 (3) It is an affirmative defense to prosecution under this section that the controlled
325 substance was involuntarily ingested by the accused or prescribed by a practitioner for use by the
326 accused.

327 (4) A person convicted of a violation of Subsection (2) is guilty of a class B misdemeanor.

328 (5) A peace officer may, without a warrant, arrest a person for a violation of this section
329 when the officer has probable cause to believe the violation has occurred, although not in the
330 officer's presence, and if the officer has probable cause to believe that the violation was committed
331 by the person.

332 (6) The Driver License Division shall:

333 (a) suspend, for 90 days, the driver license of a person convicted under Subsection (2);

334 (b) revoke, for one year, the driver license of a person convicted of a second or subsequent
335 offense under Subsection (2) if the violation is committed within a period of six years after the date
336 of the prior violation; and

337 (c) subtract from any suspension or revocation period the number of days for which a

338 license was previously suspended under Section 53-3-223 or 53-3-231, if the previous suspension
339 was based on the same occurrence upon which the record of conviction is based.

340 (7) If a person fails to complete all court ordered screening and assessment, educational
341 series, and substance abuse treatment, or fails to pay all fines and fees, including fees for restitution
342 and treatment costs, the court shall notify the Driver License Division of a failure to comply. Upon
343 receiving the notification, the division shall suspend the person's driving privilege in accordance
344 with Subsections 53-3-221(2) and (3).

345 Section 7. Section **41-6-44.7** is amended to read:

346 **41-6-44.7. Ignition interlock devices -- Use -- Probationer to pay cost --**
347 **Impecuniosity -- Fee.**

348 (1) As used in this section:

349 (a) "Commissioner" means the commissioner of the Department of Public Safety.

350 (b) "Ignition interlock system" or "system" means a constant monitoring device or any
351 similar device certified by the commissioner that prevents a motor vehicle from being started
352 without first determining the driver's breath alcohol concentration.

353 (c) "Probation provider" means the supervisor and monitor of the ignition interlock system
354 required as a condition of probation or as otherwise ordered by the court who contracts with the
355 court in accordance with Subsections 41-6-44(14)(b) and (c).

356 (2) (a) In addition to any other penalties imposed under Section 41-6-44, and in addition
357 to any requirements imposed as a condition of probation, the court may require that any person
358 who is convicted of violating Section 41-6-44 and who is granted probation may not operate a
359 motor vehicle during the period of probation unless that motor vehicle is equipped with a
360 functioning, certified ignition interlock system installed and calibrated so that the motor vehicle
361 will not start if the operator's blood alcohol concentration exceeds a level ordered by the court.

362 (b) If a person convicted of violating Section 41-6-44 was under the age of 21 when the
363 violation occurred, the court shall order the installation of the ignition interlock system as a
364 condition of probation.

365 (c) (i) If a person is convicted of a violation of Section 41-6-44 within six years of a prior
366 conviction of that section, the court shall order the installation of the ignition interlock system, at
367 the person's expense, for all motor vehicles registered to that person and all motor vehicles
368 operated by that person for three years from the date of conviction.

369 (ii) The division shall post the ignition interlock restriction on the electronic record
370 available to law enforcement.

371 (d) This section does not apply to a person convicted of a violation of Section 41-6-44
372 whose violation involves the operation of a motorboat and not a vehicle.

373 (3) Except as provided in Subsection (2)(c), if the court imposes the use of an ignition
374 interlock system as a condition of probation, the court shall:

375 (a) stipulate on the record the requirement for and the period of the use of an ignition
376 interlock system;

377 (b) order that an ignition interlock system be installed on each motor vehicle owned or
378 operated by the probationer, at the probationer's expense;

379 (c) order the probationer to submit his driver license to the Driver License Division in
380 accordance with Subsection (5);

381 (d) immediately notify the Driver License Division and the person's probation provider of
382 the order; and

383 (e) require the probationer to provide proof of compliance with the court's order to the
384 probation provider within 30 days of the order.

385 (4) (a) The probationer shall provide timely proof of installation within 30 days of an order
386 imposing the use of a system or show cause why the order was not complied with to the court or
387 to the probationer's probation provider.

388 (b) The probation provider shall notify the court of failure to comply under Subsection
389 (4)(a).

390 (c) For failure to comply under Subsection (4)(a) or upon receiving the notification under
391 Subsection (4)(b), the court shall order the Driver License Division to suspend the probationer's
392 driving privileges for the remaining period during which the compliance was imposed.

393 (d) Cause for failure to comply means any reason the court finds sufficiently justifiable to
394 excuse the probationer's failure to comply with the court's order.

395 (5) (a) If use of an ignition interlock system is required under this section, the division may
396 not issue, reinstate, or renew the driver license of that person unless that requirement is coded on
397 the person's driver license.

398 (b) (i) If the division receives a notice that a person with a valid driver license that does
399 not require a driver license withdrawal is required to use an ignition interlock system, the division

400 shall notify the person that he has ten calendar days to apply to the division for an ignition
401 interlock system requirement coded on the license.

402 (ii) The division shall suspend the driver license of the person after the ten-day period until
403 the person applies to the division for an ignition interlock system requirement coded on the license.

404 (6) (a) Any probationer required to install an ignition interlock system shall have the
405 system monitored by the manufacturer or dealer of the system for proper use and accuracy at least
406 semiannually and more frequently as the court may order.

407 (b) (i) A report of the monitoring shall be issued by the manufacturer or dealer to the court
408 or the person's probation provider.

409 (ii) The report shall be issued within 14 days following each monitoring.

410 (7) (a) If an ignition interlock system is ordered installed, the probationer shall pay the
411 reasonable costs of leasing or buying and installing and maintaining the system.

412 (b) A probationer may not be excluded from this section for inability to pay the costs,
413 unless:

414 (i) the probationer files an affidavit of impecuniosity; and

415 (ii) the court enters a finding that the probationer is impecunious.

416 (c) In lieu of waiver of the entire amount of the cost, the court may direct the probationer
417 to make partial or installment payments of costs when appropriate.

418 (d) Subject to appropriation, the department shall lease or purchase the ignition interlock
419 system and reimburse each installer maintaining the system provided to probationers for whom
420 payment of costs has been waived or deferred on the grounds of indigency.

421 (8) (a) An additional fee of \$100 shall be paid to the court by each probationer ordered to
422 purchase, install, use, and maintain an ignition interlock system under this section.

423 (b) The fee shall be deposited with the department as a dedicated credit for the support
424 costs incurred for indigent individuals under Subsection (7)(d).

425 (c) Failure to pay the fees required under this section shall, unless excused, constitute
426 sufficient basis for a finding by the court at a hearing that the probationer has failed to comply with
427 the terms of probation.

428 (9) (a) If a probationer is required in the course and scope of employment to operate a
429 motor vehicle owned by the probationer's employer, the probationer may operate that motor
430 vehicle in the course and scope of employment without installation of an ignition interlock system

431 only if the employer has been notified that the employee is restricted and the employee has proof
432 of the notification in his possession while operating the employer's motor vehicle.

433 (b) (i) To the extent that an employer-owned motor vehicle is made available to a
434 probationer subject to this section for personal use, no exemption under this section shall apply.

435 (ii) A probationer intending to operate an employer-owned motor vehicle for personal use
436 and who is restricted to the operation of a motor vehicle equipped with an ignition interlock system
437 shall notify the employer and obtain consent in writing from the employer to install a system in the
438 employer-owned motor vehicle.

439 (c) A motor vehicle owned by a business entity that is all or partly owned or controlled by
440 a probationer subject to this section is not a motor vehicle owned by the employer and does not
441 qualify for an exemption under this Subsection (9).

442 (10) Upon conviction for violation of this section, the court shall notify the Driver License
443 Division to immediately suspend the probationer's license to operate a motor vehicle for the
444 remainder of the period of probation.

445 (11) (a) It is a class B misdemeanor for a person to:

446 (i) circumvent or tamper with the operation of an ignition interlock system;

447 (ii) knowingly furnish a motor vehicle without an ignition interlock system to someone
448 who is not authorized to drive a motor vehicle unless the motor vehicle is equipped with an
449 ignition interlock system that is in working order;

450 (iii) rent, lease, or borrow a motor vehicle without an ignition interlock system if a driving
451 restriction is imposed under this section;

452 (iv) request another person to blow into an ignition interlock system, if the person is
453 required to have a system and the person requests or solicits another to blow into the system to
454 start the motor vehicle in order to circumvent the system;

455 (v) blow into an ignition interlock system or start a motor vehicle equipped with an
456 ignition interlock system for the purpose of providing an operable motor vehicle to another person
457 required to have a system; and

458 (vi) advertise for sale, offer for sale, sell, or lease an ignition interlock system unless the
459 system has been certified by the commissioner and the manufacturer of the system has affixed a
460 warning label, as approved by the commissioner on the system, stating that the tampering,
461 circumventing, or other misuse of the system is a class B misdemeanor.

462 (b) This Subsection (11) does not apply if the starting of a motor vehicle, or the request
463 to start a motor vehicle, equipped with an ignition interlock system is done for the purpose of
464 safety or mechanical repair of the system or the motor vehicle and the person subject to the court
465 order does not drive the motor vehicle.

466 (12) (a) In accordance with Title 63, Chapter 46a, Utah Administrative Rulemaking Act,
467 the commissioner shall make rules setting standards for the certification of ignition interlock
468 systems.

469 (b) The standards shall require that the system:

470 (i) not impede the safe operation of the motor vehicle;

471 (ii) have features that make circumventing difficult and that do not interfere with the
472 normal use of the motor vehicle;

473 (iii) require a deep lung breath sample as a measure of breath alcohol concentration;

474 (iv) prevent the motor vehicle from being started if the driver's breath alcohol
475 concentration exceeds an ordered level;

476 (v) work accurately and reliably in an unsupervised environment;

477 (vi) resist tampering and give evidence if tampering is attempted;

478 (vii) operate reliably over the range of motor vehicle environments; and

479 (viii) be manufactured by a party who will provide liability insurance.

480 (c) The commissioner may adopt in whole or in part, the guidelines, rules, studies, or
481 independent laboratory tests relied upon in certification of ignition interlock systems by other
482 states.

483 (d) A list of certified systems shall be published by the commissioner and the cost of
484 certification shall be borne by the manufacturers or dealers of ignition interlock systems seeking
485 to sell, offer for sale, or lease the systems.

486 (e) In accordance with Section 63-38-3.2, the commissioner may establish an annual dollar
487 assessment against the manufacturers of ignition interlock systems distributed in the state for the
488 costs incurred in certifying. The assessment shall be apportioned among the manufacturers on a
489 fair and reasonable basis.

490 (13) There shall be no liability on the part of, and no cause of action of any nature shall
491 arise against, the state or its employees in connection with the installation, use, operation,
492 maintenance, or supervision of an interlock ignition system as required under this section.

493 Section 8. Section **41-6-44.8** is amended to read:

494 **41-6-44.8. Municipal attorneys for specified offenses may prosecute for certain DUI**
495 **offenses and driving while license is suspended or revoked.**

496 The following class A misdemeanors may be prosecuted by attorneys of cities and towns,
497 as well as by prosecutors authorized elsewhere in this code to prosecute these alleged violations:

498 (1) alleged class A misdemeanor violations of Section 41-6-44; and

499 (2) alleged violations of Section 53-3-227, which consist of the person operating a vehicle
500 or motorboat while the person's driving privilege is suspended or revoked for a violation of Section
501 41-6-44, a local ordinance which complies with the requirements of Section 41-6-43, Section
502 41-6-44.10, Section 76-5-207, or a criminal prohibition that the person was charged with violating
503 as a result of a plea bargain after having been originally charged with violating one or more of
504 those sections or ordinances.

505 Section 9. Section **41-6-44.10** is amended to read:

506 **41-6-44.10. Implied consent to chemical tests for alcohol or drug -- Number of tests**
507 **-- Refusal -- Warning, report -- Hearing, revocation of license -- Appeal -- Person incapable**
508 **of refusal -- Results of test available -- Who may give test -- Evidence.**

509 (1) (a) A person operating a motor vehicle or motorboat in this state is considered to have
510 given his consent to a chemical test or tests of his breath, blood, or urine for the purpose of
511 determining whether he was operating or in actual physical control of a motor vehicle or motorboat
512 while having a blood or breath alcohol content statutorily prohibited under Section 41-6-44,
513 53-3-231, or 53-3-232, while under the influence of alcohol, any drug, or combination of alcohol
514 and any drug under Section 41-6-44, or while having any measurable controlled substance or
515 metabolite of a controlled substance in the person's body in violation of Section 41-6-44.6, if the
516 test is or tests are administered at the direction of a peace officer having grounds to believe that
517 person to have been operating or in actual physical control of a motor vehicle or motorboat while
518 having a blood or breath alcohol content statutorily prohibited under Section 41-6-44, 53-3-231,
519 or 53-3-232, or while under the influence of alcohol, any drug, or combination of alcohol and any
520 drug under Section 41-6-44, or while having any measurable controlled substance or metabolite
521 of a controlled substance in the person's body in violation of Section 41-6-44.6.

522 (b) (i) The peace officer determines which of the tests are administered and how many of
523 them are administered.

524 (ii) If an officer requests more than one test, refusal by a person to take one or more
525 requested tests, even though he does submit to any other requested test or tests, is a refusal under
526 this section.

527 (c) (i) A person who has been requested under this section to submit to a chemical test or
528 tests of his breath, blood, or urine, may not select the test or tests to be administered.

529 (ii) The failure or inability of a peace officer to arrange for any specific chemical test is
530 not a defense to taking a test requested by a peace officer, and it is not a defense in any criminal,
531 civil, or administrative proceeding resulting from a person's refusal to submit to the requested test
532 or tests.

533 (2) (a) If the person has been placed under arrest, has then been requested by a peace
534 officer to submit to any one or more of the chemical tests under Subsection (1), and refuses to
535 submit to any chemical test requested, the person shall be warned by the peace officer requesting
536 the test or tests that a refusal to submit to the test or tests can result in revocation of the person's
537 license to operate a motor vehicle.

538 (b) Following the warning under Subsection (2)(a), if the person does not immediately
539 request that the chemical test or tests as offered by a peace officer be administered a peace officer
540 shall serve on the person, on behalf of the Driver License Division, immediate notice of the Driver
541 License Division's intention to revoke the person's privilege or license to operate a motor vehicle.
542 When the officer serves the immediate notice on behalf of the Driver License Division, he shall:

543 (i) take the Utah license certificate or permit, if any, of the operator;

544 (ii) issue a temporary license effective for only 29 days; and

545 (iii) supply to the operator, on a form approved by the Driver License Division, basic
546 information regarding how to obtain a hearing before the Driver License Division.

547 (c) A citation issued by a peace officer may, if approved as to form by the Driver License
548 Division, serve also as the temporary license.

549 (d) As a matter of procedure, the peace officer shall submit a signed report, within ten
550 calendar days after the date of the arrest, that he had grounds to believe the arrested person had
551 been operating or was in actual physical control of a motor vehicle or motorboat while having a
552 blood or breath alcohol content statutorily prohibited under Section 41-6-44, 53-3-231, or
553 53-3-232, or while under the influence of alcohol, any drug, or combination of alcohol and any
554 drug under Section 41-6-44, or while having any measurable controlled substance or metabolite

555 of a controlled substance in the person's body in violation of Section 41-6-44.6, and that the person
556 had refused to submit to a chemical test or tests under Subsection (1).

557 (e) (i) A person who has been notified of the Driver License Division's intention to revoke
558 his license under this section is entitled to a hearing.

559 (ii) A request for the hearing shall be made in writing within ten calendar days after the
560 date of the arrest.

561 (iii) Upon written request, the division shall grant to the person an opportunity to be heard
562 within 29 days after the date of arrest.

563 (iv) If the person does not make a timely written request for a hearing before the division,
564 his privilege to operate a motor vehicle in the state is revoked beginning on the 30th day after the
565 date of arrest for a period of:

566 (A) 18 months unless Subsection (2)(e)(iv)(B) applies; or

567 (B) 24 months if the person has had a previous license sanction after July 1, 1993, under
568 this section, Section 41-6-44.6, 53-3-223, 53-3-231, 53-3-232, or a conviction after July 1, 1993,
569 under Section 41-6-44.

570 (f) If a hearing is requested by the person, the hearing shall be conducted by the Driver
571 License Division in the county in which the offense occurred, unless the division and the person
572 both agree that the hearing may be held in some other county.

573 (g) The hearing shall be documented and shall cover the issues of:

574 (i) whether a peace officer had reasonable grounds to believe that a person was operating
575 a motor vehicle or motorboat in violation of Section 41-6-44, 41-6-44.6, or 53-3-231; and

576 (ii) whether the person refused to submit to the test.

577 (h) (i) In connection with the hearing, the division or its authorized agent:

578 (A) may administer oaths and may issue subpoenas for the attendance of witnesses and the
579 production of relevant books and papers; and

580 (B) shall issue subpoenas for the attendance of necessary peace officers.

581 (ii) The division shall pay witness fees and mileage from the Transportation Fund in
582 accordance with the rates established in Section 21-5-4.

583 (i) If after a hearing, the Driver License Division determines that the person was requested
584 to submit to a chemical test or tests and refused to submit to the test or tests, or if the person fails
585 to appear before the Driver License Division as required in the notice, the Driver License Division

586 shall revoke his license or permit to operate a motor vehicle in Utah beginning on the date the
587 hearing is held for a period of:

588 (i) (A) 18 months unless Subsection (2)(i)(i)(B) applies; or

589 (B) 24 months if the person has had a previous license sanction after July 1, 1993, under
590 this section, Section 41-6-44.6, 53-3-223, 53-3-231, 53-3-232, or a conviction after July 1, 1993,
591 under Section 41-6-44.

592 (ii) The Driver License Division shall also assess against the person, in addition to any fee
593 imposed under Subsection 53-3-205(14), a fee under Section 53-3-105, which shall be paid before
594 the person's driving privilege is reinstated, to cover administrative costs.

595 (iii) The fee shall be cancelled if the person obtains an unappealed court decision
596 following a proceeding allowed under this Subsection (2) that the revocation was improper.

597 (j) (i) Any person whose license has been revoked by the Driver License Division under
598 this section may seek judicial review.

599 (ii) Judicial review of an informal adjudicative proceeding is a trial. Venue is in the
600 district court in the county in which the offense occurred.

601 (3) Any person who is dead, unconscious, or in any other condition rendering him
602 incapable of refusal to submit to any chemical test or tests is considered to not have withdrawn the
603 consent provided for in Subsection (1), and the test or tests may be administered whether the
604 person has been arrested or not.

605 (4) Upon the request of the person who was tested, the results of the test or tests shall be
606 made available to him.

607 (5) (a) Only a physician, registered nurse, practical nurse, or person authorized under
608 Section 26-1-30, acting at the request of a peace officer, may withdraw blood to determine the
609 alcoholic or drug content. This limitation does not apply to taking a urine or breath specimen.

610 (b) Any physician, registered nurse, practical nurse, or person authorized under Section
611 26-1-30 who, at the direction of a peace officer, draws a sample of blood from any person whom
612 a peace officer has reason to believe is driving in violation of this chapter, or hospital or medical
613 facility at which the sample is drawn, is immune from any civil or criminal liability arising from
614 drawing the sample, if the test is administered according to standard medical practice.

615 (6) (a) The person to be tested may, at his own expense, have a physician of his own
616 choice administer a chemical test in addition to the test or tests administered at the direction of a

617 peace officer.

618 (b) The failure or inability to obtain the additional test does not affect admissibility of the
619 results of the test or tests taken at the direction of a peace officer, or preclude or delay the test or
620 tests to be taken at the direction of a peace officer.

621 (c) The additional test shall be subsequent to the test or tests administered at the direction
622 of a peace officer.

623 (7) For the purpose of determining whether to submit to a chemical test or tests, the person
624 to be tested does not have the right to consult an attorney or have an attorney, physician, or other
625 person present as a condition for the taking of any test.

626 (8) If a person under arrest refuses to submit to a chemical test or tests or any additional
627 test under this section, evidence of any refusal is admissible in any civil or criminal action or
628 proceeding arising out of acts alleged to have been committed while the person was operating or
629 in actual physical control of a motor vehicle or motorboat while under the influence of alcohol, any
630 drug, combination of alcohol and any drug, or while having any measurable controlled substance
631 or metabolite of a controlled substance in the person's body.

637 (2) A health care provider who is providing medical care to any person involved in a motor
638 vehicle or motorboat crash may notify, as soon as reasonably possible, the nearest peace officer
639 or law enforcement agency if the health care provider has reason to believe, as a result of any test
640 performed in the course of medical treatment, that the:

641 (a) person's blood alcohol concentration meets or exceeds the limit under Subsection
642 41-6-44(2)(a)(i);

643 (b) person is younger than 21 years of age and has any measurable blood, breath, or urine
644 alcohol concentration in the person's body; or

645 (c) person has any measurable controlled substance or metabolite of a controlled substance
646 in the person's body which could be a violation of Subsection 41-6-44(2)(a)(ii) or Section
647 41-6-44.6.

648 (3) The report under Subsection (2) shall consist of the:

649 (a) name of the person being treated;

650 (b) date and time of the administration of the test; and

651 (c) results disclosed by the test.

652 (4) A health care provider participating in good faith in making a report or assisting an
653 investigator from a law enforcement agency pursuant to this section is immune from any liability,
654 civil or criminal, that otherwise might result by reason of those actions.

655 (5) A report under Subsection (2) may not be used to support a finding of probable cause
656 that a person who is not a driver of a vehicle or motorboat has committed an offense.

1104 Procedures Act, the division may immediately deny, suspend, disqualify, or revoke the license of
1105 any person without hearing and without receiving a record of the person's conviction of crime
1106 when the division has been notified or has reason to believe the person:

1122 or his designee, stating that an administrative hearing has been held and the Division of Parks and

1124 be denied or suspended.

1125 (2) (a) The division may suspend the license of a person under Subsection (1) when the
1126 person has failed to comply with the terms stated on a **h [f] traffic [f] OR MOTORBOAT h** citation
1126a issued in this state, except

1127 this Subsection (2) does not apply to highway weight limit violations or violations of law
1128 governing the transportation of hazardous materials.

1129 (b) This Subsection (2) applies to parking and standing violations only if a court has issued
1130 a warrant for the arrest of a person for failure to post bail, appear, or otherwise satisfy the terms
1131 of the citation.

1132 (c) (i) This Subsection (2) may not be exercised unless notice of the pending suspension
1133 of the driving privilege has been mailed at least ten days previously to the person at the address
1134 provided to the division.

1135 (ii) After clearance by the division, a report authorized by Section 53-3-104 may not
1136 contain any evidence of a suspension that occurred as a result of failure to comply with the terms
1137 stated on a **h [f] traffic [f] OR MOTORBOAT h** citation.

1138 (3) (a) The division may suspend the license of a person under Subsection (1) when the
1139 division has been notified by a court that the person has an outstanding unpaid fine, an outstanding
1140 incomplete restitution requirement, or an outstanding warrant levied by order of a court.

1141 (b) The suspension remains in effect until the division is notified by the court that the order
1142 has been satisfied.

1143 (c) After clearance by the division, a report authorized by Section 53-3-104 may not

1144 contain any evidence of the suspension.

1145 (4) The division shall make rules establishing a point system as provided for in this
1146 subsection.

1147 (a) (i) The division shall assign a number of points to each type of moving traffic violation
1148 as a measure of its seriousness.

1149 (ii) The points shall be based upon actual relationships between types of traffic violations
1150 and motor vehicle traffic accidents.

1151 (b) Every person convicted of a traffic violation shall have assessed against his driving
1152 record the number of points that the division has assigned to the type of violation of which the
1153 person has been convicted, except that the number of points assessed shall be decreased by 10%
1154 if on the abstract of the court record of the conviction the court has graded the severity of violation
1155 as minimum, and shall be increased by 10% if on the abstract the court has graded the severity of
1156 violation as maximum.

1157 (c) (i) A separate procedure for assessing points for speeding offenses shall be established
1158 by the division based upon the severity of the offense.

1159 (ii) The severity of a speeding violation shall be graded as:

1160 (A) "minimum" for exceeding the posted speed limit by up to ten miles per hour;

1161 (B) "intermediate" for exceeding the posted speed limit by from 11 to 20 miles per hour;

1162 and

1163 (C) "maximum" for exceeding the posted speed limit by 21 or more miles per hour.

1164 (iii) Consideration shall be made for assessment of no points on minimum speeding
1165 violations, except for speeding violations in school zones.

1166 (d) (i) Points assessed against a person's driving record shall be deleted for violations
1167 occurring before a time limit set by the division.

1168 (ii) The time limit may not exceed three years.

1169 (iii) The division may also delete points to reward violation-free driving for periods of
1170 time set by the division.

1171 (e) (i) By publication in two newspapers having general circulation throughout the state,
1172 the division shall give notice of the number of points it has assigned to each type of traffic
1173 violation, the time limit set by the division for the deletion of points, and the point level at which
1174 the division will generally take action to deny or suspend under this section.

1175 (ii) The division may not change any of the information provided above regarding points
1176 without first giving new notice in the same manner.

1177 (5) (a) (i) Upon denying or suspending the license of a person under this section, the
1178 division shall immediately notify the licensee in writing and afford him an opportunity for a
1179 hearing in the county where the licensee resides.

1180 (ii) The hearing shall be documented, and the division or its authorized agent may
1181 administer oaths, may issue subpoenas for the attendance of witnesses and the production of
1182 relevant books and papers, and may require a reexamination of the licensee.

1183 (iii) One or more members of the division may conduct the hearing, and any decision made
1184 after a hearing before any number of the members of the division is as valid as if made after a
1185 hearing before the full membership of the division.

1186 (iv) After the hearing the division shall either rescind its order of denial or suspension,
1187 extend the denial or suspension of the license, or revoke the license.

1188 (b) The denial or suspension of the license remains in effect pending qualifications
1189 determined by the division regarding a person:

1190 (i) whose license has been denied or suspended following reexamination;

1191 (ii) who is incompetent to drive a motor vehicle;

1192 (iii) who is afflicted with mental or physical infirmities that might make him dangerous
1193 on the highways; or

1194 (iv) who may not have the necessary knowledge or skill to drive a motor vehicle safely.

1195 (6) (a) The division may suspend or revoke the license of any resident of this state upon
1196 receiving notice of the conviction of that person in another state of an offense committed there
1197 that, if committed in this state, would be grounds for the suspension or revocation of a license.

1198 (b) The division may, upon receiving a record of the conviction in this state of a
1199 nonresident driver of a motor vehicle or motorboat of any offense under the motor vehicle laws
1200 or motorboat laws of this state, forward a certified copy of the record to the motor vehicle
1201 administrator in the state where the person convicted is a resident.

1202 (7) (a) The division may suspend or revoke the license of any nonresident to drive a motor
1203 vehicle or motorboat in this state for any cause for which the license of a resident driver may be
1204 suspended or revoked.

1205 (b) Any nonresident who drives a motor vehicle upon a highway [~~when his~~] or a motorboat

1206 on the water when the driver's license has been suspended or revoked by the division is guilty of
1207 a class C misdemeanor.

1208 (8) (a) The division may not deny or suspend the license of any person for a period of more
1209 than one year except:

1210 (i) for failure to comply with the terms of a **h [f] traffic [f] OR MOTORBOAT h** citation
1210a under Subsection (2);

1211 (ii) upon receipt of a second or subsequent order suspending juvenile driving privileges
1212 under Section 53-3-219;

1213 (iii) when extending a denial or suspension upon receiving certain records or reports under
1214 Subsection 53-3-220(2); and

1215 (iv) for failure to give and maintain owner's or operator's security under Section
1216 41-12a-411.

1217 (b) The division may suspend the license of a person under Subsection (2) until he shows
1218 satisfactory evidence of compliance with the terms of the **h [f] traffic [f] OR MOTORBOAT h**
citation.

1219 (9) (a) By following the emergency procedures in Title 63, Chapter 46b, Administrative
1220 Procedures Act, the division may immediately suspend the license of any person without hearing
1221 and without receiving a record of his conviction for a crime when the division has reason to
1222 believe that the person's license was granted by the division through error or fraud or that the
1223 necessary consent for the license has been withdrawn or is terminated.

1224 (b) The procedure upon suspension is the same as under Subsection (5), except that after
1225 the hearing the division shall either rescind its order of suspension or cancel the license.

1226 (10) (a) The division, having good cause to believe that a licensed driver is incompetent
1227 or otherwise not qualified to be licensed, may upon written notice of at least five days to the
1228 licensee require him to submit to an examination.

1229 (b) Upon the conclusion of the examination the division may suspend or revoke the
1230 person's license, permit him to retain the license, or grant a license subject to a restriction imposed
1231 in accordance with Section 53-3-208.

1232 (c) Refusal or neglect of the licensee to submit to an examination is grounds for
1233 suspension or revocation of his license.

1234 (11) A report authorized by Section 53-3-104 may not contain any evidence of a conviction
1235 for speeding on an interstate system in this state if the conviction was for a speed of ten miles per
1236 hour or less, above the posted speed limit and did not result in an accident, unless authorized in

1237 writing by the individual whose report is being requested.

1238 (12) (a) By following the emergency procedures in Title 63, Chapter 46b, Administrative
1239 Procedures Act, the division may immediately suspend the license of a person if it has reason to
1240 believe that the person is the owner of a motor vehicle for which security is required under Title
1241 41, Chapter 12a, Motor Vehicle Financial Responsibility, and has driven the motor vehicle or
1242 permitted it to be driven within this state without the security being in effect.

1243 (b) Section 41-12a-411 regarding the requirement of proof of owner's or operator's security
1244 applies to persons whose driving privileges are suspended under this Subsection (12).

1245 (c) If the division exercises the right of immediate suspension granted under this
1246 subsection, the notice and hearing provisions of Subsection (5) apply.

1247 (d) A person whose license suspension has been sustained or whose license has been
1248 revoked by the division under this subsection may file a request for agency action requesting a
1249 hearing.

1250 (13) Any suspension or revocation of a person's license under this section also disqualifies
1251 any license issued to that person under Part 4 of this chapter.

1252 Section 20. Section **53-3-222** is amended to read:

1253 **53-3-222. Purpose of revocation or suspension for driving under the influence.**

1254 The Legislature finds that the purpose of this title relating to suspension or revocation of
1255 a person's license or privilege to drive a motor vehicle or motorboat for driving with a blood
1256 alcohol content above a certain level or while under the influence of alcohol, any drug, or a
1257 combination of alcohol and any drug, or for refusing to take a chemical test as provided in Section
1258 41-6-44.10, is protecting persons on highways and waters by quickly removing from the highways
1259 and waters those persons who have shown they are safety hazards.

1260 Section 21. Section **53-3-223** is amended to read:

1261 **53-3-223. Chemical test for driving under the influence -- Temporary license --**
1262 **Hearing and decision -- Suspension and fee -- Judicial review.**

1264 or has violated Section 41-6-44, prohibiting the operation of a vehicle or motorboat with a certain
1265 blood or breath alcohol concentration and driving under the influence of any drug, alcohol, or
1266 combination of a drug and alcohol or while having any measurable controlled substance or
1267 metabolite of a controlled substance in the person's body in violation of Section 41-6-44.6, the

1268 peace officer may, in connection with arresting the person, request that the person submit to a
1269 chemical test or tests to be administered in compliance with the standards under Section
1270 41-6-44.10.

1271 (b) In this section, a reference to Section 41-6-44 includes any similar local ordinance
1272 adopted in compliance with Subsection 41-6-43(1).

1273 (2) The peace officer shall advise a person prior to the person's submission to a chemical
1274 test that a test result indicating a violation of Section 41-6-44 or 41-6-44.6 shall, and the existence
1275 of a blood alcohol content sufficient to render the person incapable of safely driving a motor
1276 vehicle or motorboat may, result in suspension or revocation of the person's license to drive a
1277 motor vehicle or motorboat.

1278 (3) If the person submits to a chemical test and the test results indicate a blood or breath
1279 alcohol content in violation of Section 41-6-44 or 41-6-44.6, or if the officer makes a
1280 determination, based on reasonable grounds, that the person is otherwise in violation of Section
1281 41-6-44, the officer directing administration of the test or making the determination shall serve on
1282 the person, on behalf of the division, immediate notice of the division's intention to suspend the
1283 person's license to drive a motor vehicle or motorboat.

1287 (iii) supply to the driver, on a form to be approved by the division, basic information
1288 regarding how to obtain a prompt hearing before the division.

1289 (b) A citation issued by the officer may, if approved as to form by the division, serve also
1290 as the temporary license certificate.

1291 (5) As a matter of procedure, the peace officer serving the notice shall send to the division
1292 within ten calendar days after the date of arrest and service of the notice:

1293 (a) the person's license certificate;

1294 (b) a copy of the citation issued for the offense;

1295 (c) a signed report on a form approved by the division indicating the chemical test results,
1296 if any; and

1297 (d) any other basis for the officer's determination that the person has violated Section
1298 41-6-44 or 41-6-44.6.

1299 (6) (a) Upon written request, the division shall grant to the person an opportunity to be
1300 heard within 29 days after the date of arrest. The request to be heard shall be made within ten
1301 calendar days of the date of the arrest.

1302 (b) A hearing, if held, shall be before the division in the county in which the arrest
1303 occurred, unless the division and the person agree that the hearing may be held in some other
1304 county.

1305 (c) The hearing shall be documented and shall cover the issues of:

1306 (i) whether a peace officer had reasonable grounds to believe the person was driving a
1307 motor vehicle or motorboat in violation of Section 41-6-44 or 41-6-44.6;

1308 (ii) whether the person refused to submit to the test; and

1309 (iii) the test results, if any.

1310 (d) (i) In connection with a hearing the division or its authorized agent:

1314 (ii) The division shall pay witness fees and mileage from the Transportation Fund in
1315 accordance with the rates established in Section 21-5-4.

1316 (e) The division may designate one or more employees to conduct the hearing.

1317 (f) Any decision made after a hearing before any designated employee is as valid as if
1318 made by the division.

1319 (g) After the hearing, the division shall order whether the person's license to drive a motor
1320 vehicle is suspended or not.

1321 (h) If the person for whom the hearing is held fails to appear before the division as
1322 required in the notice, the division shall order whether the person's license to drive a motor vehicle
1323 is suspended or not.

1324 (7) (a) A first suspension, whether ordered or not challenged under this Subsection (7), is
1325 for a period of 90 days, beginning on the 30th day after the date of the arrest.

1326 (b) A second or subsequent suspension under this subsection is for a period of one year,
1327 beginning on the 30th day after the date of arrest.

1328 (8) (a) The division shall assess against a person, in addition to any fee imposed under
1329 Subsection 53-3-205(14) for driving under the influence, a fee under Section 53-3-105 to cover

1330 administrative costs, which shall be paid before the person's driving privilege is reinstated. This
1331 fee shall be cancelled if the person obtains an unappealed division hearing or court decision that
1332 the suspension was not proper.

1333 (b) A person whose license has been suspended by the division under this subsection may
1334 file a petition within 30 days after the suspension for a hearing on the matter which, if held, is
1335 governed by Section 53-3-224.

1336 Section 22. Section **53-3-225** is amended to read:

1337 **53-3-225. Eligibility for new license after revocation.**

1338 (1) (a) Except as provided in Subsections (1)(b) and (c), a person whose license has been
1339 revoked under this chapter may not apply for or receive any new license until the expiration of one
1340 year from the date the former license was revoked.

1341 (b) A person's license may be revoked for a longer period as provided in:

1342 (i) Section 53-3-220, for driving a motor vehicle or motorboat while the person's license
1343 is revoked, or involvement as a driver in an accident or violation of the motor vehicle laws or the
1344 motorboat laws; and

1345 (ii) Section 53-3-221, for failing to comply with the terms of a [~~traffic~~] citation.

1346 (c) (i) The length of the revocation required by Subsection 53-3-220(1)(a)(xi), (a)(xii),
1347 (b)(i), or (b)(ii) shall be specified in an order of the court adjudicating or convicting the person of
1348 the offense.

1349 (ii) If the person adjudicated of the offense is younger than 16 years of age, the license or
1350 driving privilege shall be revoked for a minimum of one year, from age 16, but not to exceed the
1351 date the person turns 21 years of age.

1352 (iii) If the person adjudicated or convicted of the offense is 16 years of age or older, the
1353 license or driving privilege shall be revoked for a minimum of one year, but not to exceed five
1354 years.

1355 (d) A revoked license may not be renewed.

1356 (e) Application for a new license shall be filed in accordance with Section 53-3-205.

1357 (f) The new license is subject to all provisions of an original license.

1358 (g) The division may not grant the license until an investigation of the character, driving
1359 abilities, and habits of the driver has been made to indicate whether it is safe to grant him a license.

1360 (2) Any resident or nonresident whose license to drive a motor vehicle or motorboat in this

1361 state has been suspended or revoked under this chapter may not drive a motor vehicle or motorboat
1362 in this state under a license, permit, or registration certificate issued by any other jurisdiction or
1363 other source during suspension or after revocation until a new license is obtained under this
1364 chapter.

1365 Section 23. Section **53-3-227** is amended to read:

1369 under this chapter or under the laws of the state in which the person's driving privilege was granted
1370 and who drives any motor vehicle upon the highways of this state or any motorboat on the waters
1371 while that driving privilege is denied, suspended, disqualified, or revoked shall be punished as
1372 provided in this section.
