  - (ii) Tax increment paid to an agency under this Subsection (4)(b) shall be paid for the applicable length of time beginning the first tax year the agency accepts tax increment from a project area.
  - (c) An agency may receive a greater percentage of tax increment or receive tax increment for a longer period of time than that specified in Subsection (4)(b) if the agency obtains the majority consent of the taxing agency committee.
  - (5) (a) The redevelopment plan shall provide that the portion of the taxes, if any, due to an increase in the tax rate by a taxing agency after the date the project area budget is approved by the taxing agency committee may not be allocated to and when collected paid into a special fund of the redevelopment agency according to the provisions of Subsection (4) unless the taxing agency committee approves the inclusion of the increase in the tax rate at the time the project area budget is approved. - (c) (i) Notwithstanding the increase or decrease resulting from Subsection (5)(b), the amount of money allocated to, and when collected paid to the agency each year for payment of bonds or other indebtedness may not be less than would have been allocated to and when collected paid to the agency each year if there had been no increase or decrease under Subsection (5)(b).
- (ii) For a decrease resulting from Subsection (5)(b)(iv), the taxable value for the base year under Subsection 17A-2-1202(2) or 17A-2-1247(2)(a), as the case may be, shall be reduced for any year to the extent necessary, including below zero, to provide an agency with approximately the same amount of money the agency would have received without a reduction in the county's certified tax rate if:
- (A) in that year there is a decrease in the certified tax rate under Subsection 59-2-924(2)(c) or (2)(d)(i);
- (B) the amount of the decrease is more than 20% of the county's certified tax rate of the previous year; and
- (C) the decrease results in a reduction of the amount to be paid to the agency under Section 17A-2-1247 or 17A-2-1247.5.
- (6) (a) For redevelopment plans first adopted before May 4, 1993, beginning January 1, 1994, all of the taxes levied and collected upon the taxable property in the redevelopment project under Section 59-2-906.1 which are not pledged to support bond indebtedness and other contractual obligations are exempt from the provisions of Subsection (4).
- (b) For redevelopment plans first adopted after May 3, 1993, beginning January 1, 1994, all of the taxes levied and collected upon the taxable property in the redevelopment project under Section 59-2-906.1 are exempt from the provisions of Subsection (4).
- (7) (a) In addition to the amounts and periods that an agency may elect to be paid tax increment under Subsection (4)(b), an agency may elect to be paid 100% of annual tax increment for an additional period, as provided in Subsection (7)(b), beyond those periods provided under Subsection (4)(b), without the approval of the taxing agency committee, if the tax increment funding for the additional period is used:

    - (c) This Subsection (7) applies only to an agency established by a city in which:
  - (i) for an agency in a city in which is located all or a portion of an interchange on I-15 or that would directly benefit from an interchange on I-15, the installation, construction, or reconstruction of an interchange on I-15 or frontage or other roads connecting to the interchange has begun on or before June 30, 2002; and

  - (d) Notwithstanding any other provision of this Subsection (7), a school district may not receive less tax increment because of application of the other provisions of this Subsection (7) than it would have received without those provisions.
