9	provisions including county board of adjustment power provisions and conditional use and

13	county budget officer. The act modifies county clerk and county recorder provisions,
14	including provisions relating to the recording of documents. The act modifies county

26 appointment of administrative law judges to hear appeals referred by the career service 27 council. The act modifies provisions relating to the office of personnel management and makes the position of director a merit position. The act modifies the procedure for adopting 28 29 an alternate form of county government, modifies the makeup of the appointment council, eliminates some alternate forms of government, requires an optional plan to be prepared by 30 a study committee before being presented to voters, and replaces the county attorney for the 31 32 attorney general with respect to a review of the optional plan for compliance with applicable 33 law. The act authorizes the county executive and county legislative body to exercise limited 34 direction and supervision over other county elected officers and modifies executive functions and powers. The act modifies the procedure for electing a county or district attorney under 35 certain circumstances. The act provides for boundary agreements to act as quitclaim deeds 36 37 under certain circumstances and eliminates a requirement for water right deeds to be 38 transmitted by the county recorder to the state engineer. The act imposes a one-year limit on actions against a county legislative body or county executive for decisions they make. The 39 40 act also makes technical changes.
