88 (1) (a) Each local political subdivision and private entity shall comply with the
89 requirements of this chapter before establishing or modifying any impact fee.

90 (b) A local political subdivision may not:

91 (i) establish any new impact fees that are not authorized by this chapter; or

92 (ii) impose or charge any other fees as a condition of development approval unless those
93 fees are a reasonable charge for the service provided.

94 (c) Notwithstanding any other requirements of this chapter, each local political subdivision
95 shall ensure that each existing impact fee that is charged for any public facility not authorized by
96 Subsection 11-36-102[~~(11)~~](12) is repealed by July 1, 1995.

97 (d) (i) Existing impact fees for public facilities authorized in Subsection
98 11-36-102[~~(11)~~](12) that are charged by local political subdivisions need not comply with the
99 requirements of this chapter until July 1, 1997.

100 (ii) By July 1, 1997, each local political subdivision shall:

101 (A) review any impact fees in existence as of the effective date of this act, and prepare and
102 approve the analysis required by this section for each of those impact fees; and

103 (B) ensure that the impact fees comply with the requirements of this chapter.

104 (2) (a) Before imposing impact fees, each local political subdivision shall prepare a capital
105 facilities plan.

106 (b) The plan shall identify:

107 (i) demands placed upon existing public facilities by new development activity; and

108 (ii) the proposed means by which the local political subdivision will meet those demands.

109 (c) Municipalities and counties need not prepare a separate capital facilities plan if the
110 general plan required by Sections 10-9-301 and 17-27-301 contains the elements required by
111 Subsection (2)(b).

112 (d) (i) If a local political subdivision prepares an independent capital facilities plan rather
113 than including a capital facilities element in the general plan, the local political subdivision shall,
114 before adopting the capital facilities plan:

115 (A) give public notice of the plan according to this Subsection (2)(d);

116 (B) at least 14 days before the date of the public hearing:

117 (I) make a copy of the plan, together with a summary designed to be understood by a lay
118 person, available to the public; and

119 (II) place a copy of the plan and summary in each public library within the local political
120 subdivision; and

121 (C) hold a public hearing to hear public comment on the plan.

122 (ii) Municipalities shall comply with the notice and hearing requirements of, and, except
123 as provided in Subsection 11-36-401(4)(f), receive the protections of, Subsections 10-9-103(2) and
124 10-9-402(2).

125 (iii) Counties shall comply with the notice and hearing requirements of, and, except as
126 provided in Subsection 11-36-401(4)(f), receive the protections of, Subsections 17-27-103(2) and

128 (iv) Special districts and private entities shall comply with the notice and hearing
129 requirements of, and receive the protections of, Section 17A-1-203.

130 (v) Nothing contained in Subsection (2)(d) or in the subsections referenced in Subsections
131 (2)(d)(ii) and (iii) may be construed to require involvement by a planning commission in the
132 capital facilities planning process.

133 (e) (i) Local political subdivisions with a population or serving a population of less than
134 5000 as of the last federal census need not comply with the capital facilities plan requirements of
135 this part, but shall ensure that the impact fees imposed by them are based upon a reasonable plan.

136 (ii) Subsection (2)(e)(i) does not apply to private entities.

137 (3) In preparing the plan, each local political subdivision shall generally consider all
138 revenue sources, including impact fees, to finance the impacts on system improvements.

139 (4) A local political subdivision may only impose impact fees on development activities
140 when its plan for financing system improvements establishes that impact fees are necessary to
141 achieve an equitable allocation to the costs borne in the past and to be borne in the future, in
142 comparison to the benefits already received and yet to be received.

143 (5) (a) Each local political subdivision imposing impact fees shall prepare a written
144 analysis of each impact fee that:

145 (i) identifies the impact on system improvements required by the development activity;

146 (ii) demonstrates how those impacts on system improvements are reasonably related to the
147 development activity;

148 (iii) estimates the proportionate share of the costs of impacts on system improvements
149 that are reasonably related to the new development activity; and

150 (iv) based upon those factors and the requirements of this chapter, identifies how the
151 impact fee was calculated.

152 (b) In analyzing whether or not the proportionate share of the costs of public facilities are
153 reasonably related to the new development activity, the local political subdivision shall identify,
154 if applicable:

155 (i) the cost of existing public facilities;

156 (ii) the manner of financing existing public facilities, such as user charges, special
157 assessments, bonded indebtedness, general taxes, or federal grants;

158 (iii) the relative extent to which the newly developed properties and the other properties
159 in the municipality have already contributed to the cost of existing public facilities, by such means
160 as user charges, special assessments, or payment from the proceeds of general taxes;

161 (iv) the relative extent to which the newly developed properties and the other properties
162 in the municipality will contribute to the cost of existing public facilities in the future;

163 (v) the extent to which the newly developed properties are entitled to a credit because the
164 municipality is requiring their developers or owners, by contractual arrangement or otherwise, to
165 provide common facilities, inside or outside the proposed development, that have been provided
166 by the municipality and financed through general taxation or other means, apart from user charges,
167 in other parts of the municipality;

168 (vi) extraordinary costs, if any, in servicing the newly developed properties; and

169 (vii) the time-price differential inherent in fair comparisons of amounts paid at different
170 times.

171 (c) Each local political subdivision that prepares a written analysis under this Subsection
172 (5) on or after July 1, 2000 shall also prepare a summary of the written analysis, designed to be
173 understood by a lay person.

174 (6) Each local political subdivision that adopts an impact fee enactment under Section
175 11-36-202 on or after July 1, 2000 shall, at least 14 days before adopting the enactment, submit
176 to each public library within the local political subdivision:

177 (a) a copy of the written analysis required by Subsection (5)(a); and

178 (b) a copy of the summary required by Subsection (5)(c).

179 (7) Nothing in this chapter may be construed to repeal or otherwise eliminate any impact
180 fee in effect on the effective date of this act that is pledged as a source of revenues to pay bonded

181 indebtedness that was incurred before the effective date of this act.

182 Section 3. Section **11-36-501** is enacted to read:

183 **Part 5. Private Entity Assessment of Impact Fees**

184 **11-36-501. Private entity assessment of impact fees -- Notice and hearing -- Audit.**

185 (1) A private entity may only impose a charge for public facilities as a condition of
186 development approval by imposing an impact fee. A private entity shall comply with the
187 requirements of this chapter before imposing an impact fee.

188 (2) Except as otherwise specified in this chapter, a private entity is subject to the same
189 requirements of this chapter as a local political subdivision.

190 (3) Where notice and hearing requirements are specified, a private entity shall comply with
191 the notice and hearing requirements for special districts.

192 (4) A private entity that assesses an impact fee under this chapter is subject to the audit
193 requirements of Title 51, Chapter 2, Audits of Political Subdivisions, Interlocal Organizations, and
194 Other Local Entities.
