4                                   2002 GENERAL SESSION

5                                   STATE OF UTAH

6                                   **Sponsor: Glenn L. Way**

7   **This joint resolution urges the United States Congress to send to the states a constitutional**  
8   **amendment protecting the life of the unborn.**

9   *Be it resolved by the Legislature of the state of Utah:*

10           WHEREAS, life is the first guarantee of the Declaration of Independence: "We hold these  
11 truths to be self-evident, that all men are created equal, that they are endowed by their creator with  
12 certain unalienable rights, that among these are Life, Liberty and the Pursuit of Happiness.";

13           WHEREAS, it is estimated that since Roe v. Wade, the 1973 United States Supreme  
14 Court's decision legalizing abortion, no other issue has triggered more divisive and passionate  
15 debate among the people of the United States which continues today;

16           WHEREAS, since the Roe v. Wade decision nearly 43 million abortions have been  
17 performed in the United States;

18           WHEREAS, statistics show that between 3,500 and 3,700 abortions are performed annually  
19 in the state of Utah;

20           WHEREAS, scientific evidence clearly demonstrates that the life of a human being begins  
21 at conception;

22           WHEREAS, all human beings, born and unborn, have a fundamental, individual right to  
23 life which cannot be infringed upon;

24           WHEREAS, **h [most] h** abortions performed are merely the means to terminating **h [an**  
24a **unwanted] a h**  
25 **pregnancy h except in extraordinary circumstances h ;**

26           WHEREAS, on October 30, 1999, in Nashville, Tennessee, an extremely delicate but  
27 successful spinal operation was performed on a 21-week old fetus still young enough to be legally

28 aborted, and focused the nation's attention on the viability and sanctity of an unborn human life;

29 WHEREAS, there is a growing number of individuals who, prior to their birth, survived  
30 abortion procedures, enjoy happy and productive lives today, and stand as living proof that life,  
31 when permitted to continue in its natural course, is filled with limitless possibilities in contrast to  
32 its termination by abortion;

33 WHEREAS, many Americans on both sides of the abortion issue consider it equal in  
34 importance to other basic issues resolved in previous amendments to the constitution such as free  
35 speech and the abolition of slavery; and

36 WHEREAS, beyond the rhetoric of whether the issue should be framed as the right to life  
37 or the right to choose, it is fitting that the ultimate decision on this serious and weighty question  
38 should be determined by those who must respond most directly to the voice of the people:

39 NOW, THEREFORE, BE IT RESOLVED that the Legislature of the state of Utah strongly  
40 urge the United States Congress to send to the states an amendment to the United States  
41 Constitution protecting the life of the unborn.

42 BE IT FURTHER RESOLVED that a copy of this resolution be sent to the President of the  
43 United States Senate, the Speaker of the United States House of Representatives, and the members  
44 of Utah's congressional delegation.
