

ACCESS TO FLUORIDATED WATER

2002 GENERAL SESSION

STATE OF UTAH

Sponsor: David L. Hogue

This act modifies the Safe Drinking Water Act to allow a fluoridated water system to supply water to a resident in an adjacent municipality or county which has not approved fluoridation upon the request of a resident.

This act affects sections of Utah Code Annotated 1953 as follows:

ENACTS:

19-4-111.1, Utah Code Annotated 1953

Be it enacted by the Legislature of the state of Utah:

Section 1. Section **19-4-111.1** is enacted to read:

19-4-111.1. Provision of fluoridated water -- Request of resident.

A public water system whose entire water inventory is fluoridated may supply water to a residence or business in an adjacent municipality or county that has not approved fluoridation in accordance with Subsection 19-4-111(1) if:

(1) the owner requests that the public water system supply water to the residence or business;

(2) no reasonable alternative water supply exists; and

(3) the owner's request can be fulfilled without affecting other residences or businesses in the municipality or county that has not approved fluoridation.
