10 This act affects sections of Utah Code Annotated 1953 as follows:

11 AMENDS:

12 **17A-3-701**, as last amended by Chapter 1, Laws of Utah 2000

13 *Be it enacted by the Legislature of the state of Utah:*

14 Section 1. Section **17A-3-701** is amended to read:

15 **17A-3-701. Local substance abuse authorities -- Responsibilities.**

16 (1) All county governing bodies in this state are local substance abuse authorities. Within
17 legislative appropriations and county matching funds required by this section, and under the policy
18 direction of the state Board of Substance Abuse and the administrative direction of the Division
19 of Substance Abuse within the Department of Human Services, local substance abuse authorities
20 shall provide substance abuse services to residents of their respective counties. Two or more
21 county governing bodies may join to provide substance abuse prevention and treatment services.

22 (2) The governing bodies may establish acceptable ways of apportioning the cost of
23 substance abuse services. Any agreement for joint substance abuse services may designate the
24 treasurer of one of the participating counties as the custodian of moneys available for those joint
25 services, and that the designated treasurer, or other disbursing officer, may make payments from
26 those moneys for such purposes upon audit of the appropriate auditing officer or officers
27 representing the participating counties. The agreement may provide for joint operation of services

28 and facilities or for operation of services and facilities under contract by one participating local
29 substance abuse authority for other participating local substance abuse authorities.

30 (3) (a) All county governing bodies, as local substance abuse authorities, are accountable
31 to the Department of Human Services, the Department of Health, and the state with regard to the
32 use of state and federal funds received from those departments for substance abuse services,
33 regardless of whether the services are provided by a private contract provider.

34 (b) A local substance abuse authority shall comply, and require compliance by its contract
35 provider, with all directives issued by the Department of Human Services and the Department of
36 Health regarding the use and expenditure of state and federal funds received from those
37 departments for the purpose of providing substance abuse programs and services. The Department
38 of Human Services and Department of Health shall ensure that those directives are not duplicative
39 or conflicting, and shall consult and coordinate with local substance abuse authorities with regard
40 to programs and services.

41 (4) Local substance abuse authorities shall:

42 (a) review and evaluate substance abuse prevention and treatment needs and services;

43 (b) annually prepare and submit a plan to the division for funding and service delivery; the
44 plan shall include, but is not limited to, primary prevention, targeted prevention, early intervention,
45 and treatment services;

46 (c) establish and maintain, either directly or by contract, programs licensed under Title
47 62A, Chapter 2, Licensure of Programs and Facilities;

48 (d) appoint directly or by contract a full or part time director for substance abuse programs,
49 and prescribe his duties;

50 (e) provide input and comment on new and revised policies established by the state Board
51 of Substance Abuse;

52 (f) establish and require contract providers to establish administrative, clinical, personnel,
53 financial, and management policies regarding substance abuse services and facilities, in accordance
54 with the policies of the state Board of Substance Abuse, and state and federal law;

55 (g) establish mechanisms allowing for direct citizen input;

56 (h) annually contract with the Division of Substance Abuse to provide substance abuse
57 programs and services in accordance with the provisions of Title 62A, Chapter 8, Substance
58 Abuse;

59 (i) comply with all applicable state and federal statutes, policies, audit requirements,
60 contract requirements, and any directives resulting from those audits and contract requirements;

61 (j) promote or establish programs for the prevention of substance abuse within the
62 community setting through community-based prevention programs;

63 (k) provide funding equal to at least 20% of the state funds that it receives to fund services
64 described in the plan; [~~and~~]

65 (l) comply with the requirements and procedures of Title 11, Chapter 13, Interlocal
66 Cooperation Act, Title 51, Chapter 2, Audits of Political Subdivisions, Interlocal Organizations
67 and Other Local Entities, and Title 17A, Chapter 1, Part 4, Uniform Fiscal Procedures for Special
68 Districts Act[-];

69 (m) for persons convicted of driving under the influence in violation of Subsection
70 41-6-44(2) or Section 41-6-44.6, conduct the following as defined in Section 41-6-44:

71 (i) a screening and assessment;

72 (ii) an educational series; and

73 (iii) substance abuse treatment; and

74 (n) utilize proceeds of the accounts described in Subsection 62A-8-303(1) to supplement
75 the cost of providing the services described in Subsection (4)(m).

76 (5) Before disbursing any public funds, local substance abuse authorities shall require that
77 all entities that receive any public funds from a local substance abuse authority agree in writing
78 that:

79 (a) the division may examine the entity's financial records;

80 (b) the county auditor may examine and audit the entity's financial records; and

81 (c) the entity will comply with the provisions of Subsection (3)(b).

82 (6) Local substance abuse authorities may receive property, grants, gifts, supplies,
83 materials, contributions, and any benefit derived therefrom, for substance abuse services. If those
84 gifts are conditioned upon their use for a specified service or program, they shall be so used.

85 (7) (a) For purposes of this section "public funds" means the same as that term is defined
86 in Section 17A-3-703.

87 (b) Nothing in this section limits or prohibits an organization exempt under Section
88 501(c)(3), Internal Revenue Code, from using public funds for any business purpose or in any
89 financial arrangement that is otherwise lawful for that organization.
