

PRACTICE OF RADIOLOGY TECHNOLOGY

LICENSURE AMENDMENTS

2002 GENERAL SESSION

STATE OF UTAH

Sponsor: J. Morgan Philpot

This act relates to occupations and professions. The act expands the circumstances in which an individual may engage in the practice of radiology technology without a license.

This act affects sections of Utah Code Annotated 1953 as follows:

9 AMENDS:

58-54-4.3, as last amended by Chapter 19, Laws of Utah 2000

11 *Be it enacted by the Legislature of the state of Utah:*

Section 1. Section **58-54-4.3** is amended to read:

58-54-4.3. Exemption from licensure.

14 A person may engage in the practice of radiology technology without being licensed under
15 this chapter if:

16 (1) (a) the person is filling a new or existing position as an employee performing the duties
17 of a radiology practical technician when a licensed radiology practical technician is not available
18 to begin in the new position or continue filling the existing position;

19 (b) the total period in which the position is filled by the unlicensed person is not more than
20 90 days;

21 (c) the unlicensed person at all times performs services as a radiology practical technician
22 under the direct on-premises supervision of a radiology practitioner; and

23 (d) the employee position filled by an unlicensed person under this section is an existing
24 position and was filled by a person licensed under this chapter immediately prior to employment
25 of the unlicensed person;

26 (2) the person:

27 (a) performs services in a dental facility under the supervision of a dentist licensed to

28 practice in this state; and

29 (b) has completed a radiology course approved by the Dentists and Dental Hygienists

30 Board created under Section 58-69-201; or

31 (3) the person:

32 (a) performs services in a medical facility under the supervision of:

33 (i) a podiatric physician licensed to practice in this state; or

34 (ii) a physician or surgeon licensed to practice in this state; and

35 (b) has completed a radiology course approved by the Podiatric Physician Board created

36 under Section 58-5a-201 or the Physician Licensing Board created under Section 58-67-201.
