

**Senator Karen Hale** proposes the following substitute bill:

**ORGAN DONATION CHECKOFF**

2002 GENERAL SESSION

STATE OF UTAH

**Sponsor: Karen Hale**

**This act enacts provisions authorizing a voluntary checkoff for motor vehicle registrations and driver license applications and renewals for the purpose of promoting and supporting organ donation. The act creates the Organ Donation Contribution Fund. The act modifies the duties of the Department of Health to include administration of the fund. The act provides an effective date.**

This act affects sections of Utah Code Annotated 1953 as follows:

AMENDS:

**26-1-30**, as last amended by Chapters 53 and 325, Laws of Utah 2001

ENACTS:

**26-18b-101**, Utah Code Annotated 1953

**41-1a-230.5**, Utah Code Annotated 1953

**53-3-214.7**, Utah Code Annotated 1953

*Be it enacted by the Legislature of the state of Utah:*

Section 1. Section **26-1-30** is amended to read:

**26-1-30. Powers and duties of department.**

(1) The department shall:

(a) enter into cooperative agreements with the Department of Environmental Quality to delineate specific responsibilities to assure that assessment and management of risk to human health from the environment are properly administered; and

(b) consult with the Department of Environmental Quality and enter into cooperative agreements, as needed, to ensure efficient use of resources and effective response to potential

26 health and safety threats from the environment, and to prevent gaps in protection from potential  
27 risks from the environment to specific individuals or population groups.

28 (2) In addition to all other powers and duties of the department, it shall have and exercise  
29 the following powers and duties:

30 (a) promote and protect the health and wellness of the people within the state;

31 (b) establish, maintain, and enforce rules necessary or desirable to carry out the provisions  
32 and purposes of this title to promote and protect the public health or to prevent disease and illness;

33 (c) investigate and control the causes of epidemic, infectious, communicable, and other  
34 diseases affecting the public health;

35 (d) provide for the detection, reporting, prevention, and control of communicable,  
36 infectious, acute, chronic, or any other disease or health hazard that the department considers to  
37 be dangerous, important, or likely to affect the public health;

38 (e) collect and report information on causes of injury, sickness, death, and disability and  
39 the risk factors that contribute to the causes of injury, sickness, death, and disability within the  
40 state;

41 (f) collect, prepare, publish, and disseminate information to inform the public concerning  
42 the health and wellness of the population, specific hazards, and risks that may affect the health and  
43 wellness of the population and specific activities which may promote and protect the health and  
44 wellness of the population;

45 (g) establish and operate programs necessary or desirable for the promotion or protection  
46 of the public health and the control of disease or which may be necessary to ameliorate the major  
47 causes of injury, sickness, death, and disability in the state, except that the programs shall not be  
48 established if adequate programs exist in the private sector;

49 (h) establish, maintain, and enforce isolation and quarantine, and for this purpose only,  
50 exercise physical control over property and individuals as the department finds necessary for the  
51 protection of the public health;

52 (i) close theaters, schools, and other public places and forbid gatherings of people when  
53 necessary to protect the public health;

54 (j) abate nuisances when necessary to eliminate sources of filth and infectious and  
55 communicable diseases affecting the public health;

56 (k) make necessary sanitary and health investigations and inspections in cooperation with

57 local health departments as to any matters affecting the public health;

58 (l) establish laboratory services necessary to support public health programs and medical  
59 services in the state;

60 (m) establish and enforce standards for laboratory services which are provided by any  
61 laboratory in the state when the purpose of the services is to protect the public health;

62 (n) cooperate with the Labor Commission to conduct studies of occupational health  
63 hazards and occupational diseases arising in and out of employment in industry, and make  
64 recommendations for elimination or reduction of the hazards;

65 (o) cooperate with the local health departments, the Department of Corrections, the  
66 Administrative Office of the Courts, the Division of Youth Corrections, and the Crime Victims  
67 Reparations Board to conduct testing for HIV infection of convicted sexual offenders and any  
68 victims of a sexual offense;

69 (p) investigate the cause of maternal and infant mortality;

70 (q) establish, maintain, and enforce a procedure requiring the blood of adult pedestrians  
71 and drivers of motor vehicles killed in highway accidents be examined for the presence and  
72 concentration of alcohol;

73 (r) provide the commissioner of public safety with monthly statistics reflecting the results  
74 of the examinations provided for in Subsection (2)(q) and provide safeguards so that information  
75 derived from the examinations is not used for a purpose other than the compilation of statistics  
76 authorized in this Subsection (2)(r);

77 (s) establish qualifications for individuals permitted to draw blood pursuant to Section  
78 41-6-44.10, and to issue permits to individuals it finds qualified, which permits may be terminated  
79 or revoked by the department;

80 (t) establish a uniform public health program throughout the state which includes  
81 continuous service, employment of qualified employees, and a basic program of disease control,  
82 vital and health statistics, sanitation, public health nursing, and other preventive health programs  
83 necessary or desirable for the protection of public health;

84 (u) adopt rules and enforce minimum sanitary standards for the operation and maintenance
