

- 28 of a species;
- 29 (b) prepare a list of proposed sites for the transplant of species;
- 30 (c) provide notification of proposed sites for the transplant of species to:
- 31 (i) local government officials having jurisdiction over areas that may be affected by a
- 32 transplant; and
- 33 (ii) the Resource Development Coordinating Committee created in Section 63-28a-2.
- 34 (3) After receiving comments from local government officials and the Resource
- 35 Development Coordinating Committee, the division shall submit the list of proposed transplant
- 36 sites, or a revised list, to regional advisory councils for regions that may be affected by the
- 37 transplants of species.
- 38 (4) Each regional advisory council reviewing a list of proposed sites for the transplant
- 39 of species may submit recommendations to the Wildlife Board.
- 40 (5) The Wildlife Board shall approve, modify, or reject each proposal for the transplant
- 41 of a species.
- 42 (6) Each list of proposed transplant sites approved by the Wildlife Board shall have a
- 43 termination date after which a transplant may not occur.

Legislative Review Note
as of 1-29-03 2:46 PM

A limited legal review of this legislation raises no obvious constitutional or statutory concerns.
