

28 (f) have successfully passed examinations established by rule by the division in
29 collaboration with the board; and

30 (g) meet with the board or representative of the division upon request for the purpose
31 of evaluating the applicant's qualification for licensure.

32 (2) Each applicant for licensure as a professional structural engineer shall:

33 (a) submit an application in a form prescribed by the division;

34 (b) pay a fee determined by the department under Section 63-38-3.2;

35 (c) provide satisfactory evidence of good moral character;

36 (d) have graduated and received an earned bachelors or masters degree from an
37 engineering program meeting criteria established by rule by the division in collaboration with
38 the board;

39 (e) have successfully completed three years of licensed professional engineering
40 experience established by rule by the division in collaboration with the board;

41 (f) have successfully passed examinations established by rule by the division in
42 collaboration with the board; and

43 (g) meet with the board or representative of the division upon request for the purpose
44 of evaluating the applicant's qualification for licensure.

45 (3) (a) Each applicant for licensure as a professional land surveyor shall:

46 [~~(a)~~] (i) submit an application in a form prescribed by the division;

47 [~~(b)~~] (ii) pay a fee determined by the department under Section 63-38-3.2;

48 [~~(c)~~] (iii) provide satisfactory evidence of good moral character;

49 [~~(d)~~] (iv) (A) have graduated and received an ~~[earned]~~ associates, bachelors, or masters
50 degree from a land surveying program, or an equivalent land surveying program, established by
51 rule by the division in collaboration with the board, and have successfully completed a program
52 of qualifying experience in land surveying established by rule by the division in collaboration
53 with the board; or

54 [~~(e)~~] (B) have successfully completed a program of qualifying experience in land
55 surveying prior to January 1, 2007, in accordance with rules established [~~by rule~~] by the
56 division in collaboration with the board;

57 [~~(f)~~ have successfully completed a program of qualifying experience in land surveying
58 established by rule by the division in collaboration with the board, which experience is in

59 ~~addition to any experience obtained in Subsection (3)(e);]~~

60 ~~[(g)]~~ (v) have successfully passed examinations established by rule by the division in
61 collaboration with the board; and

62 ~~[(h)]~~ (vi) meet with the board or representative of the division upon request for the
63 purpose of evaluating the applicant's qualification for licensure.

64 (b) In granting a license under Subsection (3)(a), the division shall take note of the
65 following legislative findings:

66 (i) ownership of real property by residents of the state is essential to economic
67 prosperity and strong, vibrant communities;

68 (ii) since the purchase of real property is the highest cost investment that most residents
69 make in their lifetimes, government has a responsibility to ensure that descriptions of the
70 property are accurate to avoid disputes over property lines and to prevent fraud; and

71 (iii) prospective property owners have a right to know that the property they are
72 purchasing is being accurately described and located.

73 (4) Each applicant for licensure by endorsement shall:

74 (a) submit an application in a form prescribed by the division;

75 (b) pay a fee determined by the department under Section 63-38-3.2;

76 (c) provide satisfactory evidence of good moral character;

77 (d) submit satisfactory evidence of:

78 (i) current licensure in good standing in a jurisdiction recognized by rule by the
79 division in collaboration with the board; ~~[and]~~

80 (ii) ~~[have]~~ having successfully passed any examination established by rule by the
81 division in collaboration with the board; and

82 (iii) full-time employment as a licensed professional engineer, professional structural
83 engineer, or professional land surveyor as a principal for at least five of the last seven years
84 immediately preceding the date of the application; and

85 (e) meet with the board or representative of the division upon request for the purpose
86 of evaluating the applicant's qualifications for license.

87 (5) The rules made to implement this section shall be in accordance with Title 63,
88 Chapter 46a, Utah Administrative Rulemaking Act.

Legislative Review Note

as of 11-13-02 7:00 AM

A limited legal review of this legislation raises no obvious constitutional or statutory concerns.
